THUMBS UNDER PASS

Have you a stubborn inert thumb that makes scales rough and slow? If it persists in being "dumb", You'll always play Largo.

Just make a tunnel of your hand, And, as your second plays, Your thumb if under right command, Will never cause delays.

So, if with scales you would succeed

Your thumb must help, you know; Good underpass you'll surely need, In gaining real presto.

Dates for next union rehearsals are Saturday May 8th at 3 p. m. and Saturday May 15th at 3 p. m. at St. John AME church, 22nd and Willis

Don't forget the day, SUNDAY, MAY 16th at 3 p. m. at ST. JOHN AME CHURCH, 22nd and Willis.

AN EARLY MAY DAY FESTIVAL

All nature is quite glad today, It is the first of May, The merry month of outdoor joy For every girl and boy.

From far and near on the green The children can be seen; They dance, they run, they skip and roll Around the huge May pole.

In garlands neat upon each bough The flowers formed are now, And clothed in brightness all around The happy folks are found.

The music floats upon the breeze And through the new leaved trees, The children, clad in bright array, Never were seen more gay.

This May Day fears will long be kept, Its joys we'll e'er accept, And we will wait patiently For April next to flee.

SPRING

The Alder by the river Shakes out her powdery curls; The willow buds in silver For little boys and girls.

The little birds fly over— And oh, how sweet they sing— To tell the happy children That once again 'tis spring.

The gay green grass comes creeping The buttercups are coming And scarlet columbine, And in the sunny meadows The dandelions shine.

And just as many daisies As their soft hands can hold The little ones may gather, All fair in white and gold.

Here blooms the warm red clover There peeps the violet blue; Oh happy little children, God made them all for you.

HOW OFTEN CAN YOU KISS AND MAKE UP?

FEW husbands can understand why a wife should turn from a pleasant companion into a shrew for one whole week in every month. You can say "I'm sorry" and kiss and make up easier before marriage than after. Be wise. If you want to hold your husband, you won't be a three-quarter wife.

For three generations one woman has told another how to go "smiling through" with Lydia E. Pinkham's Vegetable Compound. It helps Nature tone up the system, thus lessening the discomforts from the functional disorders which women must endure in the three or four years of life: 1. Turning from girlhood to womanhood. 2. Preparing for motherhood. 3. Approaching "middle age."

Don't be a three-quarter wife, take LYDIA E. PINKHAM'S VEGETABLE COMPOUND and go "Smiling Through."
