

# CUDAHYS DEFEAT NORTH OMAHAS 18 TO 7

## REX IN ORGANIZED BASEBALL

Cudahy Rex, five times champions of the colored league, have set a precedent for future Negro amateur ball players to uphold. The Omaha Amateur Baseball Baron finally opened the door to organized play and the Rex have eagerly accepted the challenge. This gives them the opportunity to show their worth. Much can be expected in the way of real baseball from our representatives. From various sources it has been gathered that the Rex should go places and do things, but from the standpoint of close observation much can be said pro and con. On paper the Rex have one of the strongest amateur teams in the State. Five times champion in eight years of play in and out of the State. Put them in a class with the snappy City Clubs and the Carter Lakes. We also find the Rex the only team to defeat the Prison team two out of two last year, while the best the City Clubs, Carter Lakes and a host of other teams could was to lose every time they played them.

They boast a hard hitting aggregation with Fry, Manley, and Clements the big guns. Liggins, a newcomer in the first game has shown that he is going to be a dangerous man. The infield shows exceptional defensive strength with Fry, first base; Hodges, second base; Smith, shortstop and Lee, third base. Manley will be on the receiving end of the pitching staff. Charlie Crump is probably the outstanding pitcher, but as yet I fail to see where he is going to last more than seven innings a game, but with Walker in the relief role, he should be able to win some games.

The outfield that combines speed and power leaves nothing to be desired. With Liggins, right field Clements, center field; and the flashy Wheeler left field. With such a set-up and an excellent manager in McClutchen, it is no wonder much is expected.

Nevertheless it must be remembered that Negro champions have yet to win a first City Series play-off, is obvious as a sore thumb, it is that muscle ball has been the predominate feature of all Negro teams. As before mentioned with such a set-up the possibilities for a baseball achine capable of winning a championship can be assured by only one thing. There must be a stressing of fundamentals that combines drilling on defensive and offensive precision. Whether this will be done is a matter of conjecture. Future contests and play will bring out the truth or false there is that statement. One thing is certain Cudahys play in the American League cannot be used as a measure of effectiveness due to the fact that they are playing under their standard and should be in a higher association.

This fact is recognized by every sports writer and fan and the play of our representatives will be closely watched. With the big test, should win the title, coming again in the City Series.

## TUSKEGEE WOMEN RENEW ANNUAL \$50 00 DONATION

New York, April 24—The nation office of the National Association for the Advancement of Colored People has received notice from Mrs. Robert R. Morton, president of the Tuskegee Woman's Club, that the organization has voted again this year to renew its annual donation of \$50 to the N. A. A. C. P.

## DELEGATES TO CONFERENCE

Mrs. Evelyn Sigsleton took a group of six high school girls to a conference at the Woodson Center, Tuesday April 24th. She had hoped to get girls from every grade and high school in North Omaha, but did not quite make it. Those going were; Mable King of North High, Levina Scott, Sybil Stevens, and Irene Harrold of Central High, Helen Perkins of Technical High and Ella Mae Powell of Long school.

# M. Thomas Hurls No Hit Game

## FIDMAN ALL STARS SHUT OUT N. OMAHA

Max Fidman and his All-Star turned in a dazzling performance in turning back the clay North Omaha aggregation 10 to 0 in six innings, at 21st and Paul streets, Tuesday night.

Scoring four runs in the first, two in the second and one in the third, the All-Stars behind steady pitching and great defensive work settled down to take their second no run victory of the season.

Marty Thomas, ace of the Stars performed great, allowing no hits and no runs in six innings for his second shut out victory.

Bolden and Stewart played beautiful defensive ball showing precision and form in covering their respective territories and making sensational stops.

Bolden, Harvey, Stewart, Thomas and Fidman showed power at the bat and indulged in clever base running to complete ten runs in the six innings.

## CENTER TENNIS CLASS SMALL

The Tennis Class of Mr. Charles Johnson, director at the Mid City Community Center, was very small when they met last Tuesday in the auditorium. Only five or six being present.

Mr. Johnson is well trained in the field of tennis and the boys, especially the younger ones, should take advantage of this opportunity. You know that in our district we have not one junior player that is capable of stepping out into fast competition and bring in some prizes. This opportunity that the Center is offering should not be missed.

## DOINGS AMONG THE AMATEURS

By C. A. STEWART

Well folks, I guess you thought there would be no baseball recreation this season and things did look pretty bad for a while, but however by a little effort and our wide acquaintance we were successful in one great thing, and that was, we quote Mr. Robert Phipps, sport writer for the World Thrusly, "And for the first time since the egg was laid, there will be a Negro team playing in the league." A well earned privilege according to Mr. McClutchen and his team of all teams, the Rex have been the most consistent, have had the best discipline and always representative in appearance.

Omaha fans will help keep this record. You know folks, all colored Nebraska s on trial. There should be no divided opinion, no arguments on the fields, no razzing of the umpires and no cat calls at the opposing teams. In fact will be the greatest display of sportsmanship shown by us as is also shown by those managers who elected to play with us. Now I am telling you, so keep a cool head. Some quips—

Wheeler scored the first run of the season. Crump the first strike out; Elliot the first triple, Liggins the first hit, Hodges and Lee the first double; Manley the first stolen base; Korney the first error; Lynch the first fly ball. Manager Piechmeier, of the North Omahas, had only nine men out Sunday. He has the ability of making real teams. He will come back, perhaps with five aces.

Pokie Liggins is hitting them hard and far. He got 5 out of 6 Sunday. Champion, former pitcher from South High, deserves much credit, errors were against him but as all champs he neve gives up.

Crump showed rare form. Too many curves may hurt so early in the season, Charlie.

Elliot of North High took Crumps fast one to right for 3. Wheeler traveling fast between the cars saved a homer.

Wilkinson took a liner in a dead run to pull the applause. Say Earl, tell that boy how, when two are in a chase get somebody. Pokie made two errors in left. One gave Korney 3 bases.

Wheeler hit a homer that went for three bases when he missed third. Twoumps that know their curves and strikes are Daley and Garvin. Spratt came out suited up. Dr. Goodwin, former president of the Colored League, says its a fine move boys, and did he enjoy that game I'll say all smiles. So long, I will be seeing you soon.

## Prof. Holmes Named Dean of New Graduate School.

Washington—(CNS)—The Bankhead cotton control bill in the form it first passed the House will probably become a law before May 1. The Senate amendments to safeguard in some measure the livelihood of tens of thousands of the "little fellows" mostly Negro tenant farmers have all been rejected by the conferees.

The measure's aim is to limit the cotton marketed from the 1934 to 10,000,000 bales.

Here are the principal provisions of the latest draft of the measure: The bill's life is limited to one year, but if two-thirds of the cotton growers favor such action it may be extended another year by presidential proclamation.

The tax on cotton in excess of the 10,000,000 bale allotment is 50 per cent of the value of the staple. The levy will be applied at the time the cotton is sold and not at the time it is ginned.

The measure contains still penal provisions for violations. These were riddled in the Senate bill and restored in conference.

The Secretary of Agriculture will allot each State and county its quota. The allotment will be determined on the basis of the average number of bales produced during the past five years.

The Senate had changed the allotment period to 10 years. The House base was five.

The allotments to the individual farmers will be determined, officials said, by the county committees set up under the voluntary cotton reduction program which was intended to limit planting this year to around 25,000,000 acres.

## NEW CLUB FORMED

Mrs. Lillian Terry, 14411 North 26th Street, daughter of the late Deacon Harrold, has called together a group of ladies to form an organization for the purpose of discussing the use of the ballot.

## PHILLIPS' PALS GOING TO SEE DRAKE MEET

Everal admirers of Paul Phillips, former Omaha Central cinder artist and now a promising sprinter on the Marquette university squad, plan to drive to Des Moines this week-end to attend the Drake Relays, in which Phillips will compete. They are Gerald and Thomas Phillips, Paul's brothers, and J. Harvey Kerns, secretary of the Omaha Urban league, Travis Dixon, Omaha university distance star, and his brother, Fred, a former Cardinal sprinter.

## OMAHA UNI IN TRACK MEET

## CUDAHYS WIN OPENING GAME

### Trounce Omaha Merchants 18 to 7 in Opening Fray

The Cudahy Rex took the day, Sunday by beating the North Omaha Merchants 18 to 1 at 32nd and Dewey Avenue. With Charlie Crump, the dashing little right hander, who has pitched with the Rex for a number of years did the majority of the chucking, pitched only four hits in the six innings he was on the mound.

Champion was the hurler for the North Omahas. Crump, however, had to be relieved by Walker in the in the seventh inning, after walking two men in a row and allowing two consecutive hits.

Al Liggins, of the Rex, did the star hitting of the day, getting five blows in six trips to the plate. It was a pretty good ball game until the Rex broke loose in the fourth inning to score seven runs.
