My Favorite Recipe Hot Rolls

(By Mrs. Ossie Cooper)
3 tbs butter 2 cups milk
3 tbs sugar 1-2 tsp salt
1 cake Fleischman yeast
1 egg

Cream the 3tbs sugar, 3tbs butter and 1-2 tsp salt. Heat 2 cups milk and pour over creamed mixture and let cool. Place yeast cake in cup of lukewarm water and let dissolve, later adding it to the above ingredients, using enough flour to make thin batter. (Best results may be obtained by using a Dover egg beater in combining these). Now add one egg and let sponge stand from 1 to 1 1/2 hours, after which beat in enough flour to make sponge the consistency of biscuit dough—usually 4 to 6 cups of flour are necessary for this. Again let stand for 1 1/2 hours, after which time make into rolls. Bake in oven from 350-400 degrees.

Thoughts

(By Theresa M. Skinner)
Put good in your mind and your Thoughts will sow

The good where it is of most need.

Put kindness where only hate Might grow,

And let Love be the seed.

Let the daily sunshine of your smile

Be a handclasp true, And happiness will be yours

All the while For the best will be with you.

Hollis Art Card Party

The first of a series of card parties, sponsored by the Hollis Art club was given Saturday, Feb. 13th at the home of Mr. and Mrs. S. S. Finlayson, 1311-6 Ave.

The home was very effectively decorated to carry out the scheme of St. Valentine's day. Mrs. Jack Willis won a beautiful double compact for the holding the high score for women; Miss Geraldine Herndon received a clever ash tray for having the lowest score. Due to the fact that Mr. Hurlin Harvey was the only gentleman playing, he received a leather billfold. No booby was awarded.

Light refreshments were served after the awarding of prizes.

One such party will be held every month. Winners at each party will compete in a final whist party, to be held in May.

Watch this column for the date and place of the next meeting, and get in on the fun.

Beautiful Hair

(By Mrs. E. Baker, 2627-3 Ave)

Every woman would have beautiful or at least good hair. Good hair cannot be obtained without a healthy scalp. There are several steps leading to a healthy scalp. If you will follow steps given in this column each week, you will be greatly benefitted.

The scalp must be kept clean by correct shampooing, but first the scalp must be prepared for shampooing. Part the hair in very small parts as to expose the scalp to view, then with a rather fine toothed comb lift or loosen the dandruff from the scalp. When the entire head has been gone over in this manner, place the finger tips of both hands firmly on the head. Do not slide fingers about on surface of scalp, but hold very firmly, and with a rotary movement, such as we would get from an electric vibrator, go over the entire head. Put emphasis on the temple region and back of the ears, because the scalp feeders are thickest there.

This massaging brings up the dandruff which was previously loosened by the comb. If there are any stubborn spots of dandruff which will not yield to this treatment, annoying spots ferred. In the next issue, I will give you the second step—brushing—which, too, should precede the shampoo.

Mt. Olive Baptist Church

The Mt. Olive Baptist church closed a very successful year in 1936, raising more than \$2,500. Since the beginning of the new year, each auxiliary seems more determined to raise its 1937 budget than ever before. The programs thus far have been very educational. During Negro History Week, the Missionary Society rendered a program on February 12th. One hour prayer conducted by the president, Mrs. Nona Neal The life of Booker T. Washington, by Mrs. L. J. Malone; Life of Phyllis Wheatley, by Mrs. Dora Harris; Life of William Pickens, by Mrs. Elnora Jennings; Life of Frederick Douglass, by Mrs. Francis Anderson. The program was in charge of Mrs. Mable Owens. On Saturday, February 20th, The Willing Workers club, under the leadership of Mrs. Francis Woods, will have a bazaar and foot rally. The Mothers will have a box supper and a spelling bee on February 20th under the leadership of Mrs. Zanie

HOW OFTEN CAN YOU KISS AND MAKE UP?
FEW husbands can understand why a wife should turn from a pleasant companion into a snore for one whole week in every month. You can say "I'm sorry" and kiss and make up easier before marriage than after. Be wise. If you want to hold your husband, you won't be a three-quarter wife. For three generations one woman has told another how to go "smiling through" with Lydia E. Pinkham's Vegetable Compound. It helps Nature to run the system, thus lessening the discomforts from the functional disorders which women must endure in the three critical years of life: 1. Turning from girlhood to womanhood. 2. Preparing for motherhood. 3. Approaching "middle age." Don't be a three-quarter wife, take LYDIA E. PINKHAM'S VEGETABLE COMPOUND and Go "Smiling Through."
