BETHEL BAPTIST CHURCH 29th and T Streets Rev. J. H. Jackson, Pastor Mrs. J. C. Collins, Reporter

With the appearance of a dreary foggy morning Sunday School was quietly carried out. At the 11 o'clock morning worship the spell was broken the fog dispersed, and many hearers were made to rejoice beyond spiritual explanation when our pastor, Rev. Jackson brought to us this forceful and awakening gospel message "For Their Sakes" St. John 17:19. By some such a message can never be forgotten.

Since we all desire and strive to be or remain beautiful, we had a practical lesson on how to obtain and sustain such beauty by the Pastor, Sunday evening in our evening services, "Spiritual Beauty." We were taught that the beauty of the soul is one that no earthly or facial beauty can excel.

Visitors and friends are always welcome to worship with us at the Bethel Baptist Church.

ST. JOHN'S A. M. E. CHURCH 'The Friendly Church' 22nd and Willis Avenue

Rev. L. P. Bryant, Pastor As the weather looked so much like rain, the attendance at St. John last Sunday was not up to standard, but the services were very impressive.

The boards and clubs are trying to get everything in readiness for the conference of the Kansas and Nebraska District, which opens at St. John about October 3. Rev. Bryant is asking for full cooperation from all departments of the church. This promises to be one of the most successful conferences in the history of the Kansas-Nebraska District. The Stewards and Trustee boards are asking that all members and friends will pay all their church obligations in order that they can pay as many of their debts as possible before the

end of the conference year. The Steward Board wishes to remind all members and friends of the special fifty cents (50c) rally for September 10th and 24th.

The Sunday School Board is asking that the parents and friends cooperate with it in trying to get the children to come to Sunday School regular and on time.

Sunday School at 9:45 a. m. was very interesting and well attended. The entire service Sunday was in charge of the Ladies, as was termed "Womanhood." The service was well attended, and a very interesting address was delivered by Mrs. Williams, 26th and Lake Street. A lovely program of song service by the choir made us all rejoice. The afternoon service was devoted to a Pew Rally, at which time Mrs. J. W. Dallas brought to us a most remarkable address on, "Womanhood." We feel very grateful to Mrs. Dallas for this service as she is always willing and ready to help us at any time, and always brings to us such marvelous thoughts. The evening service was a Literary Program. Some of our best talent in the city participated on this program, and those who missed this very rare treat should consider themselves most unfortunate. The entire day was a financial as well as a spiritual success.

Next Sunday will be devoted to men and their activities.

CHRIST TEMPLE 26th and Burdette Street O. J. Burckhardt, Pastor J. W. Goodwin, Assistant Pastor Mrs. Verda Gordon, Reporter

We had a blessed day Sunday beginning with a large and interesting Sunday School. At 11 a. m. the pastor brought a message from Matt. 5-8, "Blessed are the pure in heart for they shall see God." The pastor held that a pure heart was the standard laid down by the Bible that must be possessed by all in order to enter into Heaven.

The B. Y. P. U. was well attended. Sister Edna Mitchell is a splendid teacher and keeps the interest up at all times in her work. Rev. S. Whitelaw of Pleasant Green Baptist Church brought an inspiring message to our young people at the class of the meeting.

Elder E. H. Hunley brought us a message at 8 p. m. The subject was the "Importance of the Lord's Supper to the Church." He dwelled upon self examination, as being one of the essential elements in a Christian's life before partaking of this sacred ser-

vice. We had a very fine attendance all day and heard many encouraging remarks by the visitors who commented on the work we are doing in the way of getting the truth to the people. Rev. S. Tanzemore will speak to us Sunday morning. Standard Bible class each Tuesday night taught by Brother John C. Parker of St. John A. M. E. You are the loser when you don't attend this Bible Class or the one at 2012 North 27th Street taught by Elder Irving, known as the Community Bible Class. This class meets every Wednesday night.

SERMON

By Brother O. J. Burckhardt Text: "Blessed are the pure in heart, for they shall see God. Matthew 5-8."

Christian purity is the great prominent thought, and fact of human salvation as taught in the Bible. Pardon and Sanctification are the essential works of grace taught by the Bible which are necessary experiences that we must have to predicate our spiritual structure upon. Both of these are district works done in the soul by the Holy Spirit.

Pardon or justification represents a new life which has come into a soul, where he is dead in sins and trespasses. This work of grace is brought around by one sincerely repenting of their rebellious act against the law of God and believing thru faith that God does hear and forgive them for their past rebellion they then become a new creature in Christ Jesus, and that completes the first work of grace in the heart.

Sanctification the second work of grace deal with the cleansing of the heart from the Carnal Mind that old inherited nature that was bequeathed upon the human race thru the fall of Adam in the garden. This nature cannot be forgiven, for Roman 8-7. Says the Carnal Mind is enmity against! for it is not subject to the law of God, neither indeed can be.

So the old man or the Carnal Mind, which ever you wish to call it must be put to death. So Roman 6-6. Says knowing this that our old man is crucified with him, that the body of sin might be destroyed, that henceforth we might not serve sin. You will please note here that each time the word Sin is in the singular. Now then you plainly see that justification is a life, and sanctification is a death. The new life comes by forgiveness of our Sins.

But the sanctified life comes into our hearts when the old man has been put to death, John 3-11. Say I indeed baptize you with water unto repentance, but he that cometh after me is mightier, He shall baptize you with the Holy Ghost and with fire. Fire in the Bible either represent purifying or destroying. So the Old Man is eradicated from the heart by the Holy Ghost and Fire, Hebrew 13-11, say, therefore Jesus also, that he might sanctify the people with his own blood suffered without the gate.

Therefore a pure heart is one cleansed from all Sin, and pollution. A goodman out of the treasure of his heart bringeth forth good things, for the treasure of a good man heart is Holiness or the divine nature implanted in there when the old man or the Sin principle has been destroyed 2nd Pet. 1, 3, 4. Sanctification is not a growth, in the sense that you do

into it. You no more grow into Sanctification than you do into conversion, but experiences are definite and distinct work of grace done in the heart, and when men teach you

that you are sanctified in the fullest sense when converted they are teaching an error, and thru such teaching many peoples spiritual lives have worthless.

DEPT. of Interior

The Office of Education, through its Specialist in Negro Education, recently sent out a letter to several persons holding key positions in the education of Negroes, calling attention to two important measures of the NRA program affecting education. One concerns Federal Relief funds for needy unemployed teachers; the other relates to the Public Works Administration funds for building school houses.

Negroes frequently do not share proportionately in the benefits of public enterprises, a fact which is often due to lack of information or delay in making application. Therefore, the letter was sent out to furnish information concerning these two important relief projects and to point out the necessity of prompt action.

A copy of the letter follows: August 27, 1933.

Dear Sir: Enclosed you will find copies of communications recently sent the Governors and State Emergency Relief Administrators, and a copy of a news release relating to Public Works funds. The former concerns Federal relief funds for the employment of unemployed teachers; the latter the Public Works Administration funds for building schoolhouses. Additional material on the latter is being sent you under separate cover.

No doubt you are aware of the measures indicated and are planning to take advantage of their benefits. However, because of their importance to the Negro I am taking this opportunity to call your attention to them. As you realize, frequently in some localities, Negroes do not share proportionately in the benefits of public enterprises. Often this is due to ignorance or procrastination on their part. In order, therefore, that they may be fully informed concerning the important measures under the NRA, and the procedures to be followed in taking advantage of them, it is hoped that you will exert your influence in bringing both projects to the attention of leaders in the various communities of your State who are particularly interested in Negro education.

All applications concerning relief funds should be made directly to the State Emergency Relief Administrator. Applications for school building projects should be made to the State Engineer (P. W. A.) as designated on the list being sent you.

Very cordially yours, (Signed) AMBROSE CALIVER, Senior Specialist in the Education of Negroes

P. in a letter some weeks ago, charged the number of Negro workers on the huge dam had dropped from forty out of a total of 4,000 on the payroll to less than five out of the present force of about 3,000, and that Negroes were not permitted to live in the government-built town of Boulder City.

Youthful Strength

Dr. Magnus Hirschfeld, the world-known authority on Sexology and Director of the Institute for Sexual Science of Berlin, Germany, created

TITUS--PEARLS

to help the millions of men and women who have lost or are losing their vital physical power. In his 35 years of practice and research, however, he realized that the weakening of man's glands was also responsible for other troubles: High blood pressure, hardening of the arteries, physical exhaustion after work or exercise, dizziness, depression, neurasthenia, etc.

All these troubles can be removed with Titus-Pearls. Numerous cases were treated by Dr. Hirschfeld in his Berlin Institute. L. S. (State Official; 60 years old, married) complained of physical exhaustion, dizziness and tremors. Was easily tired. Mental power dull and slow moving. Physical powers had been incomplete for previous 5 years. Blood pressure too high. Given 2 Titus-Pearls 3 times a day, 2 weeks later the medical report on this man was: general health better, more vigor; dizziness much less and returning of power. Treatment continued and 2 weeks later L. S. reported again, this time to say that all weariness and exhaustion had gone; he felt fresh and buoyant. His blood pressure had fallen, and at 60 years of age he had regained the physical power and virility that he had known in the prime of his life.

Start regaining your youthfulness now! To-day! In 2 weeks time you will be aware of the new, virile force within you. Send \$5.00 (cash registered or money-order) for 2 weeks treatment. C. O. D. Orders accepted. Write for Booklet.
