A COURAGEOUS REPRESENTATIVE

Oscar DePriest, the militant representative from Illinois, though his effort may be futile, is not lacking in courage to stand up on the floor of Congress and speak in behalf of justice in this country, and the sanctity of the American Courts. At its conclusion he introduced his bill to amend the 14th Amendment to the Constitution in that Negroes who are not given fair trials in southern states, be transferred to another where color is not a disadvantage. Of course this resolution has about as much chance of passing as that proverbial snowball, but Mr. DePriest calls attention to gross injustice suffered by a minority group, and it will have its effect, though they reject his measures, they respect a courageous foe, who beards them in their lair.

THE TRUTH OF THE MATTER

There seems to have been a certain amount of misunderstanding of the action of the life insurance industry and Governor Bryan, in abrogating, for a time, the borrowing and cash value privileges of policies.

This was not done to deprive any policyholder of his rights. Nor was it done because the life insurance industry was wobbling. It was done in the interest of every citizen, every property owner, every wage earner, whether or not he owns a life insurance policy. It was done to save the country from dropping to a new level of depression.

Life insurance has more than adequate resources. These resources are in the form of government bonds, mortgages on real estate, securities of our fundamental and best established industries. Life insurance could turn them into cash by throwing them on the market—and it isn't hard to imagine the result. Panic, more unemployment, more distress—these things would inevitably follow.

So Gov. Bryan temporarily suspend the cash-value on borrowing clauses in the contracts. It was a wise move. The life insurance industry as a whole, is sound and fully capable of meeting its obligations.

And remember that while charity is good, jobs and investments and productive work are essential to create profits from which indispensable charities are supported.

Mt. Moriah Baptist Church, F. P. Jones, Pastor.

Sunday was another great day with us. S. S. 9:30 a. m. was largely attended. Supt. and teachers are hard at work to make this month the leading one of the year. 11 a. m. Pastor Jones gave an illustrative message taken from a rat-trap to the young people. The general thought was, "Better stay out, than to wish you had." This message seemed to fasten the attention of all who listened.

At 3 p. m. we had a joint Baptizing with the St. John Baptist church who came over with their Pastor Rev. Johnson. This was one of the greatest meetings experienced in a long while. This was due to our departmental evangelism through the groups classes, and BYPU. 6:30 p. m. W. W.

group gave an inspiring program to a large number of BYPU. lovers. The added attractions of their collars marked the progress of this group. Prayer each Wednesday noon and night, Wednesday night is a special evangelist round up, at this time groups, classes and individuals reports are made and closing with a sermon by the pastor. We rejoice to see that Mt. Moriah is returning to the Old Land mark. All are beginning to realize that the salvation of man-kind is the biggest task of the Church and as a result we are able to meet our bills in a reasonable way. You are invited to come and experience the old time Holy Ghost in this new enlightened day. The Pastor has a message for you and the choir a song for your souls. Bring one with

you.

Bethel Baptist Church, 29th and T Sts., Rev. J. H. Jackson, Pastor, Mrs. J. C. Collins, Reporter.

Our days service began with a large number attending Sunday School. The worship service began at 11 a. m. Our pastor, Rev. J. H. Jackson delivered a beautiful message taken from the 27th Psalms, 4.9. This sermon was an inspiration to all.

The evening service began at 8 p. m. with Rev. Mr. Smith from Jacksonville, Miss, as the guest speaker of the evening. His topic for discussion was taken from Jeremiah XVI. verse.

His message was very interesting. Visitors and friends are welcome to worship with us at Bethel Baptist Church.

Zion Baptist Church, 2215 Grant St., Rev. C. C. Harper, Pastor, Rev. J. R. Young, Ass't. Sunday School, 9:30 a. m., H. L. Anderson, Supt.

The morning service was greatly attended with Rev. C. C. Harper preaching a very inspiring sermon with hymnals rendered by the Imperial Choir. A. L. Scott, president, Mr. Preacher, Sec'y.

Afternoon service was rendered by the special children program which was so greatly received a short time back directed by Mrs. H. L. Anderson and Mrs. Lulu Bryant.

BYPU. will render a special program Sunday at 6 p. m. sharp. Let everybody come out and hear group 3.

The night service was toned by a great inspirational sermon of Rev. C. C. Harper followed by the Lord's supper. Many visitors of the west were present.

Rev. C. C. Harper and family left last Tuesday for a summer vacation to Chicago.

CHURCH HONORS MINISTERS

One of the most spectacular and beautiful events of the season was celebrated last Thursday evening at the Bethel Baptist Church, 29th and T Sts., when the church honored Rev. J. H. Jackson and Rev. S. D. Rhone, recent M. A. graduates of Creighton University at a banquet.

The honored guests were greeted and congratulated by their many friends in the auditorium of the church. After which the entire group went into the dining room that had been very attractively decorated. Palms and clusters of roses were in every available space, which made a unique background for the beautiful gowns of silk, organdie and chiffon worn by the ladies; while the men were their fitting rivals in their full dress and evening suits.

A delicious menu was served at the banquet table and a delightful program was enjoyed. Misses Willa Hayes and Addie Foxall entertained most pleasingly on the piano during the dinner hour. Mr. Pittman Foxall gave three selections on the violin, received 3 selections when he so feelingly played, "When You and I were Young, Maggie." Miss Ethel Hughes was at her best in two vocal selections. She sang "Pale Moon" in her characteristic style as only Ethel can do.

Mrs. Mildred Johnson won many compliments in her vocal selection, "Just For Today." Dr. C. C. Harper gave a brief and very interesting talk. Mrs. Bowser spoke on the "Qualifications of Leadership." Rev. J. H. Jackson, and Rev. S. D. Rhone expressed their appreciations for the occasion. After Rev. Jackson had spoken, the church presented him a beautiful dark gray suit as an expression of their appreciation for his recent attainment.

Seated at the table with the honored guests were Mrs. J. H. Jackson, Mrs. S. D. Rhone, Dr. and Mrs. C. C. Harper, Mrs. Mowser of Alabama, Mrs. Fannie Lee and Miss Minnie Lee Coleman. Miss Coleman, president.

THE INTERDENOMINATIONAL MINISTERIAL ALLIANCE HOLDS RETREAT

The Interdenominational Ministerial Alliance of Omaha and Council Bluffs, held a Retreat at Pilgrim Baptist Church on June 6th, from 10 a. m. until 4 p. m. The first hour of the meeting was given to prayer and meditation. The general theme for discussion—The Sermon on the Mount. At 11 a. m. Rev. A. Clay, pastor of Clair Chapel ME Church spoke from the subject: "The Man On the Mount" At 11:30 Rev. J. H. Jackson, pastor of Bethel Baptist Church spoke on the subject, "The Message from the Mount". At 12:30 p. m. the ministers dined together at Salem Baptist Church.

The afternoon session was opened at 12:30 p. m. with a consecration period lasting 15 minutes at which time, Rev. L. P. Bryant of St. John A.M.E. spoke on the subject; "Self Mastery as Taught in the Message from the Mount". At 2 p. m. Rev. R. R. Brown, our guest speaker and Radio pastor for the past ten years over

WOW was introduced by Rev. J. H. Jackson, delivered the closing message from the subject: "The Church In the Midst of a Storm." The speakers seem to have been consecrated for their task, for each message gripped the audience. Rev. Brown showed that the church is the only panacea for our present ills and that Christ must be manifested through the ministers of the Gospel but the ministry of today is more professionalized than Christianized. As we tarried, we were blessed, Rev. Jas. H. Dotson, President presided., Rev. N. C. Cannon, Secretary.

EXERCISE YOUR BRAINS ON THIS COLUMN! IT IS HERE AGAIN!

R. C. Price, squealing like a pig under the fence. Policy kings, do you get that? Well, I'll say it again, Policy kings, not king, but kings, Policy kings, better get to R. C. Price quick and help get them razor strops ringing and then pool cues whistling and them pop tops busting and them 2 for 5 John Woods' specials whizzing across the counter. If you don't, Mr. Policy King, Mr. R. C. Price might make peasants out of you soon.

Police department waiting to increase their delivery service. Equipment not adequate to take care of the situation at the present time. If they would attempt to get all the policy kings, all policy writers and policy players. Yes we said players. They are equally guilty as the policy kings and the writers that are in the racket now. Somebody said they would have to have three times the present equipment.—A Subscriber.

BOY! BOY! WE'RE OFF

We have employed our attorney to look out after us if we are arrested and our attorney is the big "I am" in the big political ring, and the word 'go' is supposed to have been given to the policy kings by the new female political boss, who is supposed to be next to the "I am's". One policy wheel operator is said to be posing as a very close boyhood friend of one of the new commissioners.

EVERYBODY IS A MILLIONAIRE NOW

In this U. S. we have 120,000,000 men, women and children and congress has appropriated \$11,648,794.874.93 or there about. Well, mess that up in your brains with the 120,000,000 American citizens and see if you all aren't millionaires now. What a President we have and is he thinking of the forgotten man?

The forgotten man just can't lose now. The Farm inflation bill says you can't lose your farm. The Two Billion Dollar Home Loan Bill says you can't lose your home. The Moratorium Insurance Act says you can't lose your insurance. The Legal Money Tender Act puts the value in your real estate that heretofore, has been considered only in gold.

The Deposit Guarantee Act says you can't lose your cash even if it is in a bank. And if you've got a job you can't lose your old lady and of course, nobody wants the children. At last, the sanctity of the American home is pretty well secured on the value therein now instead of the gold on Wall St. What a President we now have. Where has he been? God Lord, let him live and enjoy good health and keep the good work going.

Off The Gold Standard

\$ 500,000,000
300,000,000
2,000,000,000
3,600,000,000
500,000,000

and again total \$6,900,000,000

Well, this looks like we are off the gold standard and on legal tender standard. Some five years ago, Sen. Robert LaFollette of Wisconsin introduced a resolution in Congress for \$500,000,000 for a working program. About three years ago, W. R. Hearst caught the fever and began to spread the propaganda. He said \$500,000,000. Somewhere down in New York state there was a citizen that just took in and said nothing, he waited for an opportunity to have his say and today he has made LaFollette and Hearst look like pikers, by putting on the statutes of Congress laws that will permit the flow of \$6,900,000,000 all for the forgotten man, and incidentally this is just a loan to the poor working man.

Por Mahatma Ghandi without any thing to eat but oranges and just a sheet to wrap around his waist and on the account of his color is considered an outcast, has been called on by Great Britain to furnish the silver to

pay the world war debt to the American government.

Belgium, we suppose, will start to cutting off legs, arms and fingers of the poor Congo tribes or they will go by defaulting, I suppose, like poor China on the streets of Shanghai are prevented from passing on their own streets by military policemen, while other nations rob their hidden treasures.

Washington's forecast that 4 million idle men will be put to work by October 1st on the new liquidating public works program. This means that two million men will be put to work furnishing the food and clothing for these men to wear and consume. This means that a million more men will be put to work furnishing the material for these men to use.

President Green said there were 12 million men idle now. Roosevelt said that these were the forgotten men and if the American public would elect him as president and give him a working Congress that by 1934 he would give them employment. President Green of the Federation of Labor said we had 12 million; Roosevelt coming in ahead of his program, put 7 million men to work by October 1st. Looks like we ought to be able to take care, in god shape, the unemployed situation for the winter for if 6 or 7 million men receive a living wage, they in turn, in all possibility, will employ another million.

A BRAND NEW BAND

A brand new band, Mills' Musical Playboys, follows Duke Ellington into the Cotton Club in Harlem and takes over the Duke's three NBC periods weekly now that Ellington is London-bound. Organized by Irving Mills, who discovered and manages both Duke Ellington and Cab Calloway, these instrumental gentlemen from Harlem specialize in both sweet syncopation and red hot-rhythms, and their broadcasts will range from the tender "Smoke Rings" to "The Growl" a jungle jangle.

PETITION AGAINST BISHOP HEARD SENT TO BISHOPS' COUNCIL

Newark, N. J. (CNS) A petition headed "An Appeal for Relief" and urging the removal of the Rt. Rev. William H. Heard, bishop of the first Episcopal district of the A.M.E. church has been sent to the Bishops' Council by a committee of the St. James A.M.E. Church of this city. The petition declares that Bishop Heard, 83 years of age is "incapable of administering the affairs of the church in a manner compatible with the dignity of same nor to the best interests of the church," and then goes to itemize other "irregularities" which in the opinion of St. James Church render him unfit to further administer the affairs of the first district.

Special emphasis is placed on the mob scenes and physical combats which have resulted from the majority of conferences held by the bishop this year. One of the most violent of these mob scenes was enacted in Bethel Church, New York City, on May 28, when the official narrowly escaped serious injury from an infuriated congregation when he transferred the Rev. E. A. Clark, Bethel pastor, to the New England Conference.

The petition states that "a continuance of Bishop Heard's administration will be disastrous for the entire district which includes the New York New Jersey, Philadelphia, New England, and Delaware Conferences, and St. James Church in particular.

A long list of "irregularities" charged against the Bishop are set forth in detail, and prompt action is requested.

Job Printing We. 1750

Local

Race prejudice must go. The Fatherhood of God and the Brotherhood of Man must prevail. These are the only principles which will stand the acid test of good citizenship in time of peace, war and death.

(1) We must have our pro-rata of employment in businesses to which we give our patronage, such as gro-

cery stores, laundries, furniture stores, department stores and coal companies, in fact every concern which we support. We must give our citizens the chance to live respectably. We are tired of educating our children and permitting them to remain economic slaves and enter into lives of shame.

(2) Our pro-rata of employment for the patronage to our public corporations such as railroad companies, the street car company, the Nebraska Power Company, the Northwestern Bell Telephone Company and other establishments which we are forced to support by right of franchise. Also our pro-rata of employment in return for the taxes we pay in our city, county state and federal government.

(3) To encourage the establishment of a first class hospital that we may get the best that there is in medical science from our doctors whom we know to be nearest us, also to encourage a high respect of them and encourage more of our girls to take nurse training.

(4) A one hundred per cent department of our citizens in our public or private places of business, especially on street cars. If we are to be respected we must act respectably, especially in public places where we are constantly before the public's eye.

(5) A one hundred per cent membership in the Omaha branch of the NAACP. should be had to encourage the efforts put forth by the founders of the organization and to assist the general office to establish a five million dollar endowment fund to maintain operating expenses and to further the principles of the NAACP. All people of all races must be educated up to a higher principle and a more thorough understanding of interracial relationship that our country may in reality be a government of the people, for the people and by the people in whole and not in part.

(6) The re-establishment of the Christian Religion as Christ taught it, for the uplifting of mankind, eliminating financial and personal gain. A practical Christian Religion, week day as well as Sunday. An attitude toward our fellowman as a brother in order to establish a principle which will guide the destiny of each other's children; our neighbor's children today are our children tomorrow.

(7) Courteous treatment in all places of business and the enforcement of the State Civil Right Law.

(8) To encourage and assist in the establishment of the following financial institutions near 24th and Lake Streets: A building and loan association, a state bank, administering aid and assistance to our widows and children.

(9) To encourage the erection of a one hundred thousand dollar Young Men's Christian Association Building near 24th and Lake Streets.

(10) To enlarge the Young Women's Christian Association that it may supply sufficient dormitory accommodations.

(11) To teach our citizens to live economically within their earning capacity by printing in each issue a budget system for various salaries.

(12) To make Omaha a better city in which to live by inaugurating a more cosmopolitan spirit among our American citizens.

(13) To put a stop to the Divorce Evil by passing a State law making the mistreatment of a wife or a husband by either of them, a criminal offense to be decided by a jury, first offense, jail sentence of a short duration; second offense, one of longer duration; third offense, from one to five years in the penitentiary. This, we believe will make men and women think before marrying.

(14) We must become owners of the city government by paying a seemingly higher salary to those whom we employ to administer its affairs, a salary that will stand, also, a first-class trust company for the purpose of tract men of high calibre.

National

(1) Fight for a passage of the Dyer Anti-Lynch Bill and thus stop the shameful lynching of American citizens.

(2) One of our citizens in the president's cabinet.

(3) Federal control of the educational system that every child must have a high school education.

(4) Assist in the furtherance of research by our scientists and historians to prove that civilization was first founded in Africa.

(5) Establish a political influence which will bring about our pro-rata of higher appointments made by our chief executives.

(6) Stop graft in politics by passing a Federal Law making election day a legal holiday and compelling every American citizen of voting age to vote.

(7) Prevent further wars by teaching the so-called white race that it is high time for them to quit fooling themselves about white supremacy with only three-tenths of the world's population. They must be taught that color is due to climatic conditions. They must be taught that seven-tenths of the world's population is made up of darker races. They must be taught that the rays of sun that blaze upon the equator and turn the skin brown do not affect the power of the brain any more than the coldness of icy glaciers affect the brain of the white race; and that the darker races will not continue to be crushed by a money mad few. If the Fatherhood of God and the Brotherhood of Man are not welded into the hearts of this world's family now, by teaching the principles laid down by our Saviour, it will be welded into the hearts of our children some day soon, on the bloodiest battlefields this world has ever known.

(8) Cut down congressional representation from the Southern States in proportion to the number of votes cast.

The OMAHA GUIDE will put forth its best efforts to bring about the above 22 points with the assistance of those who believe it is for the best interest of good American citizenship.
