

SUNRISE GOLFERS

The Sunrise Golfers opened the season of 1937 with a delightful day of golf last Thursday at Miller Park.

The following officers were elected and appointed:

- Rae Lee Jones, president; Delores Blackwell, vice pres; Flora Morris, treasurer; Edrose Willis, reporter.

Here's hoping this weather clears up and gives us a break on the golf links.

H. S. S. LEADS IN HIGH SCHOOL S.BALL LEAGUE

By Joe Brooks

Angelo Merriweather's last years champions took first place in the Urban League high school soft ball tournament.

Marty Thomas, the head instructor at the Urban League is keeping up the good work by his great umpiring.

WHO'S THAT KNOCKING AT YOUR DOOR?

Old man defeat! Girls don't let him get you down, game two; score Malashock 8, Rabes "Copper Gals" 2.

The slow ball, the Rabes gals try to kill and just barely hit. Not enough pep, too much slow motion.

The Malashock team were heavy hitters accurate catchers and very fast runners.

RABES GIRLS DEFEATED BY MALASHOOK GIRLS

The Rabe Girls out in beautiful uniforms and jackets of black and red, a dangerous color, once feared by all white girl teams, have turned out to be lambs.

11 YEAR OLD GOLFER

Don Dunkelberger

Prominent golfers consider Donald Dunkelberger of High Point, N. C., a real find. He is only four feet, four inches tall and weighs 70 pounds but has already turned in some amazing scores on the Sedgewick, North Carolina course, and should be an important figure in golf before long.

by a great Malashock girls team Thursday at 20th and Burdette by a score of 8 to 2.

Donaldson and Payne, batter ies for the Rabes looked good even in defeat. Donaldson left the game with a score 2 to 1 in favor of Malashock, due to slow fielding of Stewart and Griffin who allowed singles to go for a homer and a double.

The Rabes are making a poor showing in upholding the prestige of that famous Robin Hood Beer.

SPRING

The Alder by the river Shakes out her powdery curls; The willow buds in silver For little boys and girls.

The little birds fly over— And oh, how sweet they sing— To tell the happy children That once again 'tis spring.

The gay green grass comes creeping The buttercups are coming And scarlet columbine, And in the sunny meadows The dandelions shine.

And just as many daisies As their soft hands can hold The little ones may gather, All fair in white and gold.

Here blooms the warm red clover There peeps the violet blue; Oh happy little children, God made them all for you.
