His Friends Have Telephones

In America, children as well as adults use the telephone. Their friends have telephones ... it's easy to call and ask them to "come over" or arrange to get together. America has more telephones than all the rest of the world.

The Bell System is organized to meet the requirements of America for telephone service... to constantly improve service and provide it at the least cost to the public.

NORTHWESTERN BELL TELEPHONE COMPANY

In relation to population there are six times as many telephones in this country as in Europe and the telephone is used nine times as much.
