## ARE YOU ONLY A THREE-QUARTER WIFE?

MEN, because they are men, can never understand a three-quarter wife—a wife who is all love and kindness three weeks in a month and a hell cat the rest of the time.

No matter how your back aches—no matter how your nerves scream—don't take it out on your husband. For three generations one woman has told another how to go "smiling through" with Lydia E. Pinkham's Vegetable Compound. It helps Nature tone up the system, thus lessening the discomforts from the functional disorders which women must endure in the three ordeals of life: 1. Turning from girlhood to womanhood. 2. Preparing for motherhood. 3. Approaching "middle age."

Don't be a three-quarter wife, take LYDIA E. PINKHAM'S VEGETABLE COMPOUND and go "Smiling Through."

## LONESOME HOUSE

By Theresa M. Skinner

Lonsome house is at the end of the lane  
Where the pathway has lost its trail,  
The trees around it are not the same

They are leafless, bare and frail  
Their branches reach upward as if in prayer  
For this lonsome house all alone,  
Standing silent with windows bare

This house that used to be home,  
Where children's voices use to shout with mirth  
And the wall with their laughter ring

Father and mother sat by the hearth,  
And all the old songs they would sing  
While the children listened joyfully by  
And would oft times join in the song

But that was in the days gone by  
When lonsome house used to be home

## ST. JOHN A. M. E. CHURCH

"The Friendly Church"  
Rev. R. A. Adams, Pastor

Sunday was a very fine day at St. John and all the services were very good. The Sunday school had one of the best attendances for the year.

Now that the weather shows that spring is just around the corner, we trust the parents will help see that the children come regular and on time.

Dr. Adams preached a very fine sermon that was directed largely to the young single women of the congregation. His subject was "Damsel In Distress." This sermon gave many helpful thoughts to the womanhood of the church. The message received every man and woman who should resolve to put forth every effort to protect the young womanhood of the race and that could be done by seeking the best environment for them and see that all other pitfalls are cleared out.

We are sorry to report so many sick of the church which are as follows: Sis. Martha T. Carter and Sis. Talley are still very sick. Miss Addie George and Mrs. C. Hanna have been ill for two weeks or so. Mr. W. L. Myers has returned home from the hospital and is able to be up. We pray for these and all others who are sick a speedy recovery.

Next Sunday will be Quarterly meeting at St. John and we are hoping all clubs and members will make fine reports.

We are always glad to see our visitors at St. John. We invite

## BAHA'I NEWS

The Baha'i Fast begins March 2 and ends March 21 and consists in abstaining from food or drink from sunrise to sunset.

Fasting is one of the divine commandments which has existed from all time in all the Holy Books.

Special times are appointed and particular forms are ordained by every religion.

While material fasting is abstaining from the appetites of the body, spiritual fasting is this, that man abstain from selfish passions, from negligence and satanic animal traits, purifying the heart from every stain of egotism, replacing material tendencies with spiritual susceptibilities refining the moral fibre and intensifying the fire of the love of God; in other words beautifully explained in the following prayer which is one of the prayers used by the Baha'is during their fast.

"Oh God! As I am fasting from the appetites of the body and not occupied with eating and drinking, even so purify and make holy my heart and my life from ought else, save Thy love, and protect and preserve my soul from self-passions and animal traits. Thus may the spirit associate with the fragrances of Holiness and fast from everything Save Thy mention."
