

Louis-Braddock Scuffle Is Planned for February

John Henry Lewis Sails for London

John Henry Lewis sails for London Wednesday night on the Queen Mary. The champ is slated to meet Len Harvey in a championship fight Nov. 9 at Wembley stadium. His entourage will consist of Larry Amadee, trainer; Red Bruce and "Honey Boy" Jones, as sparring partners. Larry Amadee was formerly assistant to Jack Blackburn in the Joe Louis stable, but now has sole charge of John Henry's training plans and quarters.

Tuskegee Humbles Howard University

Tuskegee, Ala., Oct. 18—After a lapse of twenty-five years in a game of football played in Washington in 1911, in which the Bisons turned back the Tigers, 19 to 0, Tuskegee got sweet revenge here last week by beating Howard university of Washington, 21 to 0.

K. C. BULLDOGS WIN OPENER 6-0

Failing to flash their apparent strength the Knoxville College Bulldogs won their opening game of the season against a stubborn Morrisville eleven by the score of 6-0 at Knoxville, last Friday afternoon.

A large crowd of fans who turned out to see the new edition of the Bulldogs left satisfied that the K. C. eleven has a powerful line and a fast back, despite the fact that individually the backs look good.

The game soon developed into a punting duel with neither team having a decided edge. Morrisville stamped down on the pass but failed to prove dangerous.

The lone tally of the game came early in the first quarter when McCrary, veteran K. C. end, blocked a punt and Christman, fresh fullback, recovered for Knoxville on the five-yard line. On the third down Madison carried the ball over the final marker. Attempted kick for point after was no good.

Morrisville made one very serious threat in the final moments of the game. A forty-five-yard pass, Mackey to Gordon, gave the visitors the ball on Knoxville's 18 line. Again they tried the pass method but to no avail and Knoxville took the ball on downs.

Knoxville at no time attempted anything spectacular but stuck to line plunges and end runs. They had the ball in their possession most of the game but lacked the punch to gain needed ground.

Chicago Eyes Annual Tuskegee-Wilberforce Clash at Soldiers Field

Chicago, Oct. 18 (ANP)—The Midwest's football-minded population has its eyes set on the annual game at Soldier's field Saturday afternoon when Coach Hank Coruth's Green Wave from Wilberforce university will try to deal dust to Coach Cleve Abbot's Tigers from down Tuskegee way. Because of the advance publicity given the game, a crowd of 20,000 is expected if the weather is fair. However, there are two attractions which may cut into attendance. At Evanston the Northwestern university team with two colored half-backs takes on the powerful Ohio State eleven while down state the Champaign there will be Iowa with its colored stars led by Oze Simmons trying to defeat Illinois.

Local interest, however, will focus on the Wilberforce-Tuskegee rivalry because of the infrequency in which college teams composed entirely of members of the race play in this territory. There is also the quality of uncertainty, for despite the fact that the southerners look stronger on paper, dope flies out the window when these two schools meet.

In order to put the finishing touches to his attack, Coach Coruth's last week had the Ohioans in a game in secret practice. Loss of 18 letter men has created quite a problem. Particular distressing is the center position which was filled last year by Pat McPherson, now coach at Mississippi M. and I. Substitutes also were graduated and an attempt has been made to plug this gap without great success. Jake Spalding, veteran tackle will also be out with a knee injury. However, the Force mentors have promised a wide open game with plenty of forward and lateral passes.

Tuskegee boasts a strong team scheduled to go places this year. The Alabamians have a veteran line plus several flashy backs, led by Halfback Green. They are expected to rely mainly on power plays directed at the weak spots of the Force line.

In the opening game with Howard, the Tigers won by a 21-0 score. The Green Wave was rolled back, 6-0, by West Kentucky to inaugurate the season but the squad has come far since then.

Tuskegee is due to arrive Thursday afternoon and will limber up in Washington park. Wilberforce will arrive Friday but no pre-game practice is scheduled.

MANAGER DENIES LOUIS ENDORSES ANY PARTY

Detroit, Oct. 15 (ANP)—Joe Louis, heavyweight fighter, has not endorsed President Roosevelt and other Democratic candidates for reelection, according to a statement issued last week by John Roxborough, co-manager of the fighter, and brother of Charles Roxborough, Congressional candidate here. In a telegram sent to Charles, the co-manager said: "Joe did not make endorsement of any party, for which he received favorable comment from many New York papers. Attended meeting in New Jersey at the request of Mayor Hague. Was supposed to be non-political, but one of those tricks they were indignant because Joe refused to make endorsements and sent fake bulletin."

BISHOP TOOKES AT SHORTER OPENING

North Little Rock, Ark., Oct. 18 (C)—Bishop H. Y. Tookes of the A. M. E. church was the main speaker at the opening of Shorter college last week. The school began its 52nd year.

Yale Greets Jesse

Stanford, Conn., Oct. 18 (C)—Faculty members and students of Yale university greeted Mr. and Mrs. Jesse Owens when they appeared here last week on a whirlwind tour through the east for London and Knox. Jesse was congratulated on his Olympic exploits. Attorney Oliver Randolph, head of the eastern GOP publicity department of the colored division, is touring and speaking with Jesse

HINTS THAT BOMBER BEING SIDETRACKED FROM TITLE

Joe Louis may meet Jimmy Braddock in February. News of that the great Negro fighter will be matched against the world's heavyweight champion stirred those who have watched the Brown Bomber fight his way up from the amateur ranks.

There will, however be disappointment when it is known that the bout will be a non-title go—if it is held.

Here's the slant: The only box office attraction in the fight game today is Louis. The powers-that-be have temporarily contracted to make Max Schmeling the next champion Mike Jacobs and Madison Square Garden hold the cards in the fight game. Braddock is a vassal of the Garden, which does not want him to fight anyone before he is knocked silly by Schmeling, inasmuch as Braddock may be knocked silly by most anyone else.

In order to keep the golden stream of money flowing into their coffers, Mike Jacobs, representing Louis, and Joe Gould, representing Braddock, plan to arrange the logical bout early in the spring—said logical bout being between Louis and Braddock.

The only legal way they can get around their obligations to the Garden is by making the bout not for the title.

This is, of course, ridiculous. If Louis is to fight Braddock it should be for fistie supremacy, as it will be for wealth.

A Riff in the Lute There is, however, a little riff in the managerial lutes. The fans have it in their power to make Joe Louis champion, no matter how many managers or boxing commissions stand in his way. Louis figures to defeat Braddock as easily as he knocked over Al Ettore. The only bout in which Braddock has shown any form was the one in which he outpointed the flabby and carefree Max Bear. The present champion was ordered out of the ring by a referee three years ago when he and Ettore put on a fight that was an obvious farce.

It is said that the decision as to whether the Braddock bout will take place rests with Louis and Louis' managers. Such a fight would draw a million dollar gate, if held in the Olympic Stadium on Feb. 23rd. Another possible location for the fight is the convention auditorium in Atlantic City on the same day. Braddock is being offered \$500,000 guarantee for the fight Exchange.
