In fact the "Everlasting Match" is made with the same care and precision as a high grade watch.

Unlike most automatic lighters, etc., the "Everlasting Match" is especially adapted for pipe smokers, and, of course, is serviceable for all cigar and cigarette smokers, and are sold at various prices to meet the pocketbook of every smoker.

My readers, especially agents, will be particularly interested in knowing that on an investment as low as Three Dollars a full one hundred per cent on their money can be made, and where purchases are made in quantity lots it is possible to make much more.

This product is one of the many useful specialties created and sold during the World's Fair here in Chicago and the company is rapidly expanding and offering opportunities to agents throughout the country.
