

METROPOLITAN SPIRITUAL

Sunday was Royal Sunday at the Metropolitan. Rev. Johnson preached a wonderful sermon at 11:00 o'clock from St. John 21:3. Subject, "I Go Fishing." The out-of-town visitors Sunday morning were Mr. and Mrs. G. Harrington of Michigan and Mr. G. Rector from Rev. Steward's church in St. Louis. We are always happy to have out-of-town visitors to worship with us. At 3:00 o'clock the Busy Bee sponsored a pep rally. Rev. Phillips was in charge. Rev. Phillips spoke from Corinthians 7:23. Subject, "Ye are bought with a price; be not ye the servants of men." Rev. Phillips is a wonderful speaker. We Metropolitan stand ready to go to Rev. Phillips at any time he calls us. The pep rally was a great success. Sunday night the church was filled to witness the sermon that God spoke through Rev. Johnson to us. He spoke from Acts 1:4, subject, "A Solid Foundation." Beginning Monday night is special help week. Bishop Taylor will be with us from Wednesday night until Thursday night. Come and hear what the Bishop has to say. You are always welcome. The sick of the church is Mrs. Merrel, 27th and Parker and Mrs. Perkins 1105 No. 19th street. Rev. Johnson and the choir closed the service for the white spiritual convention at 21st and Cuming streets on Thursday night of last week. They were very much pleased with the way the program was carried out.

THE CHURCH OF GOD

2025 No. 24th Street
Elder Robert L. Moody, Pastor
Mrs. Edna W. Moody, Reporter

Much inspiration is being received by the officials because of the growing interest in the Sunday school. We extend our invitation continually to the visitors and new students. Morning services were good. The message was "God's Love." Nothing explains our proof of having the love of God than the following text: "Beloved, if God so loved us, we ought also to love one another." "If a man says I love God and hateth his brother he is a liar, for he that loveth not his brother whom he hath seen, how can he love God whom he hath not seen?" I Jno. 4:11,20.
At evening worship Elder Goodwin and the Christ Temple congregation worshipped with us. We really enjoyed the subject. "The Peace of God that Passeth All Understanding." Our constant prayer should be that we always keep this "peace" in our hearts. The entire service was very uplifting. The pastor has just returned from the interstate ministerial meeting of the Church of God at Junction City, Kas. The meeting was very helpful. Much encouragement was received from observing the congregation through Kansas, especially the 11th and Freeman Congregation at Kansas City. We extend a call to all genuine Christians to help us promote the Kingdom of God.

U. is pleased to announce the banquet success and president Cooper honestly believes he has

the most loyal co-workers in the city. Pastor Bilbrew brought us two burning messages. 11:00 a. m. text Eph. 1:22; 8:00 p. m. text, Sec. Kings 5:3. Omaha, you who haven't heard this great minister are missing a treat. Salem choir with Mr. H. L. Preston, radio artist as director, is 100 per cent improved and is holding the audience spellbound. ST. JOHN A. M. E. CHURCH

"The Friendly Church"
Rev. R. A. Adams, Pastor

Last Sunday was the first Sunday of this conference year and everything started out with a bang. The Sunday school attendance was not up to normal but we hope to have it so in a short while. Rev. Adams, the new pastor, was present and preached a very fine sermon from Revelations the third chapter and the 11th verse. He took as his text "Hold Fast." He said that Calvanism shows that our destiny depends on God and Almenians says we must hold on to God, and this responsibility is placed on man. He said the church should be separated from the worldly things. It is so nearly combined to the worldly things that it can not do the work it is supposed to do. The church should be in the world and not the world in the church. We must have faith in humanity and ourselves if we are to be of very much service. The new pastor called a general board meet-

ing last Monday night to discuss some of the work of the church for the conference year. The membership seemed to be very pleased with his program so far as it was outlined. There were several visitors present and they are always welcome to St. John. The members and friends of St. John regret very much to hear of the accident of Mr. C. C. Galloway of the Omaha Guide, who was in an automobile accident enroute to Iowa City a few days ago. The sick of the church are reported as doing fine. We wish for them a speedy recovery.

The Omaha Guide
Omaha, Nebr.

Many thanks to the Guide, especially for the article "Why Negroes should vote for re-election of Roosevelt" by Kelly Miller in the Oct. 10 number. I always appreciate the writing of this old noble soul and would indeed like to see them more often in the Guide. In this article we have the basic explanation from its birth on till now of the Republican party, once the Grand Old Party and now the party, wish would sacrifice its moral birthright for a mess of pottage, etc. Not any commenting of me on the political standings of groups or individuals will be done, but for those who might be interested in the history of the Republican, it would be profitable to read and ponder, this article in the Guide of Oct. 10th by Kelly Miller. There might be some numbers left in the Guide office.
Yours

CHILDREN'S BOOK HAS INSULTING WORD IN IT

New York, Oct. 24—A promise that the next edition of a children's book, "The Adventures of Wong Wing Wu," will not contain the word "nigger" was made to the NAACP by the Artist and Writers Guild, Inc., of Poughkeepsie, N. Y., publishers. The editors wrote the NAACP that they did not realize when the book was in preparation that the word carried with it any derogatory meaning, but stated that since receiving the complaint they had investigated and found that the word does have "unpleasant associations in many communities" and that they will change it in the next edition. The word was discovered when Miss Catherine T. Freland, sec'y to Walter White of the NAACP, bought the book and began reading it one evening to her little nephew.

Geyser Forms Giant Mushroom

AN UNUSUAL PHOTOGRAPH of the world famous Old Faithful Geyser in Yellowstone National Park. With clock-like regularity Old Faithful spouts a mighty stream of boiling water 120 feet into the air, preceding this performance with a growling, rumbling, hissing prodrome. The capriciousness of wind and clouds sometimes forms unique pictures in combination with the mighty water gusher.

BOYS AND CRIME DISCUSSED AT "Y"

Chicago, Oct. 24 (ANP)—George E. Q. Johnson, former United States District Attorney and Federal Court Judge here, who as federal prosecutor sent Al Capone and many of Chicago's worst gangsters to prison, was principal speaker at the membership rally of the Wabash Avenue YMCA here Thursday night.
Judge Johnson said that out of his vast experience, he had grown from believing that crime was a by-product of civilization to the realization that poor neighborhoods, vicious economic and moral conditions, run down homes, and neglected boys and girls were the chief contributors to crime.
"Race does not matter," said Judge Johnson. "Show me your delinquent boy or girl of today, and I'll show you your gangster of ten years later."
The local campaign marked the YMCA's 25th anniversary, the Chicago building being the first erected by Julius Rosenwald. Three hundred men and women crowded the banquet table as the campaign got under way with great enthusiasm. Other speakers were Civil Service Commissioner Wendell E. Green, Attorney William Haynes, and Joseph Jefferson, of the "Y" staff, who gave an inspiring account of his trip to Berlin and Paris last summer.

"KING COTTON" WILL HAVE TO SHARE THRONE

Birmingham, Ala., Oct. 24 (C)—"King Cotton" is finally toppling from his throne in the south. The Birmingham Age-Herald said editorially last Saturday: "King Cotton must share his throne in Alabama the facts are overwhelming. We must face them. That does not mean that the industry of this state is no longer agriculture. As a matter of fact it is. But beside raising cotton, Alabama is suited in every way to become one of the first cattle raising states in the country. Corn, oats and hay thrive all over this state, particularly in the Black Belt. And there is money to be got from the meat markets of the world."

Mrs. A. Williams, formerly of 2423 Erskine street, now of 2216 Grace street, and Mrs. Adell Saunders, sisters, left Omaha Tuesday, October 20th at 8:00 p.m. for New Orleans to attend the funeral of their brother. They will be gone about a month.

Miss Lenora Deshazer of Monticello, Ark., will visit her father Mr. Arnekel Deshazer of 2201 No. 25th street.

Granddaughter Of Frederick Douglass Visits In Omaha

(Continued from Page 1)
for truly they have much in common, inasmuch as both are working for the same cause.
Mrs. Perry, the wife of Dr. John Edward Perry, prominent physician of Kansas City, is a substitute teacher in the Kansas City schools. Despite the fact that no married women are supposed to teach in Kansas City schools, Mrs. Perry has been retained as a substitute teacher in recognition of the extraordinary work done by her along that line. She was the first Home Economics teacher the city had. Prior to that she was a Home Economics teacher in Lincoln university, Jefferson City, Mo.
Some three weeks ago Mrs. Perry was notified to report to the National Republican headquarters at Chicago. From there she began her tour.
It is Mrs. Perry's earnest desire to put over the program fostered by her grandfather and to offset the terrible onslaught brought about by the Democrats. It is ridiculous, she will tell you, for a person to say he owes nothing to the Republican party—we who have so recently seen Emancipation. She feels as the Hon. Perry Howard said that there are no Democratic born Negroes—but the Negro Democrat of today is nothing but a "mad" or "sore Republican."
The Republicans are facing an issue today never before faced since before Emancipation. To sit idly by when thousands of other Republicans are making such a valiant effort to keep the head of this grand old party above the water would be a reflection upon her and upon the principles for which her grandfather represented Mrs. Perry stated.
Dr. Perry is recognized throughout the country as one of the leading physicians and skilled surgeons the race has ever produced. His Wheatley Provident hospital has served for a number of years as a training school for nurses, and gives to our young Negro physicians an opportunity for internship. Omaha can boast of having two young women to graduate from that school, namely: Miss Azelle Longmeyer and Miss Evelyn Evans.
When recently a search was made for a doctor to conduct the new Pediatric department of the Provident hospital in New York, it was only natural that the searchers should go to Dr. Perry's hospital. Dr. Maddox, of Dr. Perry's hospital was chosen to fill this important position.
Dr. Perry is the surgeon for the Sante Fe railroad and the Kansas City Street railway company. Last but not least, he is a staunch Republican.

\$661,291.00 PROPOSED BOND ISSUE WILL NOT HELP SAYS "BILL" NORMAN

Douglas County would not now be broke, in the opinion of Wm. J. "Bill" Norman, candidate for the county commissioner, had a close check been kept on expenditures during the past fiscal year.
"With the establishment of a liberal budget for county operations, county departments far exceeded the budget and today the county is without funds and credit is exhausted."
"Even the \$661,291.00 proposed bond issue will not help. The burden will merely be lifted to the already overladen backs of the taxpayers. With the county commissioners setting the example of indiscriminate expenditure, Out of thirty, all but nine departments exceeded their budgets.
"Under the budget the county was pledged to remain within the limits of the sum of \$1,073,740.00, a liberal estimate for all county operations. At the end of the budget year, August 1936, quantities of red ink were needed when it was found that the commissioners and the department heads had exceeded the budget by \$74,977.09.
"Residents of Douglas County will not look kindly toward a bond issue. It has been many years since such drastic action has been necessary. Personally, I do not believe a bond issue necessary. I think with careful business methods employed during the next fiscal year, some of the deficit can be made up."
"Then too, while I have been an employer of labor for years and believe in a living wage, I do not think it good business when \$372,000, of the \$1,148,717 is spent for salaries. Overlapping and duplication of county operations is one reason for the high salary list. A close co-ordination of operations would eliminate this."
