Maxie Miller:-I have a dark secret and I don't know what to do about it. I am a young married woman and I love my husband but I made one mistake and my child is not my husband's child. He doesn't know the truth, but I do and I am miserable. Sometimes I think I'll just confess and have it over. What do you think? Penitent Mary.

Penitent Mary: To follow the course you have in mind is to bring wreck and ruin to all. First, you may be mistaken for the question of paternity is a difficult one. Second, no doubt your husband has made more than "one mistake" of this kind, and he'd never confess to you. Remember "What a man doesn't know won't hurt him."

To confess would wreck your home, break your husband's heart, bring disgrace and shame on you and the name of your father, and perhaps worse than all, hang on your child the badge of illegitimacy, and place him under an inescapable handicap Keep your secret. It won't kill you and won't hurt you as much as telling

Youthful Strength

Dr. Magnus Hirschfeld, the world-known authority on Sexology and Director of the Institute for Sexual Science of Berlin, Germany,

TITUS--PEARLS

to help the millions of men and women who have lost or are losing their vital physical power. In his 35 years of practice and research, however, he realized that the weakening of man's glands was also responsible for other troubles: High blood pressure, hardening of the arteries, physical exhaustion after work or exercise, dizziness, depression, neurasthenia, etc.

All these troubles can be removed with Titus-Pearls. Numerous cases were treated by Dr. Hirschfeld in his Berlin Institute.

L. S. (State Official; 60 years old, married) complained of physical exhaustion, dizziness and tremors. Was easily tired. Mental power dull and slow moving. Physical powers had been incomplete for previous 5 years. Blood pressure too high. Given 2 Titus-Pearls 3 times a day. 2 weeks later the medical report on this man was:—general health better, more vigor; dizziness much less and returning of power. Treatment continued and 2 weeks later L. S. reported again, this time to say that all weariness and exhaustion had gone; again, this time to say that all weariness and exhaustion had gone; he felt fresh and buoyant. His blood pressure had fallen, and at 60 years of age he had regained the physical power and virility that he had known in the prime of his life.

Start regaining your youthfulness now! To-day! In 2 weeks time you will be aware of the new, virile force within you. Send \$5.00 (cash registered or money-order) for 2 weeks treatment. C. O. D. Orders accepted. Write for Booklet.
