### CAMPAIGN BRINGS INQUIRIES FROM ALL PARTS OF COUNTRY

Inquiries received up to Feb. 7th, from the first four advertisements in the Nebraska White Spot Campaign indicate that the state's message to industry is being heard throughout the country, according to a report by Otto Zimwinkle, managing director of Associated Industries of Nebraska.

Of a total of 236 inquiries received from 43 states, 86 asked for additional information on Nebraska's industrial resources and advantages, an analysis of returns shows.

Among these are letters from an overall manufacturer in California; a music publisher in Colorado; clay products, a threading equipment and needle works executives in Illinois, a flour mill and a printing plant in Minnesota; a mail order house, dress manufacturer and a publisher in New York; a soap company executive in Ohio; a tanner in Iowa; a shoe polish manufacturer in Missouri; executives of a malted milk plant and a furniture factory in Wisconsin; and a hosiery mill in Pennsylvania.

Bankers in five states also have requested industrial information, presumably for patrons of their banks.

Following the inquiries on industry, the next largest group were those seeking more information on Nebraska's freedom from debt and nuisance taxes. There were 40 such inquiries received to February 7th.

Officials of the campaign say that although the inquiries do not definitely result in new industries being brought into Nebraska, they do indicate that the White Spot campaign is making a definite impression on industrialists and financiers of the country. As the campaign continues through the next ten months, it is logical to expect definite results to be developed in the near future.

In addition to the twice a month advertisements in Time magazine, Nebraska is receiving many columns of valuable publicity as the White Spot of America in newspapers and in magazines throughout the nation.

Clippings of articles and editorial comment from 68 news papers in twenty two states exclusive of Nebraska, have been collected. All of these hundreds of editorials praise Nebraska for its outstanding and unique financial record, and point to this state as an example for their own state governments.

Fred Minder, executive secretary of the Nebraska Press Association, reports also large demand for the small White Spot map cuts to be used on letterheads and envelopes of business firms throughout the convention in Omaha last week. Mr. Minder found the editors eager to use these on their own stationery and to help promote their use by business firms.

### MT. MORIAH BAPTIST CHURCH

Rev. F. P. Jones, Pastor  
Throughout the day we listened to exceptionally good sermons. Well delivered and explained. The spirit dwelled with some and they can truly say that it pays to serve Jesus.

After the evening worship the auxiliaries and clubs make their monthly financial reports.

Mrs. E. C. Hill made a perfect attendance record in the BYPU for the month of February. Mr. Brown was second in the race. Candy bars were awarded to these persons.

The Sunday school attendance was excellent. The many bright faces were wreathed in smiles of gladness because spring was in the air.

The sick list remains somewhat the same. Mrs. Catherine Sanders is now at home. Mrs. F. P. Jones is improving. We thank God for the keeping and healing of these persons.

Among the visitors present was Mr. B. S. Sutton of Pilgrim. He was present at the BYPU hour and remained throughout the evening worship.

### PILGRIM BAPTIST CHURCH

Rev. G. E. Stevenson, Pastor

Sunday school was well attended. One of the teachers with her class from the Pleasant Green church visited our Sunday school. Remarks and invitation by the pastor. Morning services were well attended. The pastor presented Rev. J. S. Anderson who spoke from the subject, "Who is on the Lord's Side?"

The general mission was held at four o'clock with Mrs. Catherine Jackson presiding. The Mission Circle is presenting the ladies trio in a musical recital April 7. This will be for an educational benefit.

BYPU was enjoyed by all. Group No. 4 presented a very timely program. Mr. Roy Gordon, Misses Hattie Crump, Annie Bell Thomas and Eva Mae Stewart spoke on different topics. Mrs. Roberta McCloud had charge of the program.

The following persons received certificates from the Baptist religious training school, held at the First Baptist church. Mrs. Alice Robbins and Miss Christine Dixon. These following persons received their diplomas: Mr. J. W. Dacus, Mrs. Cathrine Jackson, Mrs. Lula Gates and Mrs. Minnie Dixon.

### HOW OFTEN CAN YOU KISS AND MAKE UP?

FEW husbands can understand why a wife should turn from a pleasant companion into a shrew for one whole week in every month.

You can say "I'm sorry" and kiss and make up easier before marriage than after. Be wise. If you want to hold your husband, you won't be a three-quarter wife.

For three generations one woman has told another how to go "smiling through" with Lydia E. Pinkham's Vegetable Compound. It helps Nature tone up the system, thus lessening the discomforts from the functional disorders which women must endure in the three criticals of life: 1. Turning from girlhood to womanhood. 2. Preparing for motherhood. 3. Approaching "middle age."

Don't be a three-quarter wife, take LYDIA E. PINKHAM'S VEGETABLE COMPOUND and Go "Smiling Through."
