## ST. JOHN AME CHURCH

"The Friendly Church"  
Rev. R. A. Adams, Pastor

The services at St. John AME church last Sunday were very good throughout the day. In spite of the bad weather, the bad weather, the children made the Sunday school attendance very good. Rev. Adams preached at the morning service. He was very full of the spirit, which could easily be seen as he delivered the message.

In the afternoon, Rev. Conwell, his choir, and some of his congregation came to help Rev. Adams in his quarterly meeting.

The ACE League met at the usual hour, 6:30 p. m., at which time the society listened to a very inspirational and interesting message delivered by S. E. Gilbert. Next Sunday, May 9th, the League is inviting mothers, fathers and friends of the members to meet with them.

In the evening, Rev. J. L. Owens, a student minister of Western University, preached a very fine sermon. Rev. Owens shows great promise of being a powerful leader. We wish for him great success.

Mother's Day service on May 9th promises to be very interesting. It should be the desire of every one to do something to make some mother happy on that day. How fine it would be for the boys and girls who do not claim to be Christians to make up their minds to start on Mother's Day to live a Christian life.

Many visitors were seen at St. John last Sunday. They are always welcome to make it their church home while in the city.

Read the Omaha Guide and see your church news printed in it. It is always glad to keep you informed on current happenings.

## Why Laxatives Fail In Stubborn Constipation

Twelve to 24 hours is too long to wait when relief from clogged bowels and constipation is needed, for then enormous quantities of bacteria accumulate, causing gas, indigestion and many restless, sleepless nights. If you want REAL, QUICK RELIEF, take a liquid compound such as Adierika. Adierika contains SEVEN cathartic and carminative ingredients that act on the stomach and EGT 14 bowels. Most "overnight" laxatives contain one ingredient that acts on the lower bowel only. Adierika's DOUBLE ACTION gives your system a thorough cleansing, bringing out old poisonous waste matter that may have caused GAS pains, sour stomach, headaches and sleepless nights. Adierika relieves stomach GAS at once and usually removes bowel congestion in less than two hours. No waiting for overnight results. This famous treatment has been recommended by many doctors and druggists for 25 years. Take Adierika one-half hour before breakfast or one hour before bedtime and in a short while you will feel marvelously refreshed. TRIAL OFFER: For Special Trial treatment, send 10c, stamps or coin to Adierika, Dept. 71, St. Paul, Minn.
