Salem Extends Call To Rev. Bilbrew

It is reported that the Salem Baptist church has extended a call as pastor to the Rev. Dr. R. H. Bilbrew, of Dallas, Texas, and that Dr. Bilbrew has wired his acceptance of the call.

This will leave only one outstanding Omaha church without a pastor, and it is to be hoped that they will follow the lead of Salem church and call a qualified churchman and minister, such as Dr. Bilbrew is known to be, as their pastor.

Texas is noted for the eminently qualified clergymen who have come into the north, north east, and north west from there, to serve with honor and distinction in pastorates.

ST. JOHN BAPTIST CHURCH

Rev. E. D. Johnson, Pastor
Rev. R. G. Roman, of Mason City, Ia., has just closed a 12-day revival at St. John. We were blessed with 16 additions to our rolls. All throughout the services the religious devotion was notably warm. The revival was a financial success, as well as spiritual success. All who missed the services missed a treat indeed because Rev. Roman has all appearances of a God called man.

Elder J. E. Greenfield, pastor, announces the Omaha All Nations Pentecostal church, 2302 Grace St., will observe the fourth anniversary of the organization, Wednesday, October 30th, at 8 p. m. Special jubilee singing by Chicago Pentecostal Young Peoples Trio. Program of interest will be rendered the public is invited to attend and participate. A surprise treat is in store for all who attend.

The Mission Society of Salem Baptist church met at the home of Mrs. Harris, 1809 N. 27 street, Friday afternoon. The meeting was opened with devotions, after which business was transacted. The sisters are striving to help some of the needy families. We were inspired by the lesson taught by sister Lottie Rhodes, from Heb. 12 1-6 verses. Mrs. Emma Smith, President. Mrs. Hattie Petties, Reporter.

The Rev. Mr. Carr, formerly of Omaha, but recently of Dallas and Waco, Texas, was the guest minister at Salem Baptist church, Sunday, October 6.

The Prayer Band of Salem Baptist church held its meeting, Tuesday morning at the home of Mrs. Hesters, 1910 N. 27 street. A wonderful time was had by all present, and the holy spirit was felt. You are invited to attend these meetings. Next meeting will be at Mrs. Norvell, 2613 Hamilton street.

Mrs. Lottie Rhodes, President. Mrs. H. Petties, Reporter.

Omahan Weds Minnesotan

Miss Selah Fulson, 707 Eighth avenue No., Minneapolis, Minnesota, became the bride of John Beasley of Omaha, on October 1st, at the home of the brides parents.

Rev. C. F. Stewart performed the ceremony. Following the wedding a beautiful reception was given, attended by about 30 friends of the happy couple. Chas. Beasley, uncle of the bridegroom, was best man, and Mrs. Marjorie Beasley acted as bridesmaid.

The couple will make a trip to Chicago and Omaha for a honeymoon trip, and will return to Minnesota to make their home. Mr. John Beasley is the son of Mr. and Mrs. Edward Beasley, 5104 N. 17th, this city.

Omaha anxiously await the arrival of the newlyweds.

Omaha's most prominent cosmologist, Mrs. Alyce Wilson, 2529 Decatur street, recently returned from Chicago, with newer and better ideas on the new personality finger wave and the croquinole marcell.

LINCOLN NEWS

Colonel Millard Woods The Urban League Secretary Championed The Negro Division of the Chest Drive in Lincoln.

The Lincoln Community Chest marked another successful drive this year. The division B. to which belonged the Negro workers Millard Woods, Colonel, and Rev. O. J. Burkhardt, Captain was the first division to reach its goal. The Lincoln Chest Drive out of the 400 cities was the first to go over the top with a sum of six figures. Colonel Woods and Captain Burkhardt were elated over the splendid work done by their lieutenants and co-workers knowing the difficult problems they had to contend with this year in making the drive.

Mr. Trago McWilliams Sr., and Mrs. Maude Johnson were Captain Burkhardt's first choice as Lieutenants, but Mr. McWilliams business made such a demand on his time, that he was not able to fill the position as Lieutenant, but Mrs. Maude Johnson who don't know what defeat means left off with her usual skill and tact and starred. Mrs. Mamie Griffin well known in church and race work throughout the city and state made a fine showing though she worked under some handicap as a Lieutenant, and then our old friend Geo. B. Evans who was never known to say no, in doing anything to promote the interest of his race made a splendid Lieutenant, Mrs. Catherine Robinson was also chosen as a Lieutenant, and part of the time she was otherwise engaged but her husband James proved to be a valuable substitute in her absence, an between the two, real work was done. Mrs. Ollie Brewer who is a willing little worker accepted the position as Lieutenant and gave to the work what time she could which was highly appreciated, by both Colonel and Captain.

Time will not permit us to tell the great work done by the Lieutenants helpers among the foremost being Mrs. Pearl Chrisman, that sweet singer of Israel. Mrs. Sarah Walker, Mrs. Elizabeth Woods, Mrs. Ida Hassel, Mr. Kenneth Smith, Mrs. Ernest Woods, Mr. Burt Newton, Miss Olga Harris, Miss Teresa Crews, Mrs. Florence Chatman, Mrs. Florence Blooah, Mrs. Bassila Bell. These workers were all faithful, and did not only work, but gave of their own money to make the drive a success. The success of the Community Chest drive this year will doubtless mean much to the Negro population of Lincoln. Through the skill and diplomacy and racial interest of Millard Woods, who has the confidence and respect of the ones who are in a position to say how much of this money shall go to the different institutions meet their needs, Mr. Woods the efficient secretary, of the Urban League is acquainted with real need of his race group and never grows tired of making the same plain to those who are in a position to render aid to the help of the race.

This report is made by Captain Burkhardt.

EXPIRES

Mrs. Mary Obanion, 75, mother of Mrs. Amanda Offutt of Omaha and Mrs. Alice Grammer of Chicago, passed away September 30, at 3 a. m., at Hasting, Nebraska, and was buried October 3rd from the Myers Funeral Home with Rev. L. P. Bryant officiating. Interment was in Prospect Hill cemetery.

Mrs. Hiram R. Greenfield has returned home from Chicago, having spent a delightful ten days as the guest of Mrs. Nellie Moten and Elder Luey Smith. Many social courtesies were extended her by old friends who were amazed at the decided recovery Mrs. Greenfield has made from her severe illness of over two years.

Tuberculosis Death Rate Declines; 4 Cities Show Increase

Chicago, Oct. 12, (ANP) — Although four cities with Negro populations of 100,000 or over showed increases, death rate through the nation among colored from tuberculosis continued to decline in 1934, although at not so rapid a rate as during the preceding year. This decline, despite economic conditions, was revealed in an exclusive report to the Associated Negro Press by Godias J. Drolet, statistician and acting director of the New York Tuberculosis and Health Association.

The Drolet survey, which includes the 42 largest cities and the known mortality of their residents, both in town and in health resorts, reveals a death drop of five per cent in 1934 after a six per cent drop in 1933. Negro population in these cities totaled 2,759,702. In 1934, 6,096, or 220.9 per hundred thousand, died. The 1933 survey showed 6,217 deaths at a rate of 232.9. In the 42 cities for 1934 Negro mortality was 27.9 per cent of the total of 21,833 among both races.

Memphis Low, Atlanta High

Memphis showed the biggest decline of any of the major cities studied. It's 111,217 Negroes showed a drop of 20 per cent. New York, with 400,372, dropped 6 per cent; Chicago, 286,502, dropped 14; Detroit, with 152,918, dropped 14; New Orleans, with 141,532, dropped 12; Birmingham, with 111,036, dropped six tenths of one per cent; St. Louis, with 103,419, dropped 4.

Increased death rates from tuberculosis were shown in four cities, Atlanta, with 101,388 Negroes, increased 11 per cent; Washington, with 141,231, increased three tenths of one per cent; Baltimore, with 156,114, increased 10, and Philadelphia, with 254,997, increased 2.

Omaha Worst, Syracuse Best

The "best" and "worst" cities were not in the 100,000 class. Omaha showed the largest proportionate death rate rise, jumping 300 per cent in 1934 for its population of 11,459. However, Cincinnati retained its title as having the highest actual mortality with a death rate of 372 per 100,000, a rise of 3 per cent over 1933. Syracuse retained its title of "healthiest" city with only one death last year in its 2,163 Negro population, a decline of 4 per cent over 1933.

Houston's Cash Market Offers Good Service And Fine Groceries

Houston's Cash Market, 2114 N. 24th street, is now ready to serve its many friends and patrons with a complete line of fancy and staple groceries. According to Mr. L. B. Houston, who recently purchased the whole interest in the store, there is no fresher or purer line of foods in the city. The prices are among the lowest and the service is unexcelled.

Already the store has added another helper and as trade demands are increased the staff will be enlarged with Negro workers. The support of this store means the adding to the race more purchasing power and lessening the hold of other elements over our group in Omaha.

Mrs. Houston is always on hand at the store to give the personal service so necessary for the welfare of the public. Free Delivery and quick too is another feature of the store. Pay this store a visit when it's groceries that you need. When you make out your list this weekend include Houston's Market in your budget.

O. E. S. Hold Meeting

The W. G. Matron, Jennie R. Edwards, called the 1st O. E. S. Board meeting of Amaranthus Grand Chapter, Sunday afternoon, Oct. 6, at the residence of the 1st W. G. Trustee, Pearl M. Fletcher. Attending the session were: W. G. Deputy, Ella Hunter; W. G. Assor, Matron Hattie B. Knight, P. W. G. Matron, M. B. Ransome, W. G. Secy., M. B. Evans and Grand Master, Edward R. Fletcher. All W. Grand officers, but six, were present, making their first official appearance of the year.

To the strains of a spirited O. E. S. grand march by the W. G. Musical Directress, Eva DeLoach, the entire company, headed by W. G. Matron, moved to the beautiful festive board, the Grand Officers' table adorned with old point and Venetian lace held five lighted candles tied with five vari-colored silken ribbons which led to one large candle stick and there centered around a silver five-point star holding the vari-colored cluster of ribbons. The five-point vase star in the center of the square interspersed with ivory clad figures, gave a special significance to the guests, which was greatly admired and clearly understood by all. Dainty refreshments were served to the joyful company under the direction of W. G. Assor, Matron Hattie B. Knight.

On Monday evening, October 7th, the O. E. S. get together meeting of the 6 Omaha Chapters with the W. G. Matron, Jennie R. Edwards, Lincoln, Nebraska, was a splendid success, despite the inclement weather, between 75 and 80 members were present. The W. G. Matron gave a 40-minute practical talk, which covered various interesting phases of O. E. S. work; the innovation of the evening was the new O. E. S. choir

AMERICANS TELEPHONE MORE IN A MONTH THAN GERMANS IN A YEAR

★

The people of the United States lead the world in using the telephone. Germany ranks next to this country in number of telephones but Americans make more calls in a month than Germans do in a year.

The United States has more than half the world's telephones and averages 73,400,000 calls a day. It has the best and cheapest telephone service in the world.

This Company and other Bell companies are better able to meet your needs for telephone service than they otherwise would be because they have back of them the national resources of the American Telephone and Telegraph Company, the Bell Telephone Laboratories and the Western Electric Company.

The American Company coordinates the operations of its associated companies, furnishes them advice and assistance in all phases of telephone operations and owns and operates the long distance lines which tie them together. The Bell Laboratories carry on research to improve service and keep down its cost. The Western Electric Company manufactures standardized equipment of high quality.
