Its a great satisfaction to be comfortably shod on a warm day, but when your feet look extremely smart as well, you will not mind the hot sun.

Pictured are three on the 'dressy' side of the white shoe picture. Lovely with your white background prints and pastel shades.

On the 'sport' side are two that are designed for comfort, but carry with them that certain 'sporty' air. The sandal in the lower left-hand corner, is excellent for that hot day on the beach.

Hillside Presbyterian choir members are wearing their new summer robes of black and white. They are sponsoring an ice cream social on the church lawn Friday July 16th. Tickets are now on sale.
