CIRCULATION DEPARTMENT

S. E. GILBERT

The Circulation department has in the past year shown such a remarkable improvement that it has necessitated the employment of four representatives in the persons of Mrs. Edna Mitchell, Mrs. Lillian Harrington, Mrs. C. E. Reynolds and Mrs. Mary Quinn, and we are proud to state that with the continued increase in cooperation on the part of the citizens of Omaha it shall be come necessary in the very near future to further increase the personnel of this department in order to take care of the ever growing circulation.

The Omaha Guide is indeed grateful to the personnel of this department and to those who have so splendidly supported its circulation. With such wonderful support coming from the citizens of Omaha and surrounding territories it shall be only a matter of time that we shall be in position to double our employment of race people, thus helping to relieve the economic strain that exists among our group.

Mr. S. Edward Gilbert is in charge of this up and doing department.
