He Who Trusts In Him

(By Theresa Myers Skinner)

God takes care of him who in Him trusts,
And opens ways for the most of us.
Sometimes we do not see nor understand
Yet the way is there at our command.

He's always there by our side,
Our ever helpful, patient guide.
Sometimes, we do not think or care
Or even know that He is near.

Until troubles upon us through
And everything seems to go wrong.
Then it's to Him we gladly plead,
For He answers our every need.

Willingly, without a doubt
He loves us all, or He would not
Be near us waiting for our call,
Helping everyone and all.

Strengthening our faith in Him,
Forgiving us who are in sin.
Always near, our patient friend,
If we but love and trust in Him.

HOW OFTEN CAN YOU KISS AND MAKE UP?
NEW husbands can understand why a wife should turn from a pleasant companion into a shrew for one whole week in every month. You can say "I'm sorry" and kiss and make up easier before marriage than after. Bewise! You want to hold your husband, you won't be a three-quarter wife.
For three generations one woman has told another how to go "smiling through" with Lydia E. Pinkham's Vegetable Compound. It helps Nature tone up the system, thus lessening the discomforts from the functional disorders which women must endure in the three ordeals of life: 1. Turning from girlhood to womanhood. 2. Preparing for motherhood. 3. Approaching "middle age."
Don't be a three-quarter wife, take LYDIA E. PINKHAM'S VEGETABLE COMPOUND and Go "Smiling Through!"
