

# AMONG THE Churches

**THE CHURCH OF GOD**  
2025 N. 24th St.  
Rev. R. H. L. Moody, Pastor  
Wm. R. H. Jones, Organist, Rep.

Services were held as usual on last Sunday. The morning message was "Christian Suffering." "Forasmuch as Christ suffered in the flesh, arm yourself likewise."

Ps. 4:1. Though the methods of suffering have changed be armed to suffer for Christ; "for if we suffer, we shall reign with Him."

The evening message was, "Leoprosy—A Type of Sin." Inasmuch as a victim of leprosy was excluded from the camp—was walled in and had to follow certain rules as a sign of cleansing, so every one that is in sin is excommunicated from God's grace. One must repent, for his sins—forsake them and believe Jesus saves in order to be cleansed from this malady of sin.

The church welcomes Mrs. Arlene Webster, 1613 No. 23rd St., upon her return from East St. Louis, Ill.

**MT. MORIAH BAPTIST CHURCH**

24th and Ohio Streets  
Rev. F. P. Jones, pastor  
Forysteen Burroughs, reporter

The pastor has just returned from the National Baptist Convention filled with new inspiration, new zeal and many interesting facts to relate. He preached at the morning worship out of the very depths of his soul from the 6th chapter of the Song of Solomon. "The All Conquering Church" was the subject. We cannot say other than that the congregation enjoyed this wonderful sermon. Several out-of-town visitors were present, some of whom made some very inspiring talks. The pastor told us more about his trip to Jacksonville, Fla. So vivid was his explanations that one almost imagined himself right along with him as he told us more about the various cities throughout the journey. Also of interest was the tabernacle where the various sessions were held.

Next Sunday afternoon we are looking forward to the Men's 144 Community Day program at 3:00 o'clock.

Among the visitors present were Mrs. L. L. Mosley of North Little Rock, Ark., who is visiting Mr. and Mrs. A. Austin, 2604 No. 27th street; Mrs. Mosley intends to stay for a few days. She states that she is enjoying the cool breezes here in Omaha.

The sick are doing nicely. The pastor's birthday cake was won by Miss Dillworth of the Sunday school department. The lucky number was 85.

**METROPOLITAN SPIRITUAL CHURCH OF CHRIST**  
Rev. R. W. Johnson, Pastor  
Mrs. W. Vanner, Rep.

This is the television station, C. N. (Church News), coming to you through the facilities of the Metropolitan Spiritual Church of Christ. "Prayer Changes Things." Good morning ladies and gentlemen of the reading audience. Without prayer what would you do my friends? We all have to pray to receive what we desire in this world whether we want to or not. Prayer is the key to God's kingdom and faith unlocks the door. Prayer without faith is dead—prayer is a sincere desire of your soul. The Lord said if you could not find words to say, He would fill your mouth with words, did He not? In brief, Jesus has always been, and always will be the Light of the World. Steal away from the crowd and the world into your little secret closet or before your little altar that you have built, if you have one and pray a prayer to God. I am sorry that I haven't time to continue on the subject of prayer, for I feel that we all should know more about prayer. I will now give you a brief synopsis of the news of our church. At 11 a. m. that familiar voice, "The Lord is in his holy Temple, let all the earth keep silence before Him," echoed throughout the auditorium. The service opened with usual devotion. The choir sang several touching songs of Zion. Rev. Johnson preached a very interesting sermon from first John, 3-1, subject, "The Children of God." Rev.

Caldwell, Rev. White and Rev. Hill were present Sunday morning. At 8:00 o'clock the choir was marching again. Once again service opened. Rev. Johnson preached an interesting sermon from Ezekiel, 37-4, subject, "Hear the Word of God." Rev. Union was present on Sunday night. You too are welcome to worship with us.

**SECOND BAPTIST CHURCH**  
CLARINDA, IOWA

Sunday school was well attended by a lively class.

The morning service was in high spirit and all were glad to get the new song books. At evening service we held a pentecost shower. Mrs. G. Brooks was the visitor for the day.

On Sunday, Sept. 27, at 3:00 p. m. the Mitchell family of Marysville, Mo., will render a program for the Second Baptist church. You are invited to come and hear this special program.

**ST. JOHN A. M. E. CHURCH**  
"THE FRIENDLY CHURCH"  
10th Street and Wilis Avenue  
Rev. L. P. Bryant, Pastor  
L. A. M. V. Rep.

The Sunday school started the day at St. John last Sunday with a fairly good attendance.

It is true that the daily school work has started but the teachers are anxious that the children keep up their Sunday school work. Rev. Bryant preached at the morning service and Rev. W. S. Metcalf at the night service. Both preached very good sermons.

Rev. Bilbrew of Salem Baptist church preached at the afternoon service and his big choir and congregation came to help the Jr. Matron club in its new rally. Rev. Bilbrew is a fine speaker and always delivers a fine message to those who come to hear him. He and his congregation showed a very fine spirit of cooperation.

The club, members and friends are asked to turn in their money for conference claims as soon as possible. Rev. Bryant is very anxious to have his report come up to the standard. The time is drawing very near and it is very important to get the reports in. As the conference will be so near Omaha and so many of the members and friends of St. John will have a chance to be present, they should be all the more anxious to have St. John report a good assessment.

The sick of the church are reported as doing fine.

## NEW KITCHEN OPEN TUESDAY

A new red, white and blue electric servise kitchen of the Nebraska power company will be opened to the public Tuesday, Wednesday and Thursday. In addition to the regular office hours at which the kitchen may be seen, it will be kept open from 7 to 9 o'clock during the evenings so that business homemakers may view the newest in electrical kitchen equipment. The color scheme was designed and executed under the supervision of Mrs. B. E. Marsh, sales manager of the company.

Shading from dark blue at the baseboard, walls of the kitchen and auditorium are developed in three shades of blue, the divisions being marked by chromium bands. From the chalk white ceiling chromium lights brighten the room with a flame-like hue. This same shade of red is used as the tape on white Venetian blinds which shut out the daylight. Brilliant red is further employed in the chair seats of the auditorium and the lining of the white cupboards.

Curtains and cooking equipment carry out the red, white and blue color scheme. Electrical equipment includes a water heater, range, refrigerator, dish washer and even an electric waste unit, which grinds garbage into such small pieces that it can be rinsed down the sink outlet. The kitchen also is equipped with all kinds of electrical appliances, including mixer and coffee maker.

An independent air-conditioning system has been installed to dispel cooking odors.

The kitchen is in charge of Miss Alice Ward, the company's home service director.
