HAPPY HOUR BRIDGE CLUB

Members of the Happy Hour Bridge Club spent an enjoyable evening at the home of their president, Mr. C. McFall, 345th and Farnam Sts., N. W. Thursday, March 23rd. After business meeting, which was very brief, the men held a private meeting. Something fishy about it, I'd say. Careful ladies be on the lookout, anything can happen when they get their schnozzles together.

Bridge was played and Mr. T. Humphrey went home with the prize once more, Mrs. C. Selectman was awarded the prize for the ladies.

I must say that the club is progressing rapidly and there is much improvement in the bridge playing of each member. The hostess served a very pleasing luncheon and believe me, the champion prize winner is a champ at other things as well, such as eating ice cream.

Mr. and Mrs. H. Clark and Miss H. Brown were visitors.

The members will be the guests of Mr. S. Phillips, 3036 Emmett St., next meeting. See you then, H. H. B. Club reporter.

THE COLLEGE CLUB

The meeting was called to order by the president, after which the essential functions of the club were conducted.

This week's program featured a speaker in the person of Miss Taylor, the Executive Secretary of the North branch YWCA, who spoke on "The Problems of every Negro College Student".

"I feel certain that I speak words worthy of approval which I say that Mrs. Taylor needs no introduction as to her status, aid and accomplishments in all those wholesome and uplifting undertakings which have been ours in the last two or three years", the president said, in the presentation of Miss Taylor.

The subject was rendered in such a fashion and carried with it such reality concerning such problems as, choosing our course, the prejudice problem, the finance problem, the health problem, and many others, that the members were held with sustained interest throughout the speaker's contribution.

The next program features Atty. Pinkett who will speak on Negro History. The president wishes all members to be prompt.

The program committee has completed the program for the month of April and assures the club of an interesting month. Oscar Washington, Pres., Joe Owen, Reporter.

THE WOMAN AND THE MAN

by R. A. ADAM
 (For the Literary Service Bureau)

Because a man's man,
 And just because he can,
 He should not be unjust,
 And trample in the dust,
 A woman's tender heart,
 Nor pierce by cruel dart.

Because a woman's love,
 By every means she'll prove,
 To make of her a fool,
 A laughing-stock, a fool,
 An unprovoked abuse,
 And sin, without excuse.

Because a man's a man,
 In every way he can,
 To womanhood should he
 True friend and helper be;
 And less than this brings shame
 Upon his boasted name.

Owen Endorses Westergard

(Continued from Page 1)
 present Commissioner in charge of the Department of Finance, who is a candidate for re-election. He has done his work as a City Commissioner with credit to himself and to his city. He has treated the Negroes of this city fairly in all of his dealings. He deserves my support, and I am going to work to the limit to help him. Likewise, he deserves the support of every Negro in Omaha and each one of us should go to the limit to help re-elect him so that we can have this good friend of ours in the City Council once more.

Hoping that you will not only vote, but seek support for the re-election of Commissioner Arthur Westergard, I am,

JOHNNY OWEN

Representative 9th District,
 Nebraska State Legislature.

WRIGHT SAYS COUNSMAN SHOULD BE CONSIDERED

by D. Wright
 Harry Counsman, candidate for City Commissioner, has in the past proved a worthy man for public office. He has faithfully discharged his duty as a county commissioner and assessor and now asks us to vote for him for city commissioner.

He is a strong believer in law and order and can always be found standing up for the rights of all people.

Mr. Counsman was strongly endorsed by all members of our race and is the unanimous choice as the best friend we have for the office of city commissioner.

He will appreciate your vote for him April 4th. His convictions are the same as always before. He has not changed one bit. Vote for him again.

HUMMEL

Mrs. Maude Rodgers Gives the Following Reasons Why Mr. Hummel Should Be Re-elected

Mr. Joe Hummel, a life-long resident of Omaha, has faithfully served our city as a Park Commissioner for twenty-one years, and under his most able leadership has built up one of the most beautiful and most economically conducted playground and Park systems in the entire United States.

Some of the best Park Engineers and Park experts from some of the largest cities in the United States as well as abroad have visited our parks and playgrounds and voted Mr. Hummel the above mentioned distinction.

Economy is our present problem due to the financial situation confronting us and this surely has been the key-note of Mr. J. B. Hummel, and his personnel, so why make a change in the Park Department when we have such an experienced, efficient, and economical Park Commissioner who is always on the job with his men.

AL C. SCOTT CLOSURES VIGOROUS CAMPAIGN

Al C. Scott, independent candidate for the City Commission, will close a vigorous campaign this week.

Scott has promised his campaign supporters that he will represent the entire city of Omaha in a fair and impartial manner if he is among the lucky 14 candidates at the April 4 primary.

"Omaha needs a sound business administration and if the citizens and taxpayers of Omaha see fit to make me one of their 7 choices on election day, I promise to do everything in my power to assure the taxpayers that every possible economy is affected in the City Hall," Scott said.

Performance vs. Promises and Piffle

TO VOTERS! TAXPAYERS! HOME OWNERS!

Do you remember Harry Counsman as your County Assessor who in 1925, made a twenty per cent tax reduction on your homes? Do you recall Harry Counsman as your County Commissioner, who in 1932, proved successful in his resolution to reduce all taxes fifteen per cent?

While others have talked of and promised an economical form of government, this man, Harry Counsman, has proven for what he stands.

You need such a man in your City Commission. Necessity demands one who will give the taxpayers a Square Deal.

In view of these facts, Harry Counsman has been prevailed upon to file for City Commissioner.

As further proof of Counsman's ability to aid the taxpayers, he advocates a reduction of the salaries of all City Commissioners (in proportion to salary cut made by City Commissioners of city employees) from the present \$4,500 to \$3,800 per year.

Now, you taxpayers, you should go to the polls April 4th, and cast your vote for Harry Counsman for City Commissioner, in order to have an economical form of government. HELP YOURSELF BY HELPING COUNSMAN.

Vote For HARRY G. COUNSMAN for CITY COMMISSIONER

Youthful Strength

Dr. Magnus Hirschfeld, the world-known authority on Sexology and Director of the Institute for Sexual Science of Berlin, Germany, created

TITUS--PEARLS

to help the millions of men and women who have lost or are losing their vital physical power. In his 35 years of practice and research, however, he realized that the weakening of man's glands was also responsible for other troubles: High blood pressure, hardening of the arteries, physical exhaustion after work or exercise, dizziness, depression, neurasthenia, etc.

All these troubles can be removed with Titus-Pearls. Numerous cases were treated by Dr. Hirschfeld in his Berlin Institute.

L. S. (State Official; 60 years old, married) complained of physical exhaustion, dizziness and tremors. Was easily tired. Mental power dull and slow moving. Physical powers had been incomplete for previous 5 years. Blood pressure too high. Given 2 Titus-Pearls 3 times a day 2 weeks later the medical report on this man was: general health better, more vigor; dizziness much less and returning of power. Treatment continued and 2 weeks later L. S. reported again, this time to say that all weariness and exhaustion had gone; he felt fresh and buoyant. His blood pressure had fallen, and at 60 years of age he had regained the physical power and virility that he had known in the prime of his life.

Start regaining your youthfulness now! To-day! In 2 weeks time you will be aware of the new, virile force within you. Send \$5.00 (cash registered or money-order) for 2 weeks treatment. C. O. D. Orders accepted. Write for Booklet.
