**CHURCH OF GOD**  
2925 North 24 Street  
R. L. MOODY, Pastor  
Edna W. Moody, Reporter

Services for last Sunday were good. The pastor preached on the "Priesthood of Christ." In comparison with Israelite priesthood, we truly have an exceedingly great and precious promise fulfilled. "Seeing then that we have a great high priest, Jesus, the Son of God, let us hold fast our profession." Hebrews 4:14.

Mrs. Elida Sawyer, a local minister, preached a challenging message on "Being Filled with the Spirit." Surely no vessel can be filled with a substance until it is first empty of everything else. So, being filled with the spirit, one must first be empty of sin and selfishness before a filling is possible.  
Everyone is invited to attend the Bible class on Wednesday evening at eight.

You are always welcome to worship with us.

**CLARINDA, IOWA SECOND BAPTIST CHURCH**  
Rev. D. Nicholson, Pastor

Sunday school was in a high mood with the assistant superintendent in charge. The pastor, who has been absent for three weeks on account of the weather, was out. Morning services were well attended. The evening service was a high light of the day. Those present possessed a new spirit to put over a greater program this year. Mr. Dunn, an old citizen of Clarinda, died last week. The wedding of Mr. George Cason was made known Sunday.

**OLEAVES TEMPLE CHURCH**  
23th and Decatur Streets  
Rev. D. W. Bass, Pastor  
Henryetta Makins, Reporter

Our thought for the week, Colossians 3:2. Set your affections on things which are above, not on things on the earth.  
Sunday, Jan. 24th, dawned moderately cold, but with a beautiful sunshine. Did you attend church somewhere? If not, try to meet us next week regardless of the weather.

With Sunday school well attended, the day began well. Rev. F. C. Williams spoke for the junior church. Rev. D. W. Bass preached the morning sermon from the book of St. John, 3:3. "Jesus answered and said unto him; verily, verily I say unto thee, except a man be born again he cannot see the Kingdom of God." The text was, "Ye must be born again." After the sermon Messrs. Charles Garland and Ross Fountain were baptized.

Dr. A. L. Hawkins spoke at the Epworth League. His theme, "The needs of the Negro this day," was of vital importance, inasmuch as he emphasized the facts that the Negro need higher school standards and more self confidence. Rev. Bass again preached at night from Rev. 2:11, "He that hath an ear, let him hear what the spirit saith unto the churches. He that overcometh shall not be hurt of the second death." The text was, God's message to the church.  
Mrs. Bessie Davis and Mrs. Mary Montgomery were both sufficiently recovered enough to attend church. We pray that they and many others that are ill may continue to improve.

The Loyal Matrons will be guests of the Forward Step club at the installation at the home of Mr. and Mrs. Therone Roberts, 2610 Decatur on Tuesday evening.

Rev. D. W. Bass will leave Tuesday night for Warrensburg, Mo., to attend the January council. He will return the end of the week.

The Loyal Matrons pew rally given Sunday night was very successful.

Mr. and Mrs. Kimbrough are slightly improved after being quite seriously ill. Mrs. B. Gray is quite ill at her home, 2210 No. 27th Ave.

The Young People's club are planning a program for Negro Week. Watch the Guide for definite announcement.

The Loyal Matrons will meet next week at the home of Mrs. Bertha Bell, 2631 Binney, as guests of Mrs. Henryetta Makins.

**MT. MORIAH BAPTIST CHURCH**  
24th and Ohio Streets  
Rev. F. P. Jones, Pastor  
Forysteen Burroughs, Reporter

"I will hear what God, the Lord, will speak: for He will speak peace unto His people, and to His saints, but let them not turn again to folly." Psalms 85:8.

The above Psalms was the background for the morning lesson. "I Will Listen In," was the interesting subject. The radio was used as the modern illustration and many good thoughts were revealed. Ignorance and indifference was classed as the static that often hinders Christians from listening clearly to what God has to reveal.

Sickness claims a great many of the members. Those whose progress is slow are Mrs. Jackson, 1814 No. 28th St.; Mrs. Davidson, county hospital; Mrs. Julia Henry, 2305 Corby; and Mrs. Wright. New names added to the sick list are Dwight Stith, University hospital; Mrs. Mary Towles and Mrs. James Lindsay.

Miss Anna Belle Thomas, of St. John Church, was a visitor during the morning worship.

The Usher Board announces the marriage of one of its members, Miss Anna Williams, who is now Mrs. Long.

Next Sunday afternoon at 3 p. m. will be the installation services of the newly elected officers. Ordination services for five deacons will also be at this hour. Everyone is invited to attend.

Visitors, friends and well wishers are always welcome.

**ECONOMY TAILOR**  
Chas. M. Simmons, Prop.  
1812 N. 24th St. WE. 6370

**BETHEL A. M. E. CHURCH**  
2428 Franklin Street  
Rev. A. Phillips, Pastor

Sunday school opened at the usual time with many in attendance. At 11 a. m. Rev. White delivered a very thoughtful message which was well received by the congregation. Rev. Adams also gave a brief address concerning the present conditions of various AME church connections as he found them during his recent tour of the country. In the afternoon, Rev. Phillips, Rev. D. Severson and Rev. O. Butler motored to Fremont, Neb. where they took part in the quality meeting at St. James AME church of that city of which the Rev. H. Pigge is pastor. The ACE League met at 6 p. m. We invite all parents and children in our vicinity to attend our league and enjoy our lesson topics and programs. The lesson for Sunday, January 31st, is "What Do I Know About My Church?" Scripture lesson, I Tim. 3:14-16.  
Visit Bethel next Sunday. You will never regret it.

**MT. NEBO BAPTIST CHURCH**  
3211 Pinkney Street  
Rev. J. G. Gates, Pastor  
Mrs. U. L. Billingsley, Reporter

Sunday school opened at the usual hour. Our lessons are beautifully portrayed that all might get the best instructive help.

Eleven o'clock services were conducted by the pastor. The text used from Luke 8:25 "What manner of man is this: for he commandeth even the winds and water, and they obey Him."

3 o'clock services were held with the Union Mission at the Paradise Baptist church. This was enjoyed very much by all. Rev. J. G. Gates delivered the message.

BYPU looks very promising with Rev. J. H. Harris doing his best. Evening services were conducted by the pastor. Rev. Harris preached, without knowledge, the same subject used for the morning services. Nevertheless, it was brought in a different light and much food for thought was delivered from it.

**PLEASANT GREEN BAPTIST CHURCH**  
27th and Franklin Streets  
Rev. J. H. Reynolds, Pastor  
Mrs. Lottie Keyes, Reporter

Sunday school at 9 a. m. was well attended. We had 57 out for Sunday school. Service was at 11 a. m. Rev. Green preached the morning and evening sermons, which were well attended. Everyone enjoyed Rev. Green's talk and the spirit was really felt. Rev. J. H. Reynolds is out of town running a ten-day revival meeting. BYPU meets at 6 p. m.

The Missionary Circle of Pleasant Green church met at 2 p. m. Thursday at the church. Mrs. J. Jackson, president; Mrs. L. Keys, secretary.

The Missionary Sermon will be preached Jan. 31st at 3 p. m. Everyone is welcome.

Mrs. Burl is sick in a local hospital.

## "The Telephone Gives Me More Time to Enjoy My Friends"

This remark by one of our customers expresses benefit of telephone service which busy women appreciate.

"Ordering groceries and meat—calling department stores—all these save the time and effort of trips in the car," she explained.

Another woman told us:

"It certainly is convenient to call the grocer or druggist when I want something. I don't have to clean up to go out and I often find I can take advantage of bargains that I might have to pass up because I couldn't go to the store. But the telephone goes for me."

# PLATFORM OF THE OMAHA GUIDE

Race prejudice must go. The Fatherhood of God and the Brotherhood of man must prevail. These are the only principles which will stand the acid test of good citizenship in time of peace, war and death.

(1) We must have our pro-rata of employment in businesses to which we give our patronage, such as grocery stores, laundries, furniture stores, department stores and coal companies, in fact every concern which we support. We must give our citizens the change to live respectably. We are tired of educating our children and permitting them to remain economic slaves and enter into lives of shame.

(2) Our pro-rata of employment for the patronage to our public corporations such as railroad companies, the street car company, the Nebraska Power company, the Northwestern Bell Telephone company and other establishments which we are forced to support by right of franchise. Also our pro-rata of employment in return for the taxes we pay in our city, county, state and federal government.

(3) To encourage the establishment of a first class hospital that we may get the best that here is in medical science from our doctors whom we know to be nearest to us, also to encourage a high respect of them and encourage more of our girls to take nurses training.

(4) An one hundred per cent department of our citizens in our public or private places of business, especially on street cars. If we are to be respected we must act respectably, especially in public places where we are constantly before the public's eye.

(5) A one hundred per cent membership in the Omaha branch of the N. A. A. C. P. should be had to encourage the efforts put forth by the founders of the organization and to assist the general office to establish a five million dollar endowment fund to maintain operating expenses and to further the principles of the N. A. A. C. P. All people of all races must be educated up to a higher principle and a more thorough understanding of inter-racial relationship that our country may in reality be a government of the people, for the people and by the people, in whole and not in part.

(6) The re-establishment of the Christian Religion as Christ taught it, for the uplifting of mankind, eliminating financial and personal gain. A practical Christian religion, week days as well as Sunday. An attitude toward our fellowman as a brother in order to establish a principle which will guide the destiny of each other's children, our neighbor's children today are our children tomorrow.

(7) Courteous treatment in all places of business and the enforcement of the State Civil right law.

(8) To encourage and assist in the establishment of the following financial institutions near 24th and Lake streets: A building and Loan association, a state bank, and, also, a first-class trust company for the purpose of administering aid and assistance to our widows and children.

(9) To encourage the erection of a one hundred thousand dollar Young Men's Christian association building near 24th and Lake streets.

(10) To enlarge the Young Women's Christian Association that it may supply sufficient dormitory accommodations.

(11) To teach our citizens to live economically within their earning capacity by printing in each issue a budget system for various salaries.

(12) To make Omaha a better city in which to live by inaugurating a more cosmopolitan spirit among our American citizens.

(13) To put a stop to the Divorce Evil by passing a state law making the mistreatment of a wife or a husband by either of them a criminal offense to be decided by a jury, first offense, jail sentence of a short duration, second offense one of longer duration, third offense from one to five years in the penitentiary. This, we believe, will make men and women think before marrying.

(14) We must become owners of our city government by paying a seemingly higher salary to those whom we employ to administer its affairs, a salary that will attract men of high caliber.

## NATIONAL

(1) Fight for a passage of the Dyer Anti Lynch bill and thus stop the shameful lynching of American citizens.

(2) One of our citizens in the president's cabinet.

(3) Federal control of the educational system that every child must have a high school education.

(4) Assist in the furtherance of research by our scientists and Historians to prove that civilization was first founded in Africa.

(5) Establish a political influence which will bring about our pro-rata of higher appointments made by our chief executives.

(6) Stop graft in politics by passing a Federal Law making election day a legal holiday and compelling every American citizen of voting age to vote.

(7) Prevent further wars by teaching the so-called white race that it is high time for them to quit fooling themselves about white supremacy with only three-tenths of this world's population. They must be taught that color is due to climatic conditions. They must be taught that seven-tenths of the world's population is made up of darker races. They must be taught that the rays of the sun that blazes upon the equator and turn the skin brown do not effect the power of the brain any more than the coldness of icy glaciers effect the brain of the white race; and that the darker races will not continue to be crushed by a money mad fed. If the Fatherhood of God and the Brotherhood of man are not welded into the hearts of this world's family now, by teaching the principles laid down by our Saviour, it will be welded into the hearts of our children some day, soon, on the bloodiest battlefield this world has ever known.
