**Gas, Gas All the Time, Can't Eat or Sleep**

"The gas on my stomach was so bad I could not eat or sleep. Even my heart seemed to stop. A friend suggested Adlerika. The first dose I took brought me relief. Now I eat as I wish, sleep fine and never get heart headaches for months."

—Mrs. J. M. Pifer.

Adlerika acts on BOTH upper and lower bowels while ordinary laxatives act on the lower bowel only. Adlerika gives your system a thorough cleansing, bringing out old poisons and mucus that you would not believe was in your system and that has been causing gas pains, sour stomach, nervousness and headaches for months.

Dr. H. L. Shamba, New York, reports: "In addition to intestinal cleansing, Adlerika greatly reduces bacteria and colon bacilli." Give your bowels a REAL cleansing with Adlerika and see how good you feel. Just one spoonful relieves GAS and constipation.

**HOW DISCOURAGEMENT HELPS**

Those who have been reading the wonderfully interesting Paderewski autobiography which has been appearing in the Saturday Evening Post, must be amazed by the unusual number of stupid people who went so far out of their way to convince him that it would never be possible for him to succeed as a pianist. They did admit that he might be a composer or a good trombonist but a pianist—never!

Only by reason of his great genius, his will and his hard labor, was he able to survive the barrage of discouragement which surrounded him.

With the worthwhile individual, the resistance offered by discouragement is the very thing which toughens and hardens him so that he acquires the strength to gain his hearts desires.

**Festival Highlights**

Which queen is ahead? How many times will we sing? May I wear my new organdie Easter dress? Will there be a lot of people there to hear us? Are we going to have a band? How many queens will be there? These are just a few of the excited inquiries that are being made by our young May Festival participants.

Joseph McGee, son of Rev. and Mrs. Z. E. McGee promises to represent New Hope church in a fine manner.

Joseph is one of Omaha's coming soloists.

The Metropolitan church quartette is going to be well worth hearing, according to reports.

A chorus from Christ Temple is also causing much fine comment in the Christ Temple neighborhood.

All queens are being interviewed so read our Guidite page each week. Your queen may be the next one.

Remember the day, Sunday, May 16th, at 3:00 p. m. at St. John AME church.

Two new contestants for the honor of reigning as the May Day queen for 1937 were reported last week, they are Miss Louise Morris queen for Mission Field and Miss Lula Mae Powell representing Pilgrim Baptist church.

**Fan Mail**

Dear Uncle Gil:  
I was in the spelling demon contest. April first my friend Evelyn Jennings was also in this test. We were given 50 words. Out of the fifty I spelled forty-five and Evelyn spelled 30 words. The reason Evelyn spelled less than I; she is in a lower grade than I am. Don't you think that is nice for us.

**HOW OFTEN CAN YOU KISS AND MAKE UP?**

NEW husbands can understand why a wife should turn from a pleasant companion into a shrew for one whole week in every month. You can say "I'm sorry" and kiss and make up easier before marriage than after. Be wise. If you want to hold your husband, you won't be a three-quarter wife.

For three generations one woman has told another how to go "smiling through" with Lydia E. Pinkham's Vegetable Compound. It helps Nature tone up the system, thus lessening the discomforts from the functional disorders which women must endure in the three orders of life: 1. Turning from girlhood to womanhood, 2. Preparing for motherhood, 3. Approaching "middle age."

Don't be a three-quarter wife, take LYDIA E. PINKHAM'S VEGETABLE COMPOUND and Go "Smiling Through."

**SHE LOST 20 POUNDS OF FAT**

Feel full of pep and possess the slender form you crave—you can't if you listen to gossipers. To take off excess fat go light on fatty meats, butter, cream and sugary sweets—eat more fruit and vegetables and take a half teaspoonful of Kruschen Salts in a glass of hot water every morning to eliminate excess waste.

Mrs. Elma Verille of Havre de Grace, Md., writes: "I took off 20 lbs.—my clothes fit me fine now."

No drastic cathartics—no constipation—no ill-effects—daily bowel action when you take your little daily dose of Kruschen.

Health-wrecking Functional PAINS at monthly periods

Severe functional pains of menstruation, cramping spells and jangled nerves soon rob a woman of her natural, youthful freshness. PAIN lines too often grow into AGE lines!

If you are subject to suffering at monthly periods, it may be that Cardui will relieve you. Thousands of women have found it helpful to take Cardui. They said it seemed to ease their pains and they noticed an increase in their appetites and finally a strengthened resistance to the stress of monthly periods. Try Cardui. Of course if it doesn't help you, see your doctor.
