#### POLICE COMMISSIONER MYERS SAYS, "SQUARE DEAL TO ALL" IS HIS MOTTO

Omaha Guide Acting Editor Holds Interview with Police Commissioner Myers

We had the pleasure of being introduced to Police Commissioner Myers and Mrs. Alice A. Holman. On our call to the police station, we met a very fine, high, strong, positive, clean cut Police Commissioner, Mr. Frank Myers.

Commissioner Myers complimented the fine group of police officers he was working with and said that he had no friends to favor or no enemies to punish. He said he did not care what the past record was of a police officer for he appreciated the fact that they had been working under a handicap and that he was looking for service from the police force and that his job was to take politics out of the police department.

#### SCOTTSDORO BOYS FLOGGED, TORTURED IN JAIL BY GUARDS

New York—A series of fiendish cruelties have been resorted to by Birmingham prison guards to break the spirit and wreck the health of the nine Scottsboro boys.

They are brutally flogged almost daily, are kept in a small cell and not permitted to see visitors or even communicate with the outside world. Every trick and threats are used to prevent any intimation of the ill treatment from leaking out.

This information reached the national office of the International Labor Defense today. (Friday).

Other speakers at that meeting, which will be held in the Ebenezer Baptist church, 4501 Vincennes avenue, will be Miss Marion Cuthbert, of New York City, member of the staff and ultra-prejudiced section of South Africa, at the night mass meeting.

lice is to do the right thing and they won't have any trouble with our department whatsoever. All we want is no law violators. If they should be weak enough to break the law, they can suffer the consequence for we fully expect to protect life and property in our city."

We are glad to state to our readers that we believe Commissioner Myers is a square shooter and will make a record at the police station if he continues his present attitude that has never been made in Omaha and will be appreciated by the public at large.

At the same time, all I.L.D. districts and branches, liberal organizations, trade unions and others were called upon to rush telegrams of protest to Governor B. M. Miller of Alabama and to the warden of the jail at Birmingham.

News of vicious persecution of the nine innocent Scottsboro boys was revealed as preparations are under way for arguments on a motion for a new trial June 22 on behalf of Haywood Patterson, convicted and sentenced to death again after his recent Decatur

N. A. A. C. P. ASKS JOBS FOR NEGROES UNDER 3-BILLION RECOVERY ACT

WASHINGTON, D. C., June 24—A fair share of jobs and relief to be made available under the 3-billion-dollar industry recovery act was asked for the suffering Negro workers of the country of General Hugh S. Johnson, director of the huge program today by Walter White, secretary of the N. A. A. C. P., who was in Washington for a series of conferences.

"Negro Americans constitute one-tenth of population of the United States, but because of the prejudice of labor unions, employers and the public the Negro unemployed number four times the Negro proportion of the population in many cities," declared Mr. White.

The NAACP secretary asked also that qualified Negroes who have first hand information of the acute needs of the colored population, be placed in administrative positions. The director of the national recovery pro-

gram hopes to see five million persons re-employed within the next 90 days.

#### BIG BANQUET HELD AT PILGRIM BAPTIST CHURCH

The Square Deal Stores, House Wives' League and the Business and Professional Men's League sponsored the largest event that has been given in the history of Omaha in the form of a free banquet last Thursday evening at Pilgrim Baptist Church. At this banquet more than 700 guests attended and were graciously served. The menu consisted of veal loaf, hot biscuits, rolls, fresh tomato and hard boiled egg salad, macaroni salad, mashed potatoes, milk, cocoa malt, lemonade jello with whipped cream and cake.

These organizations are putting forth a strong fight in the interest of the Negro group as far as giving your dollar justice wherever it is spent. If you spend your dollar in some business house be sure in return you are not only getting your value's worth in cents, but will also be buying your child a job and establishing racial independence.

Here the organizations were happy to present on their program such speakers and supporters as Dr. A. L. Hawkins, principle speaker, who unfalteringly maintains that in order to raise the Negro standard we must first capitalize within our group. With Mr. J. H. Kerns of the Urban League and Miss R. Taylor of the YWCA, deliberating on the saving of Negro youth for reconstruction and then two of the younger group in the persons of Mr. Julian McPherson and Miss Mary Jones, who are seeking to find their own in our race. Among the others were Rev. Banks and Dr. W. Jones. As guest artist, Mr. Thomas Jones favored the gathering with an unusual vocal solo.

These organizations are doing work in their own set field and have secured jobs now where six years ago Negro would not even be considered. They have the faith that the public will believe and work with the fidelity of a true Catholic to solve our problems of injustice.

Following up this program, Dr. A. L. Hawkins appointed speakers from the Business and Professional Men's League to make five minute talks in every church in the city of Omaha. This will reach more than 3,000 people through this channel. Perhaps, never before in the history of Omaha, has such a constructive program been set forth and the men behind this program pledge to carry through to successful end.
