### WHY I SHOULD VOTE FOR PRESIDENT ROOSEVELT

By Charles F. Davis  
Director Democratic Campaign  
President Roosevelt entered upon his duties in March 1933, during the greatest upheaval this country has ever known. Out of chaos, despair, financial ruin and general unrest, he has with the aid of a Democratic Congress dispelled fear, restored the peoples confidence in their government and placed the nation on a high road to prosperity.

Such a herculean feat demonstrates this man's ability to fill the office of chief executive and he merits the undying support on election day of every man and woman honestly interested in the welfare of this nation. Franklin Delano Roosevelt must be re-elected.

### WHY I SHOULD VOTE FOR GOVERNOR ALF LANDON

By Ray Lawrence Williams

This campaign is a challenge to all Americans and the Negro in particular. He must beat both the dictators and the Communists. This service can be performed in only one way in the present crisis: by voting for Governor Landon November 3rd for president.
