THIS WEEK IN RELIGION AND THOUGHT

By Robert L. Moody

Earnestly Contending for the Faith
We wish to express our gladness for the recent revival of religious consciousness started by Mr. John D. Rockefeller, Jr., and Dr. E. Stanley Jones.

There seems to be a general desire to do away with denominationalism and all Christians be united. Though the remedies offered are human efforts, it proves that sincere Christians are sick of division. Dr. Jones suggestion about having the "Church of Christ of America" and a universal church is a wonderful human suggestion, but we hope that men will get the divine inspiration for real "unity" instead of mere "unionism."

In order for Christianity to have the power it should have to convince the gainers, the Lord's prayer in John 17th must be answered effectively in every individual heart and life. Then men will earnestly contend for the faith that was once delivered to the saints.

Let everyone say of denominationalism: "Crucify them! Crucify Him! For behold, how good and how pleasant it is for brethren to dwell together in unity."

MT. OLIVE BAPTIST CHURCH
South Omaha

Sunday school was well attended with Ace Breakfield as superintendent. 11:00 o'clock services were high. This being the first Sunday in the month, everyone was given an opportunity to relate their experiences with God during the preceding month.

At 6 o'clock the BYPU was opened by the president, Elmer Collins. An inspiring program was rendered by the junior group.

Evening services began immediately after BYPU. The pastor preached a wonderful sermon. His topic was "The Ten Virgins," Matt. 25th chapter, after which the Lord's Supper was administered. Rev. Layne, Missionary of the Omaha and Council Bluffs Ass'n. was a visitor.

ST. JOHN CLUB NO. 19, TO PRESENT VERSIFIED PROGRAM

Mr. James Willis will make a brief address after the musical program.

The public is cordially invited to witness this wonderful program.

ST. PAUL A. M. E. ZION CHURCH

Squires of the Urban League; Mrs. Gladys Pullum of the YWCA and others. The program will start at 2 p. m. We hope all who can will come out and hear this program.

ST. JOHN BAPTIST CHURCH
1212 Pierce Street
Rev. E. D. Johnson, Pastor

Sunday was a big rally day at St. John. Rev. Marion and his congregation from the St. Luke Baptist church, worshipped with us in the mid-evening service. The spirit ran high through the evening. \$86.00 were raised in the rally. One of our noted undertakers, Joseph Lewis, worshipped with us in the mid-evening service. He contributed \$5.00 to our rally. We are always glad to have visitors.

The Junior Usher Board of Cleaves' Temple CME church, met at the parsonage on March 27th at 7:30 p. m. Rev. Bass spoke on "Ushering." The follow officers were elected, Leroy Jackson, president; Norman Gray, vice president; Pauline Williams, secretary; Quator Williams, treasurer; Gladys Brown, and Leon Peoples, chaplain.

It was erroneously stated in a previous edition of the paper that Mrs. Minnie Herndon, Council Bluffs Ia. was a tea guest of Mrs. Martha Mayo, on March 17th. Mrs. Herndon was a house guest of Mrs. Mayo but attended the St. Patrick's Day tea at 2416 Binney street.

The City Union Usher Board will meet at Pilgrim Baptist church on Sunday, April 11th. Every usher is asked to be present at this meeting.

ST. JOHN AME CHURCH
"The Friendly Church"
Rev. R. A. Adams, Pastor

Now the Easter season has come and gone, let us try to keep the interest and spirit high as it was during that time. The Sunday school and church attendance at St. John is steadily increasing. Why not see that our boys and girls are taking an active part? The weather is gradually growing warmer now.

Rev. Adams preached at both services Sunday. His subject at the morning was "The Mountain, not geographically but spiritually." At the evening service his subject was "You Shall Know the Truth and the Truth Shall Make You Free." From these two subjects, Rev. Adams preached two very fervent sermons. After the morning service, a group of boys and girls from the Sunday school were baptized and Holy Communion was served.

It was fine to see these boys and casting their lots with those in the service of God, while they are young with a long life of service before them.

There are still some few sick members of the church, but their names were not turned in. We wish for them a speedy recovery.

The financial drive will close the third Sunday in April and some have not yet reported. The pastor and officers are anxious that all reports are made so this drive may close with great success.

The recital by Mr. H. L. Preston, Mrs. Ethel Webb, Mrs. Carrie Carter, and Mrs. Lillian Vincent promises to be very fine.

This is the time you can invite your friends and not have to pay for them.

If you are a reader of the Omaha Guide, you will see that it is making special effort to keep you informed on your church, social and fraternal news. Get it and find out about that in which you are most interested.

THEIR LIVES are in your hands

WHEN BLOW-OUTS KILL OR INJURE THOUSANDS, WHY NOT GIVE YOUR FAMILY GOLDEN FLY BLOW-OUT PROTECTION!

IT'S WORTH the one minute it takes to read this because it may save your life. And here's why: At today's high speeds the heat generated inside your tires is terrific—as hot as boiling water. This heat causes rubber and fabric to separate. A tiny blister forms—grows bigger and BIGGER—until sooner or later, BANG! It's a blow-out! Thousands of people are killed or injured every year in blow-out accidents.

But now there is no reason why you should take this chance. Goodrich Silvertowns have an amazing new invention—the Life-Saver Golden Ply. This Golden Ply resists heat so that rubber and fabric do not separate—blisters do not form—thus high speed blow-outs are checked before they ever get a chance to cause trouble. Come in today and see us about Golden Ply blow-out protection. Goodrich Silvertowns actually cost less than other super-quality tires!
