THE JOYEUX BRIDGE CLUB
The second annual Contract Bridge Tournament held at the Masonic Hall, February 27, 28 and March 1, was a very successful affair from the standpoint of attendance and enthusiasm. Fifteen tables were in constant play during the tournament and by rules adopted, so as to give each an opportunity to display all of his best "Bridge" ability five changes were required to complete an evening contest. Mr. Worthington Williams, acting as official "Referee", outlined the rules of play and scoring in a very simple and a very understandable way, Wednesday night, after which the tournament proceeded to a complimentary and dignified conclusion. The tournament "Classic" winners went to the team of Miss Dolores Cousins and Mr. Eddie Craig, both of 2320 No. 27th Street, with a score of 6270 played in ten changes. Tournament high score was won by Mr. and Mrs. Carl Heidelberg with a score of 7110. This same team won the total high score for Wednesday night. Thursday night high score winners were Emmet Dennis and V. Harris, of 2215 Miami Street, with a score of 6510. The "runners up" for the grand prize were Mr. Sam Wead, 2434 Grant Street and Mr. A. J. Leffall, 2874 Binney Street, scoring 2840. This tournament is conducted in the interest of those who love the game, and it is not the purpose of the Joyeux Bridge Club to conduct this annual classic for profit taking, but rather for the inducement it may offer to others who want to try their skill in tournament play, and to that end this tournament was dedicated hoping that when the next affair of this club is held there will be a return of many and more "Better Bridge Players."

TRI VI RA CLUB
The Tri Vi Ra Club met last Thursday night in the club rooms at 2417 Erskine. After the business of the evening was completed the members played bridge. The first prize was won by Mr. Vernon Blackwell. The second prize was won by Mr. Coman. Among the week end visitors at the club were Mr. Edward and Frank Buford, Mr. Willie Shuttles, Mr. Nathan, D. E. Leach, Mr. Jack Hall, Mrs. Grace White, Mrs. Calvin Ware, Mrs. A. Taylor, Mrs. N. Gany, and Mr. Marcelle Hayes who was a former member of the club and who made known his intentions of rejoining the club at its next meeting. The club invites the most fastidious person to inspect their club rooms at any time. Mr. Carl Heidelberg, President

MISS BLACK HONOR GUEST AT CLUB REUNION
On Tuesday evening, March 5, a most elaborate affair was given at the home of Mrs. Jasper Brown, 2883 Miami Street, for the former members of the Elite Club and their husbands with Miss Lillian Black, of Los Angeles, California, as the guest of honor. There were four hostesses in charge of the celebration, Mrs. George Watson, Mrs. Thomas Riggs, Mrs. Dumas James and Mrs. Brown. Miss Black, as you will remember, organized the Elite Club more than 25 years ago, and this affair brought together its old members.

TROJAN CLUB
Howdy Folks:
The Trojan Club went roller skating Tuesday, March 12th, and you should have been down to the Central Y. W. C. A. to watch the fun. The evening was well spent with the exceptions of a few accidents. Celestine Smith fell and sprained her wrist. Louise Fletcher fell hard on her "face" also Mamie Jackson fell "slightly". Lorraine Fletcher and Ella Mills changed their positions too. Miss Taylor was doing a swan-dive and lightly upset herself. Trojans don't forget the Nation Wide Banquet, March 26th at Central Y. W. C. A.

THE "Y" PLAYERS
By Lloyd L. Lee
The "Y" Players, who have been organized for the past three years, held a recent election of officers. Mrs. Madoline Sterling was chosen for the presidency; Miss Catherine Williams was elected vice-president. The organization selected Miss Lavinia Scott for its secretary and Mr. Alvin Goodwin for the office of treasurer. Mr. Lloyd L. Lee was elected reporter. It has been discerned doubtless by the public that the purpose of the "Y" Players is the stimulation of interest and the development of technique among the Negro youth in the art of the drama. The acclamation accorded the Players at their third annual production was a proof of the proximity to

which they fulfilled their purpose. The plays were reproduced at St. John's A. M. E. Church last Friday, March 15, and were well received. Miss Williams is also chairman of the program committee and has developed a thorough and complete outline of study for the Players covering approximately all the techniques of the drama. Each week two members are assigned a certain phase of the drama to demonstrate to the Players at the weekly meetings on Tuesdays. Last Tuesday character acting was studied. A fortnight ago the "Y" Players were delightfully entertained by the House Committee of the Northside Y. W. C. A. for their efforts in their last production.

THE LADIES' FRIENDSHIP CLUB
The Ladies' Friendship Club met at the home of Mrs. Louise Hill at 3118 Burdette Street. There were nine members present. We have on our sick list Mrs. Edith Hope, who is not doing so well. We had with us this week the following visitors: Mrs. Mildred Roberts, 1711 N. 28th Street, and Mrs. Luebirda Arnold, 2802 Franklin Street. A delicious luncheon was served by the Hostess. Mrs. Ida Fontaine, President
Mrs. Minnie Burns, Reporter

THE GOLDEN RULERS CLUB
The Golden Rulers held its regular weekly meeting Monday evening at 9:00 P. M. at the home of Mr. Algie L. Ridge, 2421 Caldwell Street. A short business meeting was held in order to get the carnival, which will be held Friday Night, March 22, at the Salem Baptist Church, better outlined and planned. Our next meeting will be at the home of Mr. Novel Lee Evans, 2536 Parker Street. Miss Amelia Thomas, President
Miss Versie Mae Thomas, Reporter

BEAU BRUMMEL CLUB
The Beau Brummel Club was called to order by the President, Mr. Jarvis C. Jewel, who lead the club with the Lord's Prayer. Mr. Joe Wilhoit's wife was hit by a car and is unable to be up. Mr. L. Payne is on the sick list. Thirteen members were present at the March 13th Club meeting. The next meeting will be on March 27th. The Club meeting was closed by Mr. Johnnie Jackson. V. Shobe, President

THE JOLLY TWELVE ART CLUB
The Ladies of the Jolly Twelve Art Club held their annual tea at the home of Mrs. Eddin, 2860 Corby Street. Since it was St. Patrick's Day, the color scheme of green was carried out in the refreshments and decorations. We are indeed grateful to the many guests who helped to make this a success. Alce Nickelson, President

quite busy, also. Mr. John Smith's classes in sewing are coming along fine. Miss Marjorie Bolden, new member of the staff began her activities this week. Mr. Washington, clerk, sees that we all get our checks. Marty Thomas is, as usual, doing fine work on the gymnasium and on the outside. Mr. Nelson has a rapidly progressing class in woodwork. Mrs. Evelyn Singleton under whose able direction the staff is run, is kept very busy. There will be a dance held at the center, and the admission is one cloth bound book, which is to be added to the already 3,000 volumes in our library.

FRAMED ON ATTACK CHARGE—NARROWLY ESCAPES LYNCHING
Linden, Texas—CNA—Blackie Jackson 21 year-old transient narrowly escaped lynching at the hands of two different mobs when he was transferred from Atlanta to jail here. Jackson was framed on a charge of attack on a white school girl. The youth, found hiding from

the lynch mob under the porch of a house in Atlanta, was arrested and taken to the girl's home for identification. There he was encountered by a mob of 50 men, mostly friends and relatives of the girl. When they demanded custody of the youth, City Marshall Homer Carter hurriedly rushed him to Linden, Texas, for safe keeping. Later in the night a lynch mob of about 150 men formed at a local drug store. But it dispersed when it learned that Jackson had been rushed to another jail, in another town. Linden is located in the East Texas lynch area of the state, where the life of a Negro is counted as nothing. One lynching occurred in this section in November of 1933 when David Gregory was brutally killed, and another lynching occurred in April, 1934 when Son Griggs was lynched for "associating with a white woman." Past history of the brutality and lynching accorded the Negro people of this section puts Texas far up on the list.

HEALTH, BEAUTY AND CHARM

KEEP YOUNG AND BEAUTIFUL IF YOU WANT TO BE LOVED!

FALLING HAIR—Its Preventive and Cure

In our article of last week we pointed out the importance of the sebaceous gland, the Papilla and Arrector muscles in obtaining a healthy head of hair. (We use the word 'healthy' here instead of 'beautiful' because no head of hair, which is not healthy, is beautiful.) For ordinary conditions of falling hair in which there are no objective symptoms, the use of the scalp massage, the application of various antiseptics and electricity in its several forms will be found quite sufficient to restore the scalp to normal conditions and improve the growth of the hair. Of course, in every instance, these treatments must be taken for some time after improvement is manifested. A single treatment taken when the opportunity offers or some one suggests it is of no avail. The patron must agree to a course of treatments,

coupled with intelligent use of the preparations at home. The scalp treatment that agrees with the greatest number of conditions is known as the Hot Oil Treatment because the treatment is applied to the scalp warm. The only scientific way to give a hair and scalp treatment is with an electric steamer. With this you get controlled steam. We get very little benefit from the old hot towel method. Steam, as we know, goes up from a hot towel and only wet heat (not steam) is applied to the head. And, too, it is impossible to massage under a hot towel. The electric steamer controls the steam, forces it down so that it penetrates all the pores. If your hair is falling why not make an appointment now for a hot oil treatment with the electric steamer. In his shop we have the Arnao Steamer. We guarantee results. By Courtesy of the Christine Althouse Salon

Let Omaha Regulate Its Own Electric Service

Congress considers a Bill to Transfer Regulatory Control to Washington

"Congress shall make no law abridging the right of the people peaceably to assemble and to petition the government for a redress of grievances."
"This is the language of the Constitution of the United States."
"The question business executives may have before them soon is this: what sort of management is it which permits an attack to be made on the property of the owners, the stockholders, without immediately petitioning for a redress of grievances?"
"Business executives who fail to carry their plea to the public under such circumstances are derelict in their duty and, indeed, faithless to the American tradition which makes the right of petition the very cornerstone of our democracy."
— From an Editorial by David Lawrence United States News, March 11, 1935

A BILL known as "The Public Utility Act of 1935" is now in Congress. If passed, it will affect every user of electricity in Omaha.

This bill provides for Federal regulation, direction and control of the electric light and power industry. Improperly called "the holding company bill," it more vitally affects the public interest by the fact that it also applies to 90% OF THE LOCAL OPERATING COMPANIES.

Omaha's Electric Service Regulated from Washington

If this bill is passed, it will place the control of YOUR electric service in the hands of the Federal Power Commission in Washington, D. C.

Your City Council will virtually be superseded in its regulation of the business of this Company.

In place of your city government, a gigantic Federal bureau will be set up in the nation's capital to regulate your electric rates. In place of men who are conversant with the problems of their home community, those who will control the cost of your electric service will be located thousands of miles from Omaha.

Holding Companies Have Helped Reduce Omaha's Rates

The bill aims to ABOLISH electric utility holding companies. It requires also that by January 1, 1936, holding companies must cease to perform the valuable services rendered to their subsidiaries. The furnishing of these services—engineering, financial and commercial—has been one of the principal factors in the improvement of service and

continued reduction of rates of which Omaha is an outstanding example for the nation.

Losses to Investors

The destruction of holding companies must destroy the value of their securities, with the resulting loss to thousands of investors. The effect will certainly be felt in all utility financing for years to come, a continued deflationary effect which the nation should not have to face at this time.

Not Consistent with "New Deal"

The bill is wholly inconsistent with the announced purposes of the New Deal. It creates NO new jobs, it does NOT aid recovery, it contributes nothing to social security.

With all deference to the President, the position of this Company is that the bill is drastic, discriminatory and unsound. With all deference to the President, this Company maintains its constitutional privilege to petition against the enactment of the bill. I urge every electric user to consider carefully ALL the possible effects such a revolutionary act may have on himself, his home and his job or business.
