Bonfire Explosion Shakes Business Block

Flusing, L. I. June 9 (ANP)—A violent explosion in a bonfire, last Saturday on a vacant Main street lot threw this city's business section into wild confusion, the blast shaking the entire block, breaking windows in stores and sending a mass of debris, including a refrigerator skyward. The man who set the bonfire, a colored porter, escaped unhurt. Police and firemen believe the blast was caused by combustion of chemicals, but whether a container exploded in the fire or whether the refrigerator's chemicals exploded, could not be determined.

Everybody in town is going. Where? To the big carnival dance at the Dreamland Hall on June 28th, given by the Bacchanite Club, featuring Anna Mae Winburn and her Cotton Club Boys.
