E. T. Y.—Please tell me if my husband and I will do any good in business here? Should I follow my mind to do something else?
 Ans: Success will come SLOW but if you work hard you will eventually get on your feet again. If you feel you could better yourself by following some other field of LABOR, then why don't you try it for at least a while.

D. E. B.—I have a problem that puzzles mother and me I have been going with a man somewhat older than myself for about a month. He says he likes me a lot and also likes my little girl. Will we marry?
 Ans: Not any time soon.....the man is STILL MARRIED to another girl. It is quite evident that he enjoys your friendship. It is my belief that marriage hasn't entered his head. Don't become serious until he gets a divorce from his wife.

L. B. J.—I have faith in you for you have helped me before. Tell me if the man I love will come back into my life and make me happy?
 Ans: He isn't going to enter your life again.....he is HAPPILY MARRIED to someone else. Don't continue to grieve over this love affair, but get it off and look around for new companionship.

D. K. F.—Will the old stork visit our place and bring a little baby for us to play with?
 Ans: Before many years have passed you will have been visited by the old bird. While on are waiting open a SAVINGS ACCOUNT in your local bank so that you will be prepared for the visitor when it arrives.
