Both services were largely attended Sunday. The Pastor preached at 11 a. m., and administered the Lord's Supper at the evening service.

The Church is called together by the pastor for a three nights prayer and spiritual feast; beginning Monday night, October 2. Pastor Jones member friends you are welcome to prayer business is the biggest business of this old world, operate this business right and it will do the job for you. The NRA Code is all right and may help in some way. But what this old world needs to adopt is the N. T. G. R. Code (New Testament Golden Rule) this is the only standard and reliable code that will start the world on an upward march. Remember friends you are always to our church. The pastor has a message for you, the choir a song, membership a big welcome, by this you'll feel at home. Every thing is done in the good old fashion way.

Sunday proved to be a day of interest at the Temple being the first day of the month, it was a sacramental day with us, also trustee day and the offerings were very good for the trustee department.

The Sunday School was up and doing much discussion over Paul being free born and the characteristics that made up his general life.

At 11 a. m. the pastor brought a message from James 1:22, "Be ye doers of the word, and not hearer

only deceiving yourself." His strong point was that many these days in the religious world were deceiving themselves. At 7 p. m. Deacon Samuel Stafford conducted a fine young peoples meeting the subject being consecration. This he treated nicely. At 8 p. m. Elder Goodwin brought us a fine message, on the general defects of the christian, of to day. He brought out many fine points, that prove the truth of his argument.

Parker. You miss something when you miss this bible class meets at Elder Irving every Wednesday evening. There you will find wide awake men from all of the churches delving into God's word. AN ANNOUNCEMENT TO CHURCH MEMBERS

By Rev. Albert Kuhn, Pastor of Bethany Presbyterian Church

One of the hard problems in these days of depression is the upkeep of our churches. It is almost impossible for our smaller congregations to pay their ministers a living salary and to pay the bills for the upkeep of the church. This is the case in my church and I am sure it is the case in most of the colored churches.

To help out a little in this difficult situation I am making our colored churches a proposition which ought especially to interest those church members who are housewives.

The Bethany Presbyterian Church, corner North 20th Street and Willis Avenue, has in its basement a grocery depot in which it has a full line of groceries for sale. Any profit that the store makes goes to help out the deficit in its budget.

Now here is the proposition. If any of our colored families will patronize the store we will give the church to which that colored family belongs half of the profit on all cash sales. On most sales this will amount to 10% of the cost of the groceries. With other words, if the family of the reader should buy at the Bethany Church Store \$2.50 worth per week the family would be charged on more than the ordinary grocery prices and their church would receive every week a dividend of 25 cents.

I should be glad to accept an invitation by colored pastors or women's organizations to more fully explain to them my proposition and I urge upon all who are interested in my offer to call personally at our Church Basement store, where I shall be glad to take the matter up with them. Remember the location: Corner of North 20th Street and Willis Avenue, Telephone WEster 1778.

BANK'S BIBLE SCHOOL
2808 Franklin Street
Rev. F. B. Banks, Instructor

The members of the Bank's Bible School were honored guests at a dinner party last Thursday evening, September 28 at the home of Mrs. A. J. Johnson, 2821 North Street, one of the Senior students who proved to be an excellent hostess. She served a delicious two course dinner which was sponsored by Rev. Banks who proved to be an ideal host and toast master. He spared no pains in preparing a wholesome evening of entertainment. The following members and friends were present: Rev. and Mrs. Wm. Pruitt, Rev. and Mrs. J. C. Crowder, Rev. and Mrs. D. Nicholson with Baby, Mary Rose; Mr. and Mrs. J. L. Reagans, Mr. A. Hobbs, Mrs. C. M. Wiley, Mrs. F. Triplett, and Mr. and Mrs. Wm. Cooper. All reported a most delightful evening. The After Dinner Speech was delivered by Mr. Wm. Cooper. At the close a vote of thanks was extended to the host and hostess for their hospitality. We close this item by inviting the general public to visit our school on any Monday or Thursday each week at 8 p. m., and hear some real truths discussed at 2808 Franklin Street.

Community Chest

Tag—Omaha Community Chest

Previous to December 1st. of last year the Douglas County Relief Department maintained no adequate investigation service. When the Joint Emergency Board was organized in December the Chest relief agencies offered to check the families then dependent on the County. 3582 cases were turned over for investigation.

Within a short time it was definitely proven to the satisfaction of the County authorities that 1536 of the 3582 families who were receiving help did not need it. The cost of caring for these 1536 families on the regular County ration was \$7,680 a month.

The cost of the investigators loaned the County and paid for through the Community Chest funds was \$240 a month.

One of the outstanding contributions made by the Community Chest to the City of Omaha during the past year has been that of providing adequate personnel service to the Joint relief offices established through Community Chest leadership.

There are three types of families who apply for help:

Those Who Want It But Do Not Need It. Our investigator soon discovers

the true facts of the case and refuses to give further assistance.

Those Whose Need Is Only Temporary.

This group receives our greatest attention, and family counsellors who call on them make every effort to secure employment for the man, persuade relatives to help, influence creditors to give more time on payment of bills and do everything possible to assist the family back to independence.

Those Whose Need Is Chronic.

In this classification are the aged, those dependent because of permanent illness or disability, and those who will always be a charge upon the community. These families are put on

a definite budget and a check-up is made periodically.

Here is one of the things personnel service means:

A certain Chest agency furnished relief to 4941 families between December 1st. and September 18th. When a family applied for help, if it appeared that their need was real, help was at once furnished, followed immediately by an investigation. Over this same period the investigation service enabled this agency to discontinue the relief to 3360 of the 4941 families either because the need did not exist or because the family situation was so changed by the work of the agency that further relief was not necessary.

N. A. A. C. P. Notes

The president of the Omaha Branch, The National Association for the Advancement of Colored People, stated that he is well pleased with the outline of the membership drive, but much responsibility rests with the citizens of this community, and the personnel of the drive. Every public spirited citizen should take hold of this drive, with an avowed purpose of making this drive a success.

The Executive Board has done their part, and I have every reason to believe, those in charge of the drive will do their bit. Mr. Toby James, chairman of the citizens committee in charge of arranging programs in various white churches, making it possible to carry our program through that channel deserves much credit; also Dr. Wesley Jones working in the same capacity with Mr. James.

The president praised highly the choirs of the various churches, making it possible for such splendid radio programs. The president has received a letter from the State house, praising the talent of the choir has been a request for several copies of the president's speech delivered September 29th, over Radio Station WOW., by several officials at the State House.

This Branch cannot be effective without money, to have money we must have members, to have members you must join. It is up to the citizens of this community, as the kind of Branch we shall have.

Below is the speech delivered September 29th over Radio Station WOW.

BOYS EAT DYNAMITE FOR PEANUT BUTTER

ORANGE, N. J.,—Three hungry little boys found a package of dark brown stuff packed in sticks. They decided it must be peanut butter. They got some buns, spread them with the "peanut butter" and ate with a relish.

A policeman found not they were eating dynamite, soaked by rain. The dynamite peanut butter went into a bucket of water at headquarters and the three boys went home, apparently none the worse for the repast.

"REVEALING" YOUR PAST PRESENT FUTURE
by Abbe' Wallace
"YOUNGEST MENTALIST ON THE AMERICAN STAGE"

E. M. C.—Please tell me who hurt me and will they be captured?
Ans.—The party responsible for this deed is light complexion person with a moustache. I am sorry to say however, that this person will NEVER BE CAPTURED.

R. C. C.—I am a married lady and have been married one year and eight days. Would like very much to know if I will ever become a mother?
Ans.—Before you can become a mother it will be necessary for you to undergo a complete PHYSICAL EXAMINATION. I predict a child in your life the latter part 1936.

C. W.—I would like to ask you is my husband "two timing" me?
Ans.—Your husband has one or two girl friends on the string, but he is not carrying on any REAL LOVE AFFAIR with any girl. Your GRIPING is so discouraged with your GRIPING ALL THE TIME about your health that he has made his mind up that the only way he can find happiness is with someone else.

J. J. S.—What does the future hold for my sweetheart and me?
Ans.—Don't bank on your sweetheart. There is another woman in his life at the present time who has more influence over him than you have.

G. M. B.—Will I marry my boy friend?
Ans.—Your boy friend in "CHI" is someone else. If you want him in for a husband I advise you to GET BUSY.

E. G. C.—Will I ever be happy again and should I follow the plan I have in mind?
Ans.—By no means. This boy who has asked you to become his wife will never be able to support you in the way you are used to being supported. Refuse this engagement.

P. N. B.—What about the girl friend?
Ans.—She is not worth wasting time over. There are at least two OTHER BOYS who mean more to her happiness than you do. G. back to J. C. L.

P. T. J.—There has never been a day gone past in six months when I have not read every question in your column. I enjoy it not only for the wonderful answers you give but for its interesting and amusing angle. Shall I take the step that I have in mind?
Ans.—As this question is being written your dog is being returned to you by a friendly neighbor who happened to RECOGNIZE your dog when he spotted it roaming the downtown streets.

Dr. Magnus Hirschfeld, the world-known authority on Sexology and Director of the Institute for Sexual Science of Berlin, Germany, created
TITUS--PEARLS

All these troubles can be removed with Titus-Pearls. Numerous cases were treated by Dr. Hirschfeld in his Berlin Institute.
L. S. (State Official); 60 years old, married, complained of physical exhaustion, dizziness and tremors. Was easily tired. Mental power dull and slow moving. Physical powers had been incomplete for previous 5 years. Blood pressure too high. Given 2 Titus-Pearls 3 times a day, 2 weeks later the medical report on this man was:—general health better, more vigor; dizziness much less and returning of power. Treatment continued and 2 weeks later L. S. reported again, this time to say that all weariness and exhaustion had gone; he felt fresh and buoyant. His blood pressure had fallen, and at 60 years of age he had regained the physical power and virility that he had known in the prime of his life.
Start regaining your youthfulness now! Today! In 2 weeks time you will be aware of the new, virile force within you. Send \$5.00 (cash registered or money-order) for 2 weeks treatment. C. O. D. Orders accepted. Write for Booklet.
