NEW ATTACK PLANES ARE SPEEDIEST YET

Joe Louis arrived in town and signed papers for a championship tilt with Max Schmeling in New York next June. The bomber looked fit as usual and took in the "Battle of Champions." Herbert Thompson and Cornelius Johnson were two of the winners at the meet held by the New York Athletic Club at Travers Island New York, last Saturday. Johnson won the high jump with ease while Thompson took the 100 yard dash.

Buffalo, N. Y.—America is fortifying in the air. Winged messengers of death and destruction, capable of speeds conservatively placed at better than five miles a minute, are being turned out here for the military. The Curtiss-Wright factory is a beehive of activity, with orders for 392 planes of different types for both the army and the navy.

Tuskegee sent nine girls to the track and field meet that was held in Trenton, N. J. last week.

The team was composed of Helen Hutchinson, Jesse Abbott, Celestine Birge, Melissa Fitzpatrick, Lula Hymes, Cora Lee McGlinch, Florence Wright and Mabel Smith.

Johnny Taylor, twirler for the Pittsburg Crawfords, insured himself a place in the sports sun when he pitched a no hit no run game at the Polo grounds, last Sunday. Taylor in winning, defeated the great Satchel Paige 1 to 0.

Fitz Pollard's Brown Bombers started their season October 3rd at Dyokman Oval. In their lineup they will have Tark Conrad, Joe Lillard, Otis Troupe and Dixie Matthews. This aggregation, rated high in professional grid circles, anticipates a good and hard season this year. Troupe will communique between Washington, D. C. and New York. He is assistant football coach at Howard university. Lillard breezed in from Chicago last week to start training.

The Colonial Bombers, another group of footballers, are preparing a rather ambitious program. Last season they were amateurs. The members of the team are youngsters who have played high school football and are endeavoring to keep in touch with sports while waiting for the door to which to go to college.

Banker Wins His Wagers by Process of Waiting

Kansas City.—When it comes to making bets it's wise to let the other fellow pick the winning team. E. F. Swinney, chairman of the board of the First National bank, believes. And to back up his contention, Swinney has a considerable number of checks which represent his winnings from friends who were sure they had a hunch on the winning team.

Under the glass top of Swinney's desk are a large number of these checks — all uncashed. Swinney would rather keep them to remind the losers of their bad judgment than cash them.

Sudden Stop for Navy Cruiser

Annapolis, Md.—Football's in the air again, and watch out, Army mule! There's plenty of dynamite in the 1937 Navy squad, pictured in workout here. Whitehead, speedy back, is shown being stopped in his tracks as he breaks loose with the pigskin from scrimmage.

ON THE RAILS

Here we are again with the latest happenings around the community.

Don't forget the International meeting of Dining Car Waiters on the 25 to the 28th of October with a grand ball at the Dreamland hall on the night of the 27th. Have you bought that new frock for the ball and chain yet?

Mr. Harold Roache has been out in California for the past year on the 'City of San Francisco' Streamliner is back in our fair city and is doing business on the World's greatest train, 'The Chal. lenger.' Yes, he got rid of that pantry.....he willed it to Mr. Bob Martin formerly of Chicago and the Overland.

We have lost a number of our "star" waiters by them going on Lounge cars. (The "snakes" lounge, you work like a dog.) Mr. Victor Metoyer, Mr. Bill "Dizzy" Davis, Mr. Willie "Sho Can" Bell are now running to the "Lady of the Pacific" ('Frisco' to you, dummy) on the "The Sensation of the West."

Our very good friend Marvin Lewis now living in California is now the proud daddy of a big baby boy named Thomas Marvin, another little waiter for the old men to train. May he be a better waiter than his old man, but never a better man.

Omaha got a break last week when two portland crews were in here on a "Special 'Sakey' Jack, Mr. (Big) Pugh, or pardon me, I mean Sargeant, and little Pugh were out to see all of their old friends.

Still talking about the "Great Northwest: Mr. Johnny Baker, vice president of Portland Union, and his wife passed thru our city on their way to the World Series. Hope you pick the winner, Johnny. Mr. Toots' Rountree and his wife are motoring back from the "City of Angeles" this week. Some class to us.

Mrs. Shockley has gone to Los Angeles to take care of her "little boy Harold.

C. D. Coleman ain't doing right. He keeps his 'best' roomer out all day in different beer joints. Shame on him.

Still all the bookies are crowded with that good Challenger money, aren't they Chris Smith?

The last of the Moore clan is now in the employ of the Union Pacific, little Milton was seen stocking up on the "Dog."

Mr. Bill Taylor although he is no longer in a pantry has not lost his title of "Every Tub."

Deafness Cure Is Found if Patient Can Take It

Condon, Ore.—The main problem seems to be how to get the horse to stand still—and to arrange for the lightning. Anyhow, John F. Crane, rancher, says that a good jolt of lightning can cure deafness, in horses at least. An old horse of his, he said, was floored by a heavy bolt and struggled to his feet able to hear as well as a colt.

\$1,000,000 Trust Fund Given to Fight Diabetes

Pittsburgh, Pa.—A woman who nursed a brother afflicted with diabetes for 20 years gave \$1,000,000 recently for a "never-ending medical war" against the disease in children.

Miss Emelie Renziehausen placed the money in an irrevocable trust fund as a memorial to two dead bachelor brothers, Frederick C., who once owned the Large Distilling company, and Henry, a dry-goods dealer in suburban McKeesport.

The income will be used by the Children's hospital of Pittsburgh for establishment of a "Renziehausen memorial ward and clinic" and for perpetual research into the disease.

Miss Renziehausen also gave an 11-acre tract of land to be used as a site for a home for convalescent children.

My Neighbor Says:

A combination of orange sherbet and chocolate ice cream makes a colorful and delicious dessert.

To prepare prunes for salad or bread, wash well and cover with one inch of cold water. Let stand two hours. Stones may then be easily removed.

Unpainted garden furniture should be rubbed with linseed oil before being put away for the winter. It will improve the color of wood and keep it from cracking.

Don't forget to cover your crocuses and tulips before the frost gets into the ground. Cover well with leaves and lay boards over the leaves so they will not blow away.
