MONROVIA, CALIF. NEWS

Mrs. Letitia Springfield has been on the sick list, and we are glad to see her well again. Mr. Springfield, busier and Jean Springfield did everything they could to make it pleasant for her while she was sick. Uncle Dave Ross who used to live at 321 E. Walnut Avenue, Monrovia, Calif., now resides in Pasadena Calif. with his daughter, Miss Hettie May Ross.

Mrs. Kellogg Smith, Pasadena, California, formerly of Omaha, Nebr., spent a few days with Mr. and Mrs. Cooper in Monrovia, Calif.

Mr. E. Cleese Jr. is a very proud father of an 8 1/2 lb. baby boy. Mother and babe are doing nicely.

Doesn't that couple look prosperous in that pretty LaSalle? It is none other than Mr. and Mrs. Clarence Johnson of 219 Huntington Dr., Monrovia, Calif.

We are glad to see Mr. H. Reed Jr. home again.

O. W. Cooper was given a surprise birthday party. The guests present were Mr. and Mrs. Springfield, Miss Mary Bonner, Mr. and Mrs. McGee, Miss M. Tillman, Mrs. N. Gaddery, Uncle Dave Ross. Friends from Los Angeles were Mr. A. Collins, Mrs. M. Washington, and Mr. H. Henderson. Every one had a good time until 2 a. m. A very palatable lunch was served.

Miss Mary Bonner and Mrs. L. Springfield gave one of the swellest parties of the season. About 40 guests were present. Mr. and Mrs. Springfield and everyone had a fine time. A delightful luncheon was served. The Springfield's home is a home of hospitality.

THREE YEAR OLD STEALS SHOW

A well planned and artistic program given at the home of Lula Melton, 1908 N. 28th Avenue, Sunday, December 9, from 4 to 8 p. m., was organized by the junior division of Roosevelt Post, No. 30 under the supervision of Mrs. Mable Fields, assisted by the president of this youthful organization, Miss Louise Gray, who was in charge of the program. The program and tea were planned to secure money for disabled veterans and their wives during these times of depression, and it was a very outstanding success from the report of tickets sold and the general interest shown by those in attendance. Marjorie Anthony in the reading of the well known poem, "Trees", made a place for future appearance in such a delightful and pleasing interpretation of this beautiful poem. Then the "Moon Beam Dance" was given by Louise Provost. A delightful instrumental number was interpreted by Betty Bugh, the daughter of the Past Service officer, Percy Bugh, and as usual, with an appreciative audience the little lady was heartily applauded. Another reading was given by Frances Alfred, followed by another demonstration of appreciation by the audience. President, little Miss Louise Gray, daughter of Comrade Lloyd Gray, gave two instrumental numbers, "Chasing Butterflies" by W. Lamont, and "The Giant" by Jas. Rogers. Louise is a student of Miss Edrose Willis. It has been predicted that we are to have a group of finished musicians in these young ladies very soon if they can meet with more of this entertainment.

COL. WESTBROOK ADDRESSES COLORED LAND-GRANT COLLEGE PRESIDENTS

(Continued from Page 1) The Baldwin Nu-Art Fashion Salon on 24th street near Blondo is open for business under the capable management of Mrs. Baldwin, who is a well known seamstress of Omaha. Mrs. Baldwin has been sewing in her home for a number of years and has now made a very worthwhile venture by opening this dress shop. She is assisted by Mrs. Z. E. McGee Sr. This shop makes over old clothes as well as making up new clothes at reasonable price, and the work is all finished by experienced hands. We are always glad to see members of our group entering the business world, and we wish Mrs. Baldwin the best of luck.

NEWS COLUMN

Mr. and Mrs. Bridges, 2702 Maple street, are the proud parents of a 9 1/2 lb. daughter, Florence Lavone Bridges, born November 24th at home.

Mr. and Mrs. Harry Leland celebrated their 29th anniversary, November 28th, at a dinner party given in their honor by Mrs. Bradley of Lincoln, Nebr. The table was beautifully decorated and a wonderful dinner was served.

On his way home from a visit in Kansas City, Mr. Leland's car stopped. When he attempted to crank it, he injured his hand to the extent that seven stitches had to be taken in it.

S. G.—Will I have any goor luck soon? Ans.—If finding a job is good luck you will. It shouldn't be a bit of trouble for you to land a job this month, so—BEGIN HUSTLING.

F. W.—Has my brother been doped and will he pull through? Ans.—What your brother needs is rest and plenty of it. I can only diagnose this case just as your doctor will—A NERVOUS BREAKDOWN. I predict no serious trouble and urge your brother to follow the doctor's instructions to the "T". Your brother will be over this in no time.

X. X.—Will I receive a letter soon? Ans.—The Postman will deliver a letter to you from a party bearing the initials of B. T.—but not soon. It's a little too close to Christmas for this young man to get serious for he has no intentions of spending any of his Xmas money on you. I see you together again but not until NEXT SUMMER.

C. C.—Was all this true that was told me about my husband? Ans.—In every community there lives a person who is more interested in other people's business than their own. Such a person carried this tale concerning your husband to you last summer. I would advise you to take this story with a grain of salt for I connect many untruths with it.

A. N. C.—I want to know when my husband will see his pay? Ans.—It is my opinion that your husband will get his GOVERNMENT MONEY either this month or next. I see you receiving a sum of money that will come in mighty handy around Christmas time.

C. B.—Please tell me why my hair doesn't grow and what shall I use on it? Ans.—If you will read the advertisement in this paper you will find an excellent remedy for this condition. You cannot neglect your hair or scalp like some people

23 per cent; that is, of the total amount of money lent by the associations, nearly a fourth has been repaid. The amount outstanding represents loans that have not matured yet.

Thus far 42 production credit associations have been put into operation, Mr. Heaton said, and for the present this number is considered sufficient to adequately care for the credit needs of the farmers for production purposes. A total of \$4,535,617 has been lent by these associations thus far this year, he said, representing 3,409 loans. The average loan is \$1,200.

Many of the larger loans have been made to stockmen, principally in Wyoming. Improvement in the pastures due to fall rains and recent snows is highly encouraging to farmers in this district, Mr. Heaton said, and stockmen are looking forward hopefully to a much better marketing season in 1935.

JOINT MASS MEETING TO LAUNCH NEW WAR ON LYNCHING New York, Dec. 7.—The opening gun of the new war against the lynch-

ing evil and for the passage by Congress of the Costigan-Wagner anti-lynching bill will be fired at a great joint mass meeting to be held at the famous Broadway Tabernacle in this city on January 6, 1935, under the auspices of the National Association for the Advancement of Colored People, the Federation of Churches of Greater New York, the Federal Council of Churches, the Y. W. C. A., the Interdenominational Preachers Meeting of Greater New York and vicinity, the American Civil Liberties Union and National Urban League.

A distinguished list of speakers has been invited, which will be announced later. Clubs, churches and societies are being asked to attend the meeting in a body so that there will be an overwhelming outpouring, to demonstrate to Congress, which will have just opened, and the country at large the demand for the passage of the Anti-Lynching Bill. Plans are being made for an overflow meeting. This will be the first of a nation-wide series of such meetings in support of the Costigan-Wagner bill.
