Grandmother Gives Party

Mrs. Doran, 80, Fetes 100 at Yule Affair

"Grandmother" (Mrs. Anna Doran, 80, yesterday resumed her annual custom of giving a Christmas party for children from mixed social strata. She started it more than 10 years ago.

Last year children were unable to troop into her home at 625 Lincoln boulevard to receive gifts. Grandmother lay in the hospital with a broken hip. So many of them took gifts to her, instead.

But yesterday afternoon she seemed as spry as the one hundred youngsters from St. Benedict's parish. She demonstrated it by leaving her cane in a corner, pushing through the press around the Christmas tree and sitting in the lap of Santa Claus (L. G. Roberts, 643 Lincoln boulevard).

Santa then uttered a Pied Piper call and a procession followed to the basement and tables loaded with food, fruit and candy. Santa then led the way upstairs, where the children repaid Grandma Doran with songs and dances prepared at school.

Joining in the celebration were three of her grandchildren, Billy and Shirley Doran, 14 and 7 respectively, 420 Lincoln boulevard, and Jack McCrystal, 15, Milwaukee. A great-grandchild, George Baer, 7 months, lives in Milwaukee.

Mrs. Anna Sue Gordon, residing at 2411 Lake street, underwent an operation at the St Catherine hospital on Wednesday evening of last week. She is improving nicely.

Mrs. Gordon is loved by her many friends of the Metropolitan church who wish her a speedy recovery.

Mrs. Pearl Mitchell and her sons, Herbert and Joseph Thompson, will spend their Christmas holidays in Brookfield, Mo. They will visit their relatives and friends.

A bystander, Andrew Glover, who witnessed the accident, ran a half block where he saw "Soup" Lawson, a driver for the Sunset Taxi Co., who gave chase to the fleeing driver securing his license number by which means he was later apprehended by police authorities who held him without bond.

Mr. Albert Harrison, driver of the badly damaged car in which Miss Mabel Longmeyer, Miss Artison and Larkin Arnold were riding, stated that the damages were partly covered by insurance.
