Youthful Strength
Dr. Magnus Hirschfeld, the world-known authority on Sexology and Director of the Institute for Sexual Science of Berlin, Germany, created
TITUS--PEARLS
to help the millions of men and women who have lost or are losing their vital physical power. In his 35 years of practice and research, however, he realized that the weakening of man's glands was also responsible for other troubles: High blood pressure, hardening of the arteries, physical exhaustion after work or exercise, dizziness, depression, neurasthenia, etc.
All these troubles can be removed with Titus-Pearls. Numerous cases were treated by Dr. Hirschfeld in his Berlin Institute.
L. S. (State Official; 60 years old, married) complained of physical exhaustion, dizziness and tremors. Was easily tired. Mental power dull and slow moving. Physical powers had been incomplete for previous 5 years. Blood pressure too high. Given 2 Titus-Pearls 3 times a day. 2 weeks later the medical report on this man was:— general health better, more vigor; dizziness much less and returning of power. Treatment continued and 2 weeks later L. S. reported again, this time to say that all weariness and exhaustion had gone; he felt fresh and buoyant. His blood pressure had fallen, and at 60 years of age he had regained the physical power and virility that he had known in the prime of his life.
Start regaining your youthfulness now! Today! In 2 weeks time you will be aware of the new, virile force within you. Send \$5.00 (cash registered or money-order) for 2 weeks treatment. C. O. D. Orders accepted. Write for Booklet.

The Telephone Bell is his GO-TO-WORK signal
The more I need work the more I need a telephone," declares a telephone customer. "My work depends almost entirely upon the telephone calls I get." This man has kept busy fully three-fourths of the time while many others in the same line of work are idle.
A few cents a day invested in telephone service is helping many men and women in making a living for themselves and their families.
