signed pledges have been filed with the NRA by 85 sheltered workshops. These shops are charitable institutions, and exist to give remunerative employment to the handicapped. Under an order of the NRA Administrator, they were exempted from various code requirements upon agreeing to abide by the others. In the shops now pledged, there are 7,075 handicapped workers. About two-thirds receive small wages, and the rest merely training and maintenance.

Movie Code Authority Upholds Double Features:

The code authority of the motion picture industry has overturned the order of the Milwaukee Clearance and Zoning Board, one of its units, penalizing exhibitors playing double features. Independents, many of them small houses, appealed from the order of the board on the ground of discrimination.

WHITE WOMAN REVEALS HORRORS OF GA. PRISONS

ATLANTA, Ga.—I'd rather die than go back to the prison farm," screamed Mrs. Margaret Brooks, 28-year-old white woman when she was arrested in Atlanta last week. Mrs. Brooks had escaped from the City Dairy Prison where she has 51 more days to serve.

Mrs. Brooks revealed horrible tortures which even white women are forced to undergo at the hands of the Georgia jailers. It is to 13 or 20 years of such torture that Georgia would send Angelo Herndon for the "crime" of organizing hungry workers.

Women are punished by being shut up in sweat-boxes, Mrs. Brooks revealed. She herself was strung up in the sweat-box for sixteen hours.

MOTION FOR HERNDON RE-HEARING TO BE ARGUED

ATLANTA, Ga.—The Supreme Court of Georgia has agreed to hear a motion for a rehearing in the case of Angelo Herndon, 20-year-old Negro organizer sentenced to 18-20 years on the chain gang on a charge of "insurrection."

The widespread interest and indignation caused by the case, particularly the collection of \$15,000 in bail and the tremendous demonstrations since Herndon's temporary release resulted in the calling of a special session of the Supreme Court on August 20.

The Court decided that it would hear the motion for re-hearing and ordered the motion filed. This does not mean that the court will permit a re-hearing. It merely means that the court will consider the question of whether or not it will grant a re-hearing.

The Georgia Supreme Court previously denied Herndon a new trial, holding among other things that the state of Georgia has the right to exclude Negroes from its juries.

UNI. OF MICHIGAN BARS GIRL FROM DORMITORY

tions, she was informed several days later that the senior quota for Martha Cook Hall had been filled. However, a number of girls told her that there were plenty of vacancies in the hall. Shortly afterward, Miss Blackwell was notified that she would be accepted for Moshier Jordan dormitory, but that she could not have a single room in that hall. Moshier Jordan Hall is the only one to which colored girls are admitted. Mrs. Blackwell believes that her daughter should be free to make reservations for Martha Cook dormitory if she satisfies the requirements. She asserts that the approved house for colored girls, where most of them live, is not conducive to the making of good scholastic record or the maintenance of peace of mind.

The dean of women at the University of Michigan is Miss Alice Lloyd. The assistant dean is Miss Jeanette Perry.

E. R. G.—Does my girl friend love me enough to marry me and how many boy friends has she now?

Ans.—Your little GEORGIA PEACH is not standing still holding her hands waiting on you to make up your mind to ask her to marry you. She is very popular among her friends in GEORGIA and unless you hurry and put the question to her you may get left.

NIAGRA FALLS NEGRO IS VICTIM OF A RAPE FRAME-UP

Continued from page one

The facts unearthed by the I.L.D. investigators point to a vicious frame-up.

The doctor who examined Helen Lachut stated that she had obviously had intercourse, but that there were no marks showing violence, and no indication that she had made any resistance. The stories told by Lachut and her escort, Stanley Wojcik in court, differed greatly in detail. Both admitted, however, that they had made no outcry and had not called for help, although the other couple with whom they were spending the evening were sitting on a park bench only a few yards away.

Frame Rape Story

During the hearing, the attorney for the I.L.D. openly accused Wojcik of having had intercourse with the girl himself, and of concocting the Negro-rape story in order to cover himself and the girl. Wojcik hesitated for a full minute before denying the charge. It was brought out in court that the girl's skirt and stockings were covered with blood, although there were no wounds or bruises, and that it would have been obvious to her family what had happened.

Davis was arrested August 1.

The I.L.D. has taken the initiative in forming a Provisional Davis Defense Committee and has already held mass meetings on the case.

Will Not Skip Bail, Says Herndon

Calling Schuyler's statement an attempt to knife him, Herndon says: "I shall not skip the bail which the workers have collected for me. If and when the time comes, I shall return to Georgia, ready to continue the fight."

Herndon's telegram follows in full. "In your Pittsburgh Courier column on August 25, you say: 'Herndon is out on bail and will probably skip like all the rest.'"

"Just as you repeatedly knifed the Scottsboro boys by sneering at the mass fight for their freedom, so you attempt to knife me also. After thousands of workers and sympathizers have worked, sacrificed, and actually suffered to get together the \$15,000 demanded by the Georgia lynchers for my bail, you announce that I will skip this bail. At this crucial point in my fight, you have stabbed me in the back in an attempt to destroy the confidence the workers have in me."

"While I was in jail, you did not move a finger to help. You never wrote a line to speed the collection of bail. Your statement about me turns to Georgia ready to continue the Georgia lynchers to revoke the bail. This is a police agent's action."

"No doubt your attack on me will win the approbation of the lynchpress of Georgia, just as your attack on the Scottsboro defense has already won the approbation of the Alabama lynchpress."

"I shall not skip the bail which the
