## ST. JOHN A. M. E. CHURCH

"The Friendly Church"  
Dr. R. A. Adams, Pastor

The Sunday school still misses the young people and children. Yet the adult classes have some very interesting lessons.

Dr. Adams took time at the morning service to give a very fine treatise of the church doctrine before he baptized and administered the Lord's Supper.

he guest solist for the morning was Miss Eloise Jones, a teacher in the city school of Dallas, Texas. Miss Jones was accompanied by Mrs. Alice Wilson. The Junior Matron's club presented Rev. Glooh from Africa who gave a very interesting lecture on the ideas and customs of his native land.

The men of the church are looking forward to a great day on men's day the third Sunday, September 19th. They will have a very fine men's chorus, under the direction of J. C. Parker.

The end of the conference year is drawing near and the pastor is very anxious that all claims and reports are turned in so that St. John reports will be above the average.

The visitors Sunday morning were: Sgt. and Mrs. Charles Smith, of Washington, D. C.; Private Sidney Rucker, Ft. Riley, Kas.; Mrs. Anna Minor, St. Louis, Mo.; Miss Mary Lee Jones, New Orleans, La.; Mrs. Walter Hughes, Los Angeles, Calif.; Mr. C. F. # Bishop Says Majority Want Better Brotherhood

Little Rock, Ark., Sept. 9 (ANP)—Following his recent return from England and Scotland, where, as a delegate, he attended two World Religious conferences—the Conference on Faith and Order and the Conference on Life and Work—Bishop S. L. Green, representing the A. M. E. church, disclosed several aspects of the Ecumenical convales of great interest to the American Negro.

The Conference on Life and Work, organized several years ago in Stockholm, is sponsored by the Universal Christian Council and the Conference on Faith and Order, organized at Lausanne, is made up of elected delegates from such denominations in 43 different countries.

At both meetings, says the Bishop, among the most notable commitments was the high ground taken on the matter of racial and social justice. He said: "I would have you believe that although representing the Christian church and the Christian ministry, that there were not more than a few, still indifferent, if not radically opposed to, putting the church on record on this and other controversial issues, such as labor, capital, nationalism, etc. But the majority were militant and unrelenting in a supreme effort to save the church from the leadership of both individuals and groups who would betray the prophet and reformer 'Jesus of Nazareth' who gave Christianity to the world that it in turn might purge it and make this sinful world a fit place in which to live."

"Our supreme work should and must be first among ourselves—for we of all peoples are the most divided and our hatred of each other is most pronounced. Among purely white delegates, whether American, German, French, English, Greek or Russian, anyone could observe the bond of unity that held them; but of the darker or colored delegates, including the American Negro, the East Indian, Chinese, Japanese, Korean, Mexican, East, West and South African, anyone could discern the innate disunity, indifference, albeit open hatred, one of another."

"The next battle ground without doubt, is the school, the college and the university; the contest can and will be settled by youth and youth alone—in a word, by the leaders of tomorrow. Personally I am not afraid of the outcome—it is God's way—and from this struggle will come a church, thoroughly unshackled and unafraid."

The American Negro was given recognition on the Continuation or Executive Commission, to which Bishop Greene was elected; the

There will be a tea given by Mrs. S. Gordon and Mrs. O. Gorrest at 2411 Lake street. The public is invited to come and bring someone with them.

## Last Minute Snappy News Items From National Field

New York, Sept. 9 (CNA)—Mayor La Guardia's campaign for reelection was definitely underway in Harlem this week following his appearance at the twelfth anniversary celebration of the Brotherhood of Sleeping Car Porters at Mother A. M. E. Zion church.

Although the Mayor denied any political significance to his visit—pointing out that he has attended every similar celebration in the last twelve years—Ashley L. Totten, international secretary-treasurer, declared amid cheers:

"Our organization and every Pullman porter in it will work his fingers to the bone to see that Mayor La Guardia is re-elected."

By Albert James  
Charlotte, N. C., Sept. 9 (ANP)—Bowing to the U. S. Supreme Court's last Scottsboro decision, Mecklenburg county will compile a complete new jury list with designation of either race or color.

Slips of paper in the jury box now have the names of whites in black ink and the names of Negroes in red. There are approximately 10,000 whites and 625 colored.

In January, K. Harrison, a well-to-do highly respected farmer, served on a jury which convicted a white man. Harrison was the first Negro to serve since Reconstruction days.

Berlin, Sept. 9 (CNA)—Confessional church pastors announced in Berlin this week that the number

of Protestant pastors arrested by the Nazi regime had increased by 21—from 82 to 103 during the last ten days. Thirty-one prohibitions to preach, twelve expulsions from pastorates and thirty-one police decrees expelling pastors from their parishes also were reported.

Many of the arrested pastors were charged with treason because of their opposition to Nazi control of the church.

Macon, Ga., Sept. 9 (ANP)—James Rowland, alleged "bug" operator, must face trial in city court because, according to police he failed to pay his winners. Police made an investigation following the complaint of H. L. Jones and George Davie, who said they held winning numbers but were told by Rowland he couldn't pay off until he had seen "the boss."

The boss, Radio Patrolman John Beck said, denounced Rowland as an impostor and said he was not a recognized writer for the chiefs of the local numbers racket. Police say Rowland is several hundred dollars richer since he started as an independent lottery operator. He was ordered bound over under \$300 bond, by Recorder G.M. Nottingham.

Madison, Wis., Sept. 9 (CNA)—Dr. A. A. Wilkerson of Howard university, addressing the convention of the American Federation of Teachers here, pleaded for a liberal program of Federal aid to educational institutions.

Dr. Wilkerson declared that relief from Washington was sorely needed to keep more than 1,000,000 children in school and "to extend equality of educational opportunity, rather than to perpetuate existing inequalities."

At the same session of the convention the delegates voted to settle the controversial issue of affiliation to the committee for Industrial Organization by ordering a national referendum on the question.

Membership rolls of the American Federation of Teachers indicate that most of the organized Negro educators are enrolled in Teachers unions locals affiliated with this organization.

Boston, Sept. 9 (ANP)—With his recent appointment from the patrolmen's competitive list, Police Sergeant Francis G. Wilson becomes the first member of his race to hold that position in Boston's police department. He was also the first Boston colored man to be appointed clerk of a police station, which position he held creditably for eight years, serving under four captains. Sergt. Wilson has been on the force for 11 years.

## ARE YOU ONLY A THREE-QUARTER WIFE?

MEN, because they are men, can never understand a three-quarter wife—a wife who is all love and kindness three weeks in a month and a hell cat the rest of the time.

No matter how your back aches—how your nerves scream—don't take it out on your husband.

For three generations one woman has told another how to go "smiling through" with Lydia E. Pinkham's Vegetable Compound. It helps Nature tone up the system, thus lessening the discomforts from the functional disorders which women must endure in the three or four years of life: 1. Turning from girlhood to womanhood. 2. Preparing for motherhood. 3. Approaching "middle age."

Don't be a three-quarter wife, take LYDIA E. PINKHAM'S VEGETABLE COMPOUND and go "Smiling Through."
