put the program of the unit over. We are requesting that all the members, new and old, please meet with us Friday evening as we are planning to put on foot a sewing project that will help us to build up our treasury.
Those who wish to join this organization, may do so by seeing any of the following persons, who are National organizers: Mr. David Lunday, Rev. S. R. Tanzymore, Mrs. Forysteen Burroughs and Mr. J. A. Harris.
We are hoping to soon be able to get into a hall again, but we need the loyal support of every true Pacific Movement man and woman. Come out and learn about your race. Learn how to co-operate, one with another, and last but not least learn to really love one another. So don't forget Friday night at 8:00 we are looking for you, one and all. There has been some false rumors floating around concerning the movement, but just come out to the meeting and learn the truth from those who really know the facts.
