SUPREME COURT DECISION DUE IN NORRIS APPLICATION

New York-With the answer of Attorney-General Thomas E. Knight of Alabama, brazenly denying that Negroes are excluded from Alabama juries, filed with the U. S. Supreme Court, a decision by that court on the application for writ of certiorari in the case of Clarence Norris, Scottsboro boy under sent ace of death may be handed down at any time.

The International Labor Defense whose attorneys Osmond K. Fraenkel and Walter Pollak prepared and filed the papers in the Norris and Haywood Patterson cases now before the U. S. Supreme Court, has called for intensification of the protest action throughout the country, to force the court to grant the write in both cases which will mean hearing of the appeal, and to reverse the lynch verdicts.
