

TO ALL TOWNSEND LEADERS AND CLUBS

Greetings:

Washington, D. C.—We realize that at the present time your thoughts are probably focused on the situation in the National Capital, and, as you know Dr. Townsend has been there for some weeks past. It is a pleasure to advise you that Dr. Townsend is most optimistic about the situation there, and is daily making new contacts amongst Congressmen and Senators. The first regular Townsend Congressional Club will probably be completed in the very near future. Many of the Congressmen from the West Coast especially have worked hand in glove with Dr. Townsend and are giving him marvelous assistance in making converts of others.

As in last week's bulletin, we say again NOW IS THE TIME TO WRITE YOUR SENATORS AND CONGRESSMEN. If you have not already done so, DO IT NOW. Remember, a chain is no stronger than its weakest link, and our organizations throughout the entire country must work shoulder to shoulder under the able direction of Dr. Townsend and Mr. Clements if we expect to win this battle.

General. Our mail from all sections of the country continues to be very heavy, but the enthusiasm amongst our adherents is at a high pitch. Our various area managers have done splendid organization work and have given full co-operation and loyalty to National Headquarters. The Townsend Plan, less than a year old, is of its present importance on account of the assistance which has been given by our representatives in each and every section of the country.

The Townsend Plan was born in Long Beach, California, January 24th, 1934. On that day the Old Age Revolving Pension was incorporated. We find it difficult to look back now to the situation at that time and to realize that this plan of Dr. Townsend's is today the most talked-of and the most worked-for plan in America.

Radio Activities. We have been extremely gratified to have the co-operation of Dr. Clinton Wunder over several stations this past week. Dr. Wunder needs no introduction to American audiences, because his fame as an orator is known throughout the length and the breadth of the country. We are therefore happy to report that Dr. Wunder and our director of radio relations, Jack Kiefer, are proceeding to the East. They will hold several

mass meetings in Wyoming, Colorado, Iowa, etc., and will broadcast from Chicago for some time, reaching all territories adjacent thereto. Many new radio programs will be released in the middle west.

Petitions. We called on you to make a special effort last week in regard to petitions. We are stressing this fact again, as it is most important. So much depends on the effort that we all put forth at this stage of the battle that we should leave positively nothing undone at this time. We are asking, therefore, that all clubs make a special petition drive so that millions more may be received at National Headquarters by February 20th.

Co-Operation. The need of co-operation between the clubs and National Headquarters and between Area workers and National Headquarters is of vital importance at this time. There is occasional delay at National Headquarters in replying to mail, as the volume is so heavy that we would require quite a tremendous staff to answer same on the day it is received. Every effort is being put out by the staff to keep the work up-to-date, and every effort will continue to be put forth to give our co-workers the co-operation they require.

Let us never lose sight of the fact that we all have a common object in view, the enactment into legislation of the Townsend Plan. Some interests and some individuals will doubtless endeavor to cause dissension. Malicious rumors will be spread without foundation, and it will be entirely up to each and every one of us to stand fast in loyalty to Dr. Townsend and Mr. Clements. If, on account of listening to those who are in the Plan only for their own selfish interests, we should allow any dissension to creep into our ranks, we must remember that we will only be hurting the Plan for which we have struggled and the Plan that is shining for us all as a beacon in a storm.

News Flash! Message from the Colorado House of Representatives: "H. J. M. No. 1, by Representative Hoefnagels.

Whereas, The problem of old age security has become a leading public issue; and

Whereas, The people of the state of Colorado have become conscious of the need for federal legislation aiming to make dependent old age more secure; and

Whereas, Many thousands of the people of this state have endorsed and recommended a plan known as "The Townsend Old Age Revolving Pension Plan", tending toward the accomplishment of these aims and the security of persons of this state in their old age;

Now, Therefore, Be It Resolved, by the House of Representatives of the

Thirtieth General Assembly, the Senate concurring herein: That the Congress of the United States is hereby respectfully memorialized and urged to give every consideration to the said "The Townsend Old Age Revolving Pension Plan", if, as, and when the same is presented for its consideration.

Be It Further Resolved, That the Senators and Representatives of the state of Colorado in the Congress of the United States be requested to take such necessary steps as will insure full consideration of the aforesaid "The Townsend Old Age Revolving Pension Plan" upon its presentation to the Congress of the United States, and that copies of this memorial be forwarded forthwith to the President of the Senate, to the Speaker of the House of Representatives of the Congress of the United States, and to the Senators and Representatives of the state of Colorado."

Congratulations Colorado! Clubs in states which have not yet passed a Memorial should immediately get busy with their representatives, so that action may be taken by each and every state in the Union.

Co-operative Division for recovery of labels, containers, etc., wishes to report our first drive ending January 14th was a great success. Thanks to the clubs. Let us keep it up. Sending in what you have twice a month.

Radio Extension Stamps. These stamps as per sample attached are proving most popular and do much to forward this movement. The profits accruing from the sale of same are used exclusively for furthering our radio activities, and we all know how necessary a part radio plays in our movement at this stage. The stamps will be sent post paid at a price of 50c per hundred. Please send all orders direct to Radio Division at National Headquarters, 200 Spring Arcade Building, Los Angeles, California.

Yours for no compromise on the Townsend Plan.

R. E. Clements.

Natives and White Workers Unite

Johannesburg, S. Africa—CNA) —An anti-fascist conference convened by the South African Trades and Labor Council and attended by 76 delegates representing 29 organizations was held at the end of August. The conference was attended by both Native and white delegates. Kotane, a Native worker, representing the Communist Party. A resolution was adopted calling for struggle against fascism, also containing a section appealing for the united laws discriminating against Natives.

LONGSHOREMEN LED BY NEGRO IN PAY DEMAND

New York.—(CNA)—A striking example among workers was demonstrated here last week when 45 Negro and white longshoremen of the Savannah Line joined in an action against the speed-up, wage-cutting of their employers. The action was led by a Negro longshoreman.

The 45 men, together with 140 others, had been told to report to work for definite jobs. At the morning shape-up, however, they were not hired, although it was estimated that the cargo of the 17,000 ton ship required at least 200 longshoremen.

Force Official To Act

Determined to put a stop to the policy of hiring short-handed gangs, and recalling that the union agreement stipulates the payment of four hours' wages if called but not hired, the men sought compensation through Pat Quinn, International Longshoremen's Association delegate. Quinn maintained that nothing could be done about the situation, the Negro and white longshoremen went

DETROIT WORKERS FRAMED

Defense Attorney Is Candidate Against Trial Judge

Detroit, Mich.—(CNA)—The militant defense presented by Attorney Maurice Sugar (white) and the International Labor Defense, resulted last week in freedom for Charles Leo and Monroe Brown, workers convicted of framed vagrancy charges. Charges were quashed in a second trial, and the defendants acquitted.

The two workers were picked up on January 7, by Detroit police and on the following morning were railroaded through trial without a defense lawyer before Judge John V. Brennan, notorious for his hatred of labor organizations. Because they had "no job, no money and no visible means of support," they were sentenced to 90 days in the House of Correction, although the stenographic record of Lee's and Brown's testimony shows that they had conclusively established their residence and employment.

Sugar, noted labor lawyer, is now a candidate for the office of Judge of Recorder's Court the office now held by Brennan. His candidacy has been solidly endorsed by practically the entire Detroit labor movement, including the Detroit and Wayne County Federation of Labor (American Federation of Labor), the Mechanics Educational Society, of America, the Society of Design Engineers, The League of Struggle for Negro Rights, the Trade Union Unity League, International Labor Defense, Communist Party and others. Acts similar to a generous defense of Lee and Brown have earned him the reputation of being a fighter for Negro rights.

Sugar argued the case of James Victory, Detroit worker, who was framed on a charge of attacking a white woman. Victory was released after a city-wide protest campaign organized by the International Labor Defense, the League of Struggle for Negro Rights and supporting organizations.

to Peter Hussey, business agent for local 1258. They found him in a barber shop. Hussey was equally reluctant to press the men's demands, claiming that the union agreement held no such clause. The men pulled him out of the barber's chair, the latter still on his face, and forced him to read the union agreement aloud. It was then disclosed that the longshoremen were in the right.

As a result of this militant action, and with the support of leaflets issued by the International Longshoremen's Association Rank and File Committee, Quinn was forced to carry out the men's demands for the payment of the four hours' wages.

Defy Police Terror To Hold Scottsboro Meeting

Birmingham, Ala.—(CNA)—Defying police terror and provocation, more than 250 workers attended two enthusiastic Scottsboro rallies held here in churches in various parts of the city.

The first meeting held on Thursday night was addressed by Robert Wood (white) District Secretary of the International Labor Defense; the second, held on Sunday, was addressed by Tom Jane and Fred Balos, I. L. D. leaders.

Resolutions were unanimously adopted at both meetings demanding the immediate and unconditional freedom of the Scottsboro boys and Angelo Herndon.

Woman Injured When Ceiling Falls In Harlem Fire-Trap

New York.—(CNA)—Last week, Mrs. L. McKenzie was injured when the ceiling of her apartment at 241 W. 131st Street, fell and struck her on the head and shoulder, seriously injuring her.

When she reported the poor condition of the apartment to her landlord, he said, "if you don't like it, get out." This is the second time the ceiling has fallen. The landlord flatly refuses to make repairs.

Under the New York Tenements Law, landlords are supposed to keep apartments in repair.
