Don't put up with useless PAIN Get rid of it if you can

For the functional pains of menstruation, take CARDUI. If it doesn't benefit you, consult a physician. Don't neglect such pains. They depress the tone of the nerves, cause sleeplessness, loss of appetite and wear out a woman's resistance. Get a bottle of Cardui and find out by trying it whether it will help you like thousands of women have said it helped them. Besides easing certain pains, Cardui aids in building up the whole system by helping women to get more strength from the food they eat.

CARDUI for Women
