C. M.—Do you have any idea of my passing in all my subjects in this school this year and tell me what year I will enter in the senior class?

Ans: You are going to pass all of your subjects...but you must continue to work very hard in order to do so. Next September you will enter your Senior year at night school, and will graduate the following June.

M. W. J.—What makes my husband so fussy and hard to get along with? Why does he always pick on me?

Ans: He's a born 'groach' and will never get over it. It is only human for anyone to fuss and pick on the very people that we love the best. Why should anyone want to fuss and nag a person that you cared nothing about. He loves you, even though it is a bit selfish.

B. M. O.—This boy that goes with me does he love me or the other girl he has been taking out?

Ans: This young fellow is a "man about town" and has several other girls on the string that you aren't aware of. He likes you well enough but he certainly is not in love with anyone of his friends.

P. L. W.—Please tell me if my sweetheart will take me back again for we have quit?

Ans: Don't be so anxious to take him back for it will make him lose interest in you...go out with some other friend and show him a thing or two and he will be snooping around your door asking you to take him back before very long.

P. H.—Would it be advisable for me to go to the next town that I have in mind this year?

Ans: The wisest thing for you to do young lady is go ahead with your education and forget your boy friend and your desire to make a change. At your tender age there is but one place for you and that is in the school room.

L. K.—Will there be any success for me in the contest that I am working fair and hard for?

Ans: Keep up the good work for you stand just as good a chance as

anyone else coming out on top. It seems to me that you will be among the ten highest contestants...it is left up to you to do the rest.

W. M.—I want to know if my husband with a girl that lives close to me as I believe?

Ans: No...he hasn't been going with any girls at all. You had better put more confidence in him for if you let him know that you doubt his sincerity, he will give you something to worry about.

C. T.—Which one of my friends should I take seriously, the one that treats me like a China doll or the other young man who is so popular among the younger set?

Ans: Why not go with them both...for you surely do not want to enter marriage right away and get back in the same rut you were in some months ago. Make a number of friends for a few years...until the right one comes along and you will be much happier than centering your whole thoughts on one person.

MT. MORIAH BAPTIST CHURCH Rev. F. P. Jones, Pastor

Services throughout the day were as usual with the pastor occupying the pulpit. He gave to his congregation two well thought out sermons. The sermon at the morning worship was particularly interesting. One outstanding point was that God is forgotten in the homes of today. Space and time is given to everything else but no more do families gather for worship as in days gone by. The result is evident in the many problems that face the world today.

The Mission Circle is giving a pie sale November 20th. Everyone is asked to get their orders in early.

The White Gift ceremony will be given the 3rd Sunday and Monday in December. Everyone is invited to this unusual service. Those who are still on the sick list are Mrs. Burton, Mrs. Henry, Mrs. Lillian Ross, Mrs. Beck and Mrs. Davidson.

Mrs. J. B. Crawford of St. Phillips Episcopal church was a visitor at the morning worship. We extend to all visitors a courteous welcome.

SALEM BAPTIST CHURCH Rev. M. B. Bilbrew, Pastor

Services were very inspiring at Salem Sunday. The Sunday school observed Armistice day by standing in silent prayer. We received much information from the review of the lesson given by Mr. Cooper and Rev. Pettis. Our pastor brought to us a very inspiring message at 11 a. m. His text was found in St. Matthew the 20th chapter and 28th verse.

The BYPU had a very lively session. An Armistice day program was given which was sponsored by Mrs. W. Lambert. It was highly enjoyed by all. Our pastor brought another burning message at 8 p. m. His text was found in St. Matthew the 26th chapter and the 28th verse.

The sick of the church are: Mrs. N. Williams, Mrs. Salughter, Mrs. M. Alexander. Visitors are always welcome at Salem.

Marie Downing BEAUTY AND ROMANCE SPONSORED BY LARIEUSE BEAUTY FOUNDATION The Larieuse Beauty Foundation was established by the Godefrey Manufacturing Company to study methods of preserving women's natural beauty, and to make the results of this research available to the public. PETITE FEET CAN BE COMFORTABLE At a motion picture theater recently I sat next to a girl and a young man who were apparently very much in love. And you couldn't blame the young man, for she was a remarkably pretty girl, with satiny black hair, a glowing complexion, and long silken eyelashes. But I noticed, that in spite of her grooming and her alluring beauty, something was wrong. A frown creased her forehead at times and she fidgeted in her seat. You may guess what was the matter, and I finally discovered it when I glanced down and saw that she had, in exasperation, kicked off her slippers. How many times have we all been tempted to do the same thing? How much suffering do we endure for the sake of a slipper smaller than we can wear? And needless suffering, too. Your choice of footwear is especially important at this time of the year, with the social season getting into full swing and a constant series of dances and teas in prospect for society women. Choose Slippers that Fit You'll be on your feet a lot, and you cannot appear your best at these functions if your feet pain you. Wearing the wrong size or the wrong kind of slippers may cause aches and shooting pains that will inevitably show in your face and posture. Many women's foot troubles arise from wearing slippers so small they pinch the feet. Shoes should fit firmly around the foot but they should first of all be comfortable. It is true that dainty, well-shaped feet are pleasing to your escort, but if they cause strain in your walk or manner, the happy effect is lost. Men notice these things. They won't think you have a trim foot merely because your shoes are small. They'll think privately that you're trying to gain an effect. Shoe size is especially important with the open-toed sandals, popular this fall. Don't get a pair so tiny your foot will melt around the sole. Always keep your shoes neat and well polished. A few minutes work, with home accessories, before you leave your home will work wonders in your appearance. There are any number of good and inexpensive preparations on the market for this purpose. Appropriate Footwear Your choice of shoes should be governed by the occasion. For picnics or barbecues in the open air a sandy tan oxford or a sport shoe, perhaps with a rubber sole, would be appropriate. For the business woman a dark leather shoe with a broad comparatively low heel is usually in good form. For formal wear, of course, there are the open slippers with tall, slender heels, in pastel cloths, gold and silver, as well as kid. If your feet are large, that is nothing to be ashamed of. Wear a shoe that is comfortable, neat and attractive, and then forget about it. Women who have unlovely feet should wear unobtrusive footwear, and they should draw attention from their feet by making an effort to beautify complexion, hair and figure. The freedom from strain achieved by those who wear properly fitted shoes usually more than compensates for any advantage that could be gained by wearing a fashionable shoe that is too small.
