SWASTIKA LADIES AUXILIARY GIVE SIZZLING CABARET PARTY

One of the most entertaining affairs of the social season was staged by The Swastika Golf Club's Ladies Auxiliary, Tuesday night, June 20th, at the Parker Garden.

His royal highness of "Hi-De-Ho" fame, Cab Calloway and members of his band were the honored guests and turned the affair into a tumult when they arrived. Many of the fair damsels hearts went pitter pat upon their introduction to their "ideal".

A floor show consisting of local talent entertained the guests at intervals and were graciously received, Edith Johnson, singer, Hirschal Panky Dancer, Willa Mae Lynch and Sam Brown, dancers.

The hall was artistically decorated with posters, Swastika symbols and streamers. The members of the Swastika Club assisted the ladies as waiters and general handy men. We must admit that they were so good that they missed their calling.

Among those with large reservations were: The Swastika Golf Club and party of 20, Mrs. Loretta Swannigan and party of 12 from Lincoln, Mr. and Mrs. L. M. Crawford and party of 10, Miss Melba McCaw and party of 6, Miss Rose Gant and party of 6, Mr. and Mrs. Herbert Clark and party of 10, and Mr. and Mrs. Tommy

Wilson and party of 6.

Among the out of town guests were seen Mr. and Mrs. Millard T. Woods and Mrs. Mable Galbreath of Lincoln, and Mr. and Mrs. Stanley Madison of Tulsa, Okla.

About three hundred and fifty guests made whoopee until the wee small hours.

Mrs. Loretta Swannigan, President of the Colored Women's Club of Lincoln, reserved a table for twenty by a long distance call for the Swastika Golf Club's Ladies Auxiliary's cabaret party. The table was beautifully decorated by Mesdames Alice Galloway and Julia Horton with cut flowers.

The Junior Colored Women's Club, a group of twenty young ladies, were Mrs. Swannigan's guests who came to Omaha to attend the Cab Calloway show at the Orpheum Theatre and the Swastika Club party. At 10:30 p. m., the party arrived at the beautiful Parker Gardens for a little whoopee. Mrs. Swannigan's guests on leaving said they had the time of their lives and one young lady made a final request to the acting Editor of the Omaha Guide, Mr. C. C. Galloway. That request was for an autographed photograph of Mr. Cab Calloway. We promised to accommodate the young lady if possible.

Just at the break of day, the last car with Mr. Swannigan's guests rolled west on Patrick Ave., after having early breakfast at the beautiful Ritz Cafe, with the parting word to the Acting Editor which was: "We are expecting you and your friends to attend our girl's baseball team's game when we play again in Lincoln. So Omaha is invited. Watch the Guide for the announcement of the date."

THE UTDS GIRLS CLUB PRESENTS "THE RIGHT GIRL IN THE WRONG CROWD"

A very appreciative audience witnessed some very unusual talent displayed by the intermediate girls and one boy at Bethel Baptist Church, Sunday evening, June 18th.

The play, a three act drama, depicting a girl who on the surface was rather careless, glib about type but a serious illness caused her to turn from the error of her ways and heed the advice of her sister and those who loved her and sought to guide her aright.

We most congratulate the author, producer, Miss Cecil Wallis, a demure and uncouth little Miss of only 12 years who caught the inspiration and very little assistance in the production was able to entertain in no small way hundreds who readily observed the moral she wished to portray. This is the day of success and achievements, who knows but that a few years from this first victory all the world will be crowning one of the greatest writers of the age. Lest the snares of discouragement entangle you, toil on, Cecil, for to the victor is given the spoils.

LOOKING BACK
When Children Cry
by Videtta Ish
(For the Literary Service Bureau)

A little child would wake up and

cry at a certain time. The parents said he was spoiled and decided to let him cry himself to sleep. It was discovered that the child cried because it was cold. Another crying child was spanked to break him and it was found that he had an abscess in his ear. A little girl "took to crying" and was fretful all day. Her mother's decision was that she was spoiled. Grandfather insisted that the child was sick. A little later she developed scarlet fever.

Mothers of forty years ago knew that a normal child does not cry constantly; and that crying in this way indicated that something had gone wrong. But modern mothers have a lot of "hatched-up theories" and often are wrong. When a child cries constantly it is generally true that he is suffering pain or some form of discomfort. Better make investigation when children cry.

Youthful Strength

Dr. Magnus Hirschfeld, the world-known authority on Sexology and Director of the Institute for Sexual Science of Berlin, Germany, created

TITUS-PEARLS

to help the millions of men and women who have lost or are losing their vital physical power. In his 35 years of practice and research, however, he realized that the weakening of man's glands was also responsible for other troubles: High blood pressure, hardening of the arteries, physical exhaustion after work or exercise, dizziness, depression, neurasthenia, etc.

All these troubles can be removed with Titus-Pearls. Numerous cases were treated by Dr. Hirschfeld in his Berlin Institute. L. S. (State Official; 60 years old, married) complained of physical exhaustion, dizziness and tremors. Was easily tired. Mental power dull and slow moving. Physical powers had been incomplete for previous 5 years. Blood pressure too high. Given 2 Titus-Pearls 3 times a day, 2 weeks later the medical report on this man was: general health better, more vigor; dizziness much less and returning of power. Treatment continued and 2 weeks later L. S. reported again, this time to say that all weariness and exhaustion had gone; he felt fresh and buoyant. His blood pressure had fallen, and at 60 years of age he had regained the physical power and virility that he had known in the prime of his life.

Start regaining your youthfulness now! To-day! In 2 weeks time you will be aware of the new, virile force within you. Send \$5.00 (cash registered or money order) for 2 weeks treatment. C. O. D. Orders accepted. Write for Booklet.

HELLO folks!

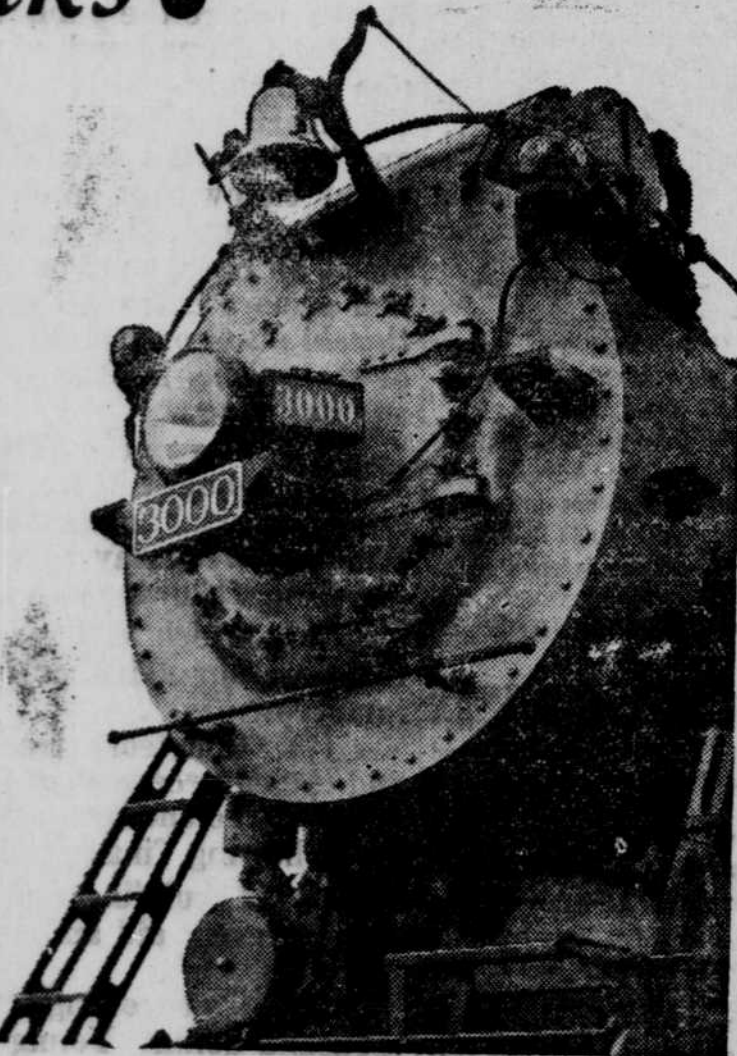

Instead of my regular job pulling the AK-SAR-BEN to and from Omaha, I am over at the Century of Progress Exposition in Chicago.

... at the head of the Burlington's crack 6-car World's Fair exhibition train in which some of our regular Ak-Sar-Ben equipment figures prominently.

We are located south of the great Travel and Transport Building and are in excellent company, sharing the same platform as the famed British train, the ROYAL SCOT—and without boasting, we are cutting quite a dash.

128,657 people visited us and walked through the train in the first ten days of the Exposition.

Come and see us. Make our train your world's Fair headquarters. Relax and rest in our comfortable, soft-cushioned seats. Write your letters and cards aboard the train and see them post-marked in the postal car "while you wait." Make this your meeting place with relatives and friends.

Another Burlington Exhibit

Inside the Travel and Transport Building, the Burlington has another exhibit that is attracting much attention... four miniature model relief maps—Yellowstone National Park, Glacier National Park, the Black Hills of South Dakota, and Colorado from Pike's Peak to Estes Park. Each area embraces about eighty square feet is done approximately to scale and shows the principal topographical features. They are fully animated... Yellowstone geysers, Pike's Peak cog road, rivers and lakes of real water, inch-long motor coaches plying over the mountain highways.

See the boys at the Burlington office in Omaha—16th and Farnam Streets, about the exceedingly low rates for the World's Fair, including escorted tours—all-expense plan. The phone number is Atlantic 6431.
