

LINCOLN, NEBRASKA

Under the Dome of the State Capital

VOTE FOR BYRAN FOR U. S. SENATOR

Honorable Charles W. Bryan, Candidate for United States Senator, in the August Fourteenth Primary Election, is not a Rubber Stamp, but will follow Constructive Leadership.

Governor Bryan has served the State of Nebraska as Chief Executive for Four Terms. He was the First Nebraska Citizen to discover that the Farmers were being overtaxed.

In 1920, he pledged a reduction in taxes. It is an undisputed fact, that Governor Bryan has carried out every pledge, he made to the State of Nebraska.

A GOOD MAN FOR COMMISSIONER

The board of county Commissioners exercises no legislative functions. Its duties are purely executive except as to claims against the county which are semi-judicial.

Being a heavy taxpayer, I appreciate fully the necessity for economy in the making of laws, and the expenditures of taxpayers' money. It would be my constant endeavor to keep the tax levies down to the minimum consistent with efficient government.

Operating as I do, a farm of my own and a large dairy herd in connection therewith, I fully appreciate the importance of labor, and if nominated and elected, I shall keep in view constantly the welfare of the laborers of our county.

Lastly County's business men and business houses pay a large proportion of the taxes necessary for the conduct of the county's business. I favor the county patronizing our local business firms and houses whenever possible.

I believe it possible to establish a county-city health unit, which will be as efficient as if not more efficient than the present dual system, at no more cost than the county itself is now paying.

The county farm, home of Lancaster county's indigent, should be made self supporting if humanly possible.

"There's Safety In Numbers"
8,621

During the past 6 1/2 years, the DUTEAU CHEVROLET CO., has sold 8,621 USED CARS—That is an average of more than 110 USED CARS per month for 78 consecutive months. This means that this company constantly carries a fine used car stock popularly priced and enjoys a GOOD USED CAR REPUTATION in Lincoln and surrounding territory. Otherwise, if this were not true, a record of this kind could not have been made.
