CHURCH OF GOD

2025 North 24th Street
Elder S. S. Spaght, Pastor

Sunday was a spiritually high day for the Church of God, with an efficient Sunday school to begin the days worship. Opening the usual hour with the regular code of devotion, the school enjoyed a thoroughly simplified lesson taught by Joe Eddens. Subject, "Christian Sonship."

For the last quarter of 1937, in our Sunday school life is the most beautiful lesson study we feel could be chosen. "Studies in the Christian Life." Having such lessons direct from the Bible (our guide), how can one Christian err in his experience.

Sermon by Elder Spaght, at 11:30 a. m., subject taken from Phil. 3:10. Surely the Christian whose experience is not that "life of holiness" (as pertaining to religion) do not know, has not learned "The Power of His Resurrection." Assuredly he rose with "all things" put in subjection under his feet. Therefore, sin hath no dominion over us, because of the power of "His Resurrection."

Sunday night was quite a spiritual renewal for the inner man as we observed the Lord's Supper.

The pastor spoke very awaking from Acts. 9:6.

Truly the hand of God is greatly upon Elder Spaght, and we do appreciate a real Holy Ghost man: being "first" a partaker of the gospel, he declares to man. We invite you to come to our services, and for spiritual information or general help, we feel he is able to help you. He is at his home to those in need at 1911 No. 26th street.

PLEASANT GREEN CHURCH

Rev. J. H. Reynolds, Pastor
Mrs. Lottie Keys, Reporter

We were glad to have our pastor, Rev. Reynolds, back from St. Paul, Minn., where he has completed running a series of successful meetings. Mother Reynolds, also returned and we were all happy to see her. At the evening service, our pastor preached, subject, "Personal Evangelism," there were two additions to the church.

A baptism was held at Pilgrim Baptist church, there were four

baptized. We are building on the structure of our church and hope to have it finished before cold weather. The choir will hold its musical Friday night, October 8th. Sunday, Oct. 10th is rally day. We are asking all members and friends to contribute one dollar or more for the building fund.

Golden text: "But as many as received Him, to them gave he the right to become children of God, even to them that believe on His name." At 11 o'clock services the pastor delivered a most interesting communion sermon. Subject, "Come for all things are ready." It was enjoyed by everyone and the touching songs that were rendered by the choir as well. After Communion there was installation of the usher board. At 6 o'clock, the Epworth League was opened by the vice president, Carrie Justus, presiding. Subject of the lesson, "Rally Day Program." This program was carried out with a very inspiring candle light service. There were candle lights of different colors, for purity, good will, wisdom, moral faith, truth seekers, reverence and to serve others. At 8 o'clock Rev. Conwell, preached another spiritual sermon. This Week in Thought and Religion

By Robert L. Moody

"Oh sun and skies and clouds of June, and flowers of June together, Thou canst not rival for one hour, October's night blue weather." Autumn has truly come. Nature's lovers are puzzled in their decision as to which is the most beautiful season of the year, i.e. "What is so rare as a first day in June," or "October's bright blue weather." We noticed that the first pilgrim age of blackbirds and robins has begun southward. To stand in the autumn sunset and behold the many colors and shades that tint the trees and shrubbery is a sight very marvellous. Truly the "fourth declares the glory of God, and the firmament shows worth his handiwork." What a Mighty God we serve!

Studies in Christian Life—most of our column will be devoted to the weekly lesson of our uniform Sunday school lessons for the current quarter. Nothing is more practical and profitable than a sincere study and every day practice of the lessons to be earned. Our first lesson taught us our privilege, i.e. to be sonship calls for purifying our selves as He (Christ) is pure. We have discovered from I John, 3 chapter, who is and who is not "Born of God." In this age of doubt and unbelief let every Christian reader live his profession and ever sinner reader accept the new birth and 'become sons of God,' for as many as received Him to them He gave power to become the sons of God, even to them that believe on His name." Jno. 1:12. "Now if any man have not the spirit of Christ, he is none of His.....for as many as are led by the Spirit of God, they are the sons of God." Rom. 8:9, 14. Notes on the current and forthcoming lessons will appear in next issue.

NEW WIRES.. BEFORE YOU KNOW IT

Replacing Telephone wires to prevent trouble

Recently one of our customers asked us why we were putting in new wires to his telephone. He said his service was all right and he did not know why the wires should be replaced. The facts are that a telephone employee, when making a regular inspection to locate anything that might interfere with service, found the insulation on the wires worn so that at any time service might be interrupted.

It is part of our everyday job to search for things that might interrupt telephone service and to correct the condition before service is affected. We are constantly testing lines and equipment...making repairs to prevent future trouble...keeping your telephone service as free as possible from errors, imperfections and delays.
