COMMUNITY CHEST WORKERS HOLDS BIG BANQUET

The Community Chest Workers held their 10th Anniversary Banquet on the 17th floor of the Woodman of the World Building, in the Chamber of Commerce dining room, on Tuesday, February 13, 6 p. m. Between 85 and 125 guests were present. Mr. J. F. McDermott, First Vice-President of the Community Chest, acted as chairman, with his many humorous remarks and bright fitting story telling for the occasion.

The following prominent citizens were presented for a few remarks. Mr. Roy Page, President of the Community Chest, Mr. Dale Clark, a member of the Board of Governors, Mayor Roy Towl, who extended a hearty welcome, and had many words of praise to say about the Community Chest. Henry Monksy, who was elected by the Jewish Citizens of Omaha as its First Citizen, was presented to the group.

Mr. Roland Haynes, who is head of the State of Nebraska Federal Relief was presented by the chairman as the principle speaker of the evening. Mr. Haynes held the entire audience spell bound, during the entire time of his speech. You could have heard a pin drop, not a chair was moved, and many interested listeners lost their appetite for their cigarettes and cigars. Mr. Haynes outlined the beginning of the Government's action in the relief work, and spoke extensively on what to expect in the future.

Mr. Haynes was fully an hour receiving congratulations after the close of the meeting. Many permanent citizens made the remarks that it was the greatest address to be heard in the history of the Community Chest. Mr. Haynes had his work so deep seated in his heart that he did not have to use any notes. We are not to wonder why President Roosevelt's program is such a great success, when he calls around him such men as Roland Haynes as his assistant.

The following are a few of the familiar faces of public spirited citizens, who you usually see at this kind of affair. Mrs. Harry Wolf, Mrs. C. W. Mead, Mrs. Kaulaufkosky, Mrs. H. W. Gauss, Mr. E. W. Sherman, Mr. C. C. Galloway, Mr. J. Harvey Kerns, Attorney John Adams, Mr. Fred Dixon, Mr. Willis Gray, Mrs. John Albert Williams, Mrs. Virginia Jackson, Mrs. Grace Hutton, Mr. Harry Leland, Mrs. Marie Stuart, Mrs. Olivia Kirtley, Mrs. Florence Johnson, Mr. Harry Anderson, Mrs. Saybert Hanger, Mr. W. Weaver Newspaper Report Claims Plot to Hang Him

WASHINGTON, February 13—(CNS)—Frederick Weaver, 21, a newspaper reporter and student at Howard University swore out a warrant last week against Howard Cole another student at Howard University, charging that a group of students were plotting to hang him because of a newspaper article he wrote which appeared in the Baltimore Afro American.

The article incurred the wrath of members of the freshman class, eight of whom banded together, plotted to seize him and to hang him, Weaver alleged.

Cole was charged with being a member of this group and personally threatening Weaver. Weaver said that Cole told him that they were planning to hang him or throw him in the reservoir. After an investigation by Dean West of Howard and a conference with Weaver, the matter was adjusted and the charge against Cole dropped.

Harlem Seem Pleased With The Delany Appointment On Tax Board

NEW YORK CITY, February 13—(CNS)—In a news story, headed "Harlem Pleased As Delany Gets Tax Board Post" the New York Herald Tribune says:

"The first shuffle of the LaGuardia 'new deal' was made in Harlem last week with the swearing into office of Hubert T. Delany as a Commissioner of the City Board of Taxes and Assessments at \$10,800 a year. It is believed that the thirty-three-year old Tax Commissioner thus becomes the highest salaried Negro appointive office holder in the country.

"Although the choice of the young lawyer is listed as non-political, he was a spirited supporter of Mayor LaGuardia's campaign last fall and has been a lifelong Republican. Negro politicians are counting on more political plums than ever came their way before, particularly since the Negro vote in November far outdistanced any before cast in the city.

Ranks High as Lawyer "Delany ranks high among the young lawyers in the city. He was appointed by Charles H. Tuttle in 1927 as an Assistant United States Attorney for the Southern District of New York. During the five years he was in office he prosecuted successfully 498 out of 500 criminal cases and was requested to remain an additional six months as special prosecutor when he resigned in 1932.

"It was while Delany was in the District Attorney's office that he met Mr. LaGuardia then a Representative. More than once the prosecutions he handled were the outcome of exposures in Congress by Mr. LaGuardia. ***

Avoids Racial Appeal

"Tax Commissioner Delany has been practicing law in the law office of Mintzer, Todarelli, Kleid and Delany, 30 Pine Street. He sticks to the rule of seeking success not as a Negro, but as a lawyer. When he ran for Congress in 1929, he stated: 'I do not want the voters in the 21st District to vote for or against me because I am a Negro, but to govern their course on the theory that I am either capable or incapable.'"

LEAGUE STOPPING

Home properties in Omaha to the amount of \$1,100,072.00 threatened with loss through foreclosures have been handled by the Home Owners' and Citizens' League for its members during the last three weeks, according to Dr. Vernon R. Thomas, president of the League.

Many foreclosures on homes within the past three weeks have been stopped through the intervention of the Home Owners' and Citizens' League, Dr. Thomas reported. The League urges people in Omaha whose homes are threatened with foreclosure or are already in the process of foreclosure, and those who have not paid their taxes or insurance or are in other home difficulties, to come immediately to the offices of the H. O. & C. L. at 318 Arthur Building, 210 South 18th Street.

Resolutions urging U. S. Senator William H. Thompson and Congressman Edgar Howard to include "city" in the Farm Borrowers Council Bill advocating higher appraisals on farm property, recently introduced by them in the Senate and the House respectively, were adopted by members of the Home Owners' and Citizens' League at a meeting held February 8th at the offices of the League.

The resolutions were introduced by Joseph G. Kriesfeld, secretary of the League and were seconded by Mr. Swan Hawkinson after a heated discussion from the floor.

Plans for a huge public mass meeting to be held the week of February 18th, were formulated.

Mr. Isaac Konecky, executive secretary of the League gave a report on the accomplishments of the League for the last three weeks. He further stated that 400 new members joined the League during the last week.

BUSINESS MEN ON 24th STREET ASKS WHY

A committee representing the I. B. P. O. E. Elks Lodge, that is in charge of sponsoring an affair was asked by many prominent business men on 24th Street, why they did not give the Omaha Guide Printing Shop an opportunity to even bid on the program they were soliciting Advertisement?

The many reasons given by the Committee was not satisfactory to prospective advertisers. This program was headed "Educational Drive." The business men wanted to know why have an Educational Drive, and refuse to give those that have finished their chosen line of education a chance to execute their training.

The Omaha Guide has in its employ five high school Negro graduates, three are finished printers from Technical High School, two have had seven years of printing training in a reputable printing shop, and have proven their ability to deliver the goods by the work that has been done in the last eight years, and yet Negroes Committees that are appointed from some organization, that are advocating race pride, refuses to even let these boys and girls bid on the work that they are having done.

The Omaha Guide print shop is the only print shop in the State of Nebraska that offers outstanding encouragement to the youth of our race to take printing and journalistic work, and are fully equipped with the proper machinery to turn out any kind of printing job from a calling card to a catalogue, and guarantees to save any organization 10 per cent on their printing bills. The only job printing shop in the city of Omaha that has a four magazine, 26 model, latest Linotype machine, with five different faces of mats.

"Why not let them bid on your job printing, that is the question that is asked by the business men on 24th Street?"

Dr. Lennox On The Job

December 21, 1932
Dr. Homer W. Anderson, Supt. of Schools, City Hall Bldg., Omaha, Nebraska.

I wish to compliment you on the beautiful write up preceding the poem "Father Williams." It was beautiful every word and so true of him.

I read the enclosed poem in Saturdays Chicago Defender. I composed one. I can't picture beauty where none can exist. I write as I see it. Again thanking you, I am Yours very truly, Myrtle M. Goodlow.

OTHERS WHO ARE INTERESTED IN THIS CAUSE, Y. W. C. A. WORKERS FROM THE NORTH SIDE BRANCH, MEMBERS OF THE NATIONAL ASSOCIATION FOR THE ADVANCEMENT OF COLORED PEOPLE, AND THE OMAHA WORKING MEN'S COMMISSIONERS.

I am again asking that you bring this situation to the attention of the Omaha School Board.

Hoping to hear from you in regards to this matter; thanking you very kindly for any consideration you may give.

Respectively yours, DR. G. P. LENNOX, Pres., Omaha Working Men's Com.

December 27, 1933
Dr. G. B. Lennox, 2122 1/2 North 24th Street, Omaha, Nebraska.

No additional teachers have been recently employed for work in the Omaha schools, and as far as I know, there will be none employed for some time to come.

The policy with regard to the hiring of teachers is in my hands. The Board of Education probably will make no ruling on this matter without a recommendation from me. School policies are not matters which can be adequately discussed by means of correspondence, as you seem to think, and may I just say that the welfare of the boys and girls in the schools, not races, creeds, individuals or taxpayers, must be the prime motive in the formulation of all policies and their administration in the public schools.

Yours sincerely H. W. ANDERSON, Supt. of Schools.
