TOOK OFF 17 LBS. OF UGLY FAT

HEEDED DOCTOR'S ADVICE

Mrs. Robert Hickey, Roseville, Calif., writes: "My doctor prescribed Kruschen Salts for me—he said they wouldn't hurt me in the least. I've lost 17 lbs. in 5 weeks. Kruschen is worth its weight in gold."
Mrs. Hickey paid no attention to gossipers who said there was no safe way to reduce. She wisely followed her doctor's advice. Why don't you?
Get a jar of Kruschen to-day (lasts 4 weeks and costs but a trifle). Simply take half teaspoonful in cup of hot water every morning. All druggists.

Address Delivered at Annual Tea by Mrs. Lillian Wright

At the Annual Eighth District Tea, a paper was read by Mrs. Lillian Wright president of the Roosevelt Post No. 30 Auxiliary. It read as follows:

"It is indeed a pleasure for me to speak to you this afternoon. I shall attempt to express, to you, a few of the things that we, the women of the Roosevelt Post No. 30 Auxiliary, wish you to help us accomplish.

Since no War, I believe I am correct in saying this, has been won without the Negro. Don't you believe it fair that we should be recognized as other races of men? We want our men to have a fair chance in this wonderful democracy called the "Land of the Free, and the Home of the Brave. We also want the 9th and 10th cavalry restored back to combatant status. We feel that we are entitled to have our men in every branch of service, namely the Navy, Marine, Artillery and Aviation. I am asking the question. Has the world gone mad? I never read or heard of so many cries of peace and so much preparation for war.

Since all other races and nations are preparing themselves, don't let it be said, as before, of America with her democracy, that she used the Negro in time of War and will not prepare him for War. We know you can if you will around the fireside at home, show young men their short comings.

Social equalities are not what we seek, but opportunities, and we will arrange our social affairs. We are seeking what we feel are our rights in America. Then we will go back with you as our old mothers did before us and pray to God to have mercy, for He alone can save. Looks as though the World has forgotten God and gone mad.

And to you a few Negro Women, with your brown skin and curly hair, I am indeed very proud to be one of you, out of this meeting you should go and contact every woman and girl eligible of your race to join the American Legion Auxiliary, because your people need your help as never before.

Mrs. Denver Rich, Publicity Reporter.

Commend Bishop For Broad Reason

Trustees Lay \$20,304.14 On Table For College.

Columbia, S. C., June 20.—AN P.—Bishop Noah W. Williams preached the baccalaureate sermon for Allen University and Benedict Colleges here last week. Dr. R. R. Wright, president of Wilberforce college gave Allen's commencement address. Dr. W. A. Fountain, jr. president of Morris Brown College gave the annual address to the Literary and Religious societies and Dean Green of State College, Orangeburg, S. Carolina, made the principal speech to the alumni.

In one of the most enthusiastic meetings ever held here, the trustees of Allen University laid the sum of \$20,304.14 on the table to further the work of the institution. They then passed a resolution of commendation for the sterling work which Bishop Williams has done since assuming charge of the work of the African Methodist Episcopal Church in South Carolina.

The resolution said that the prelate had with broad vision, deep culture, great faith and a burning desire for the work committed to his care, had addressed himself to the task by a careful and complete analysis of the problems of the church and the school, that he had visited every circuit and station as well as many mission points, with inspiring messages in sermons and lecture; that he had enriched his large store of information by a trip to the Holy Land, in order that he might more fully inspire and instruct his people and after praising the work of President Abram L. Simpson, reported the sixth annual conferences of the A. M. E. Church in South Carolina as praying for Bishop Williams' return to the 7th, Episcopal District during the oncoming quadrennium.

Stolen Chickens Land Two in Jail

Memphis, Tenn., June 20, (ANP)—Sixty stolen chickens landed Willie London, the pilferer, and J. Shanks, white grocer, the buyer, in jail here Tuesday morning when the theft was discovered. London claims that Shanks paid him \$3.65 for the choice fryers and Shanks placed the price at 20 cents a pound. The price, however, has nothing to do with the stealing and purchasing of stolen goods so both are awaiting trial.

Miss Catherine Moton Weds Dr. Frederick D. Patterson

Capahosic, Va., June 20, (By W. A. Shields for ANP)—On a gorgeous June day, with the magnificent new summer home of Dr. and Mrs. R. R. The ceremony was performed on the spacious terraced lawn of the Moton estate, with the York river upon which it fronts and which is three miles wide at that point as a background.

Rev. J. W. Whitaker, retired chaplain of Tuskegee Institute, and Rev. John W. Lemo, of Capahosic, who was a classmate of Dr. Moton's at Hampton Institute, performed the ceremony. The rites, which were simple, were solemnized in the presence of the couple's families, relatives and local friends.

Miss Moton was given away by her father. Dr. I. A. Derbigny of Taladega college stood with the groom.

Among those present besides the parents of the bride, Dr. and Mrs. R. R. Moton, and the bride's sisters and brothers, Misses Charlotte and Jennie and Messrs. C., Mr. Dahl and his son and daughter, Mrs. Emma Freeland of Hampton Institute, Mr. and Mrs. Jeff Booth of Gloucester County, and their children. The bride and groom left early in the afternoon for Chicago and their trip will extend to Ames, Iowa, where Dr. Patterson is scheduled to appear at the Iowa State College, from which he holds two degrees, after which they will go to Tuskegee Institute.
