MT. MORIAH BAPTIST CHURCH

24th and Ohb Streets Rev. F. P. Jones, Pastor Forysteen Burroughs, Reporter

A New Year and the first Sunday in the New Year! This was a day of rejoicing for every true child of God. Each one brushed up within himself and renewed his covenant with God, resolving never to turn back, but to grow a little stronger in faith, to sacrifice a little more and in every way striving daily to reach "the mark of the high calling which is in Jesus."

The Sunday school was as usual at the appointed hour. This department elected Mr. D. Stith, formerly of Lincoln, Nebr., as their new superintendent for the year 1937.

The morning service was turned over to the congregation and each one expressed his or her determination. At the close of this part of the service, Rev. Jones told of a dream or vision that came to him just prior to his taking up the charge here. We must say that we believe each member was deeply impressed by the relating of this unique experience and will strive to profit by it. The right hand of fellowship was given to new members.

The evening service was the ob-

servance of the Lord's Supper, after listening to a sermonette by the pastor. The new members were added to the church.

The sick list remains the same with a few new names added. Please remember them by visits and in prayer.

Mr. and Mrs. Miles Spese, 2618 No. 27th St. gave a New Year's dinner honoring members of their family. Those present were Mr. and Mrs. A. Rice and daughter, Betty Ann; Mr. and Mrs. C. McBay of Creston, Ia.; Mr. and Mrs. Wm. Baltimore, Jr., Mr. and Mrs. Harry Spese, Mrs. E. Gardiner and daughter, Delia Mae; and Mr. and Mrs. N. Williams. The centerpiece for the dining table was a large Christmas cactus. Each guest spent an enjoyable day and relished immediately the dinner prepared by their congenial hostess.

Mrs. Carrie Austin, 2604 No. 27th St., entertained at her home on Dec. 28th with a formal party in honor of the Needle Craft Guild. Each member invited a guest. The church extends New Year's greetings to all.

METROPOLITAN SPIRITUAL CHURCH

Rev. Johnson, Pastor Mrs. Wila Varner, Reporter

The services for this week past were impressive. At the morning worship the pastor preached from St. Matthew 16:22. "Then Peter took him and began to rebuke him saying, Be it far from thee, Lord: this shall not be unto thee." Subject, "Lord Is It I."

At 6 o'clock the president opened the union. The attendance was good. The lesson was taken from the first chapter of Luke. Rev. Garnett, our assistant pastor brought many interesting thoughts from the lesson.

At the evening worship Rev. Johnson preached from Jeremiah 18:6. Those who witnessed this powerful sermon were made to rejoice. One soul was united to the church. We invite you to come to church Sunday evening on Jan. 10th, at 3 p. m. and hear Rev. Phillips for Bethel A.M.E. church. We are putting on a great drive so we invite you to come and help us put the program over for God.

CHURCH OF GOD 2025 North 24th Street R. L. Moody, Minister Mrs. Edna W. Moody, Reporter

The services for January 3rd were very instructive and inspiring. Miss Elleza Victoria Williams spoke three times. Each time her message was searching and thought provoking.

We invite our friends to come and hear her. She will speak at 3 p. m. on Jan. 10th, if the Lord permits.

MT. NEBO BAPTIST CHURCH 3211 Pinkney Street Rev. J. G. Gates, Pastor U. L. Billingsley, Reporter

Sunday school was well attended especially in the midst of the cold wave. Morning services were conducted by the pastor. A meeting of testimonial praises to God, in adoration to Him for a successful year was witnessed.

BYPU is doing fine. For the evening worship, Rev. Gates delivered a very profound message. He used as a text, "I come in the name of the Lord," after which the Lord's Supper was served. Mrs. U. L. Billingsley, president of the Union Mission, wishes to announce a meeting of the executive board on Sunday, Jan. 10th at Paradise Baptist church at 3 p. m. All members are urged to be present.

CHURCH OF THE LIVING GOD C. M. F. F.

2316 North 25th Street Elder Green, Pastor Mrs. C. A. Brayboy, Reporter

Sunday school met at the usual hour—9:30 a. m. The lesson was taken from St. John 1:18. Many good thoughts were taken from the lesson. At 11:30 the pastor brought us a wonderful message. One soul as united with the church. At 3:30 the program was very successful. Rev. Steal preached a noble sermon from Isaiah 6:8. At 8:30 the pastor brought another burning message. The program scheduled for the second Sunday in January is changed to the 4th. Come one, come all, to the homecoming program.

TRINITY BAPTIST CHURCH 1837 North 24th Street Rev. W. L. Canady, Pastor W. B. Robinson, Reporter

Our church has been doing some very tangible work under the pastor, N. C. Cannon, but beginning with Sunday, Jan. 10th, Rev. W. L. Canady, now assistant pastor, will be in charge of the church. Dr. Cannon, the pastor, has been appointed to do some research work which will take him as far east as New York and as far south as Memphis, Tenn. He will devote most of his time to that work for a long period serving us when it is possible to do so. Rev. P. M. Harris, State Missionary of the New Era Baptist State Association of the State of Nebraska, has been asked to give us as much of his time as possible in helping us to carry on in His Name that doeth all things well.

PLATFORM OF THE OMAHA GUIDE

Race prejudice must go. The Fatherhood of God and the Brotherhood of man must prevail. These are the only principles which will stand the acid test of good citizenship in time of peace, war and death.

(1) We must have our pro-rata of employment in businesses to which we give our patronage, such as grocery stores, laundries, furniture stores, department stores and coal companies, in fact every concern which we support. We must give our citizens the change to live respectably. We are tired of educating our children and permitting them to remain economic slaves and enter into lives of shame.

(2) Our pro-rata of employment for the patronage to our public corporations such as railroad companies, the street car company, the Nebraska Power company, the Northwestern Bell Telephone company and other establishments which we are forced to support by right of franchise. Also our pro-rata of employment in return for the taxes we pay in our city, county, state and federal government.

(3) To encourage the establishment of a first class hospital that we may get the best that here is in medical science from our doctors whom we know to be nearest to us, also to encourage a high respect of them and encourage more of our girls to take nurses training.

(4) An one hundred per cent department of our citizens in our public or private places of business, especially on street cars. If we are to be respected we must act respectably, especially in public places where we are constantly before the public's eye.

(5) A one hundred per cent membership in the Omaha branch of the N. A. A. C. P. should be had to encourage the efforts put forth by the founders of the organization and to assist the general office to establish a five million dollar endowment fund to maintain operating expenses and to further the principles of the N. A. A. C. P. All people of all races must be educated up to a higher principle and a more thorough understanding of inter-racial relationship that our country may in reality be a government of the people, for the people and by the people, in whole and not in part.

(6) The re-establishment of the Christian Religion as Christ taught it, for the uplifting of mankind, eliminating financial and personal gain. A practical Christian religion, week days as well as Sunday. An attitude toward our fellowman as a brother in order to establish a principle which will guide the destiny of each other's children, our neighbor's children today are our children tomorrow.

(7) Courteous treatment in all places of business and the enforcement of the State Civil right law.

(8) To encourage and assist in the establishment of the following financial institutions near 24th and Lake streets: A building and Loan association, a state bank, and, also, a first-class trust company for the purpose of administering aid and assistance to our widows and children.

(9) To encourage the erection of a one hundred thousand dollar Young Men's Christian association building near 24th and Lake streets.

(10) To enlarge the Young Women's Christian Association that it may supply sufficient dormitory accommodations.

(11) To teach our citizens to live economically within their earning capacity by printing in each issue a budget system for various salaries.

(12) To make Omaha a better city in which to live by inaugurating a more cosmopolitan spirit among our American citizens.

(13) To put a stop to the Divorce Evil by passing a state law making the mistreatment of a wife or a husband by either of them a criminal offense to be decided by a jury, first offense, jail sentence of a short duration, second offense one of longer duration, third offense from one to five years in the penitentiary. This, we believe, will make men and women think before marrying.

(14) We must become owners of our city government by paying a seemingly higher salary to those whom we employ to administer its affairs, a salary that will attract men of high caliber.

NATIONAL

(1) Fight for a passage of the Dyer Anti Lynch bill and thus stop the shameful lynching of American citizens.

(2) One of our citizens in the president's cabinet.

(3) Federal control of the educational system that every child must have a high school education.

(4) Assist in the furtherance of research by our scientists and Historians to prove that civilization was first founded in Africa.

(5) Establish a political influence which will bring about our pro-rata of higher appointments made by our chief executives.

(6) Stop graft in politics by passing a Federal Law making election day a legal holiday and compelling every American citizen of voting age to vote.

(7) Prevent further wars by teaching the so-called white race that it is high time for them to quit fooling themselves about white supremacy with only three-tenths of this world's population. They must be taught that color is due to climatic conditions. They must be taught that seven-tenths of the world's population is made up of darker races. They must be taught that the rays of the sun that blazes upon the equator and turn the skin brown do not effect the power of the brain any more than the coldness of icy glaciers effect the brain of the white race; and that the darker races will not continue to be crushed by a money mad fed. If the Fatherhood of God and the Brotherhood of man are not welded into the hearts of this world's family now, by teaching the principles laid down by our Saviour, it will be welded into the hearts of our children some day, soon, on the bloodiest battlefield this world has ever known.
