"Yes, This Is Santa Claus"

"I'm NOT afraid," the small boy said,
"That Santa Claus will be misled
Because we have no fireplace deep
Or chimney broad down which to creep.
A radiator seems too small
To let him climb or even crawl;
But none the less on Christmas day
We'll know that he has found his way

"For when our radio near by
Borrows the lightning from the sky
And brings, to chase away our gloom,
A brass band, right into the room,
I know that such a clever Saint
Will never let his heart grow faint.
Some new improvement, never fear,
Will bring him here for Christmas cheer."
