Nex Sunday, March, 17, is Quarterly Meeting Day. The pastor and officers are very anxious that all the reports come in good and on time. If you are behind with your obligations, please try and get them all paid up.

Now the time for the closing of the Rally is drawing near, and some have not paid their captain anything. See your captain, and pay a little along at the time, and it will not seem so hard.

Sunday, March 31, at 3 p. m., is the time and date set for the big spring musical at St. John's when all the leading colored church choirs of Omaha will be the guests of St. John's. This promises to be one of the most interesting musial events of the year. This will be one event you eannot afford to miss. Come and see all these choirs. March in and give yourself a great musical treat, and a Gospel message through song.

Visitors are always welcome to

#### Lesson for March 17 PETER DELIVERED FROM . PRISON

LESSON TEXT-Acts 12:1-19. GOLDEN TEXT-But prayer was made without ceasing of the church anto God for him, Acts 12:5b. PRIMARY TOPIC-How Peter Was Freed From Prison. JUNIOR TOPIC-How Peter Was

Delivered From Prison. INTERMEDIATE AND SENIOR TOPIC-How Prayer Helps. YOUNG PEOPLE AND ADULT TOPIC-The Power of United Prayer.

The young church had met and overcome some serious difficulties. She first had to face religious persecution at the hands of Jews. Then came internal troubles as to the support of certain widows. The separating wall of Pharisaical legalism was broken down in the admission of Gentiles into the church, but finally she had to meet the naked sword of civil authority. Through all these tests she was more than conqueror.

I. Peter's Imprisonment (vv. 1-4). 1. By whom (v. 1). Herod, the grandson of the wicked Herod who slew the innocent children of Bethlehem. His half-sister, Herodias, secured the death of John the Bap-

2. The reason (v. 3). It was to gain the favor of the Jews. Herod was not a Jew but an Edomite. Therefore, he knew that his success was dependent upon his having the good will of the Jews. He seems not particularly to have hated the church, but to have loved popularity, for the sake of which he manifested a deep sympathy for degenerate Judaism. Since the church had so developed as to be a successful rival of Judaism, he saw an opportunity to curry favor with the Jews by putting forth his hands

3. The method -(v. 4). He was arrested, put into prison and guarded by sixteen soldiers, one group of four for each watch of the night. Humanly speaking it was impossible to escape. They had doubtless heard of Peter's escape from jail before, so they thought they would take no risks this time. However, they reckoned without God

II. The Church of God in Prayer (v. 5).

The church was at a crisis. Jan:es, one of the brethren of the church.

was dead, and Peter, the most prominent of all, was in prison. In this desperate strait, they betook themselves to prayer. This was a noteworthy prayer.

1. It was unto God. All true prayer is unto God. 2. It was united prayer. There is pecaliar power in the united. prayer of God's people. 3. It was more than unceasing

prayer. It was the intensely earnest desire of the soul stretched toward God. 4. It was definite prayer. They

specifically offered prayer to God for Peter. III. Peter Delivered by an Angel

(vv. 6-11). This occurred the night before Herod's plan to make a public display of him.

1. Peter sleering (v. 6). This shows that he was not disturbed over the matter. The Lord keeps in perfect peace those whose minds are stayed on him (Isa. 26:3). 2. Peter leaves the prison (vv. 7-

10). A heavenly light shone in the prison. The angel smote Peter on the side. The chains fell off. Peter put on his clothes and passed by one guard after another, through the iron gate and into the city. The whole transaction was orderly and leisurely, showing that God is not in a hurry.

3. The effect upon Peter (v. 11). Although the matter was so wonderful to Peter, who thought himself in a vision, when he came to himself he knew that God had miraculously delivered him from Herod's wicked hands.

IV. Unconscious Unbelief (vv.

12-19). 1. The behavior of Peter and the church (vv. 12-17). Peter went to the house of Mary and knocked. who was so overjoyed that she forgot to open the gate, and went right in and told them that Peter was at the gate. The disciples were not prepared for such good news, even accusing her of madness. She, undaunted, insisted. They offered as an explanation that perhaps it might be Peter's guardian angel in his likeness. Peter rehearsed unto

them the Lord's dealing with him. 2. The behavior of the soldiers (vv. 18, 19). There was great agitation among them as to what had become of Peter. This was a serious matter, since they were responsible for him. Not being able to account for Peter's escape, Herod commanded that they be put to death. After this, Herod went down to Caesarea. where he was adored as a god. Because he arrogated this honor to himself, the Lord smote him. Herod died, but the word of the Lord grew and multiplied.
