M. O. D.—I have in mind strong to run away and I want to know what will my daddy do if I was to go?

Ans: In all seriousness I will say that if you run away from home our FATHER would come after you immediately. It is just as certain that he would also give you the "spanking" of your life time. If you are wise, remain at home and wait a year or so for the good times that you are missing are you not too young to receive company?

R. W.—Will I make any mistakes on the night of graduation while reciting the class history? Will I ever teach?

Ans: I suppose you possess the

usual amount of stage fright and this is causing you to fear the ordeal of making a public speech. If you will learn your speech thoroughly and rehearse it several times you need not worry for you will deliver it without difficulty.

R. M. C.—Does the girl that I keep in my mind love me or is she fooling me and if so please tell me what to do.

Ans: There would not be any point in the girl confessing her love for you unless she really meant what she said. If you feel that you deserve her love you could not possibly doubt her veracity. You would be happier if you dropped your doubts and returned her love.

**LABOREKS FIGHT 'IRONED OUT' IN POLICE COURT**

The trouble between two WPA workers, who were involved in an altercation Saturday night, was all "ironed out" when they appeared in police court Monday morning.

Edward Ellis, 26, of 3448 Pinkney street, complaining witness against Mack Harris, 28, of 3410 Bedford avenue asked that assault and battery charges be dropped. The trouble arose when Ellis asked Harris to pay him a \$2 debt during the broadcast of the South-Jackson basket ball game. Both said they were already excited by the game and were easily provoked.

Harris hit Ellis over the head with a flatiron. Five stitches were taken to sew up the wound. Harris said he would pay the doctor's bill.

**HOW OFTEN CAN YOU  
KISS AND MAKE UP?**

FEW husbands can understand why a wife should turn from a pleasant companion into a shrew for one whole week in every month. You can say "I'm sorry" and kiss and make up easier before marriage than after. Be wise. If you want to hold your husband, you won't be a three-quarter wife.

For three generations one woman has told another how to go "smiling through" with Lydia E. Pinkham's Vegetable Compound. It helps Nature tone up the system, thus lessening the discomforts from the functional disorders which women must endure in the three ordeals of life: 1. Turning from girlhood to womanhood. 2. Preparing for motherhood. 3. Approaching "middle age."  
Don't be a three-quarter wife, take LYDIA E. PINKHAM'S VEGETABLE COMPOUND and Go "Smiling Through."

**Wirephotos

Wha. Wirephoto means to a newspaper reader was again strikingly shown last Friday. The World Herald published 13 photographs with the news of the Texas disaster in its morning home edition. No other Nebraska paper had any pictures of the tragedy in its morning edition. None had more than two in its evening home edition.

**ARE YOU ONLY A  
THREE-QUARTER WIFE?**

MEN, because they are men, can never understand a three-quarter wife—a wife who is all love and kindness three weeks in a month and a hell cat the rest of the time.  
No matter how your back aches—how your nerves scream—don't take it out on your husband.
