ADAMS IS VICTOR IN 5TH DISTRICT

Nation Reelects Franklin D. Roosevelt

Scores Great Victory In Race For Legislature

Mitchell Is Returned To U.S. Congress

Chicago — Congressman Arthur W. Mitchell, attorney, was re-elected from the first Illinois congressional district in Tuesday's Democratic landslide over his opponent Oscar DePriest, former Kansan.

In the Democratic avalanche which swept Illinois as well as the nation Arthur W. Mitchell defeated former Congressman Oscar DePriest, Republican by a vote of 35,830 to 28,182.

Although DePriest waged a strong campaign he was unable to withstand the welter of straight Democratic votes. It was not until 1:30 a. m. Wednesday that DePriest conceded his defeat to the Democrat.

Good Loser

With his head bowed and accompanied by his son, O. Stanton DePriest, the former Congressman left his campaign headquarters and told his campaign manager, Fred Morris to take charge. At that time there were still six precincts missing.

"I'm still a good loser," he said. "I had expected such an outcome along with a Democratic landslide." DePriest blamed political leaders of the Second ward for his defeat. He said they had failed to cooperate.

Jubilant after returns showed him victorious Congressman Mitchell left his campaign headquarters at 3 a. m. in company with his secretary, Claud Holman.

"I am going to carry on for Roosevelt and his program," he said. "I am going back to Congress to make history."

Congressman Mitchell piled up a record vote in the First ward and a fairly good vote in the Second ward. Incidentally, Congressman Mitchell is the only member of the race to win a seat in Congress in this nation-wide Democratic landslide.

When the smoke of battle had cleared away, the trench fighters of the Republican party gathered up their wounded and dead and repaired to political seclusion to take stock with their fortunes and failures.

For the first time in 25 years, the Literary Digest failed to score in its presidential polls. It had given the Kansas governor a 2 to 1 victory in the electoral vote. Instead Roosevelt trounced Landon by more than 2 to 1 vote.

President Franklin Delano Roosevelt

Loses Only 2 States

President Roosevelt swept the country on Tuesday like a cyclone to defeat his Republican opponent with the largest majority known to American politics. Landon and the G. O. P. suffered a devastating defeat.

Only Maine and Vermont remained in the Republican column.

President Roosevelt won 46 of the 48 states.

The Negro vote played an important part in the election. Returns in cities like Kansas City, Mo.; Chicago; New York, Philadelphia; Detroit; Cincinnati and others show that the Negro vote runs high for the president.

In Omaha all of the colored wards went for Roosevelt.

In Chicago, in Negro wards which heretofore have been Republican, the new deal won out.

In Kansas City, Negro precincts went overwhelmingly Democratic while the city voted 3 to 1 for Roosevelt.

John Adams jr. popular young Omaha attorney will be one of the 43 members of the newly organized house of representatives when they meet for the first time next year.
